**Started Chicks - Ready!**

Keep your poultry equipment turning over at a profit! Right now is a good time to put in a brooder load of Day Old Chicks. You can learn them out of your brooder house, at 12 or 13 weeks, just in time to make room for your "main crop" of chicks, and just when broiler supplies are short and demand strong. If you choose to raise the pullets for layers they will give you a real head start for 1935.

Bray Hatcheries are hatching right through. Two and 3 week old, well started chicks now ready. Good choice of breeds. Reasonable prices. Why not try it?

**Mr. Hog Producer!**

You have NOW an opportunity to help yourself, but you must do so before TUESDAY NEXT, NOV. 27th, when registration closes, and only to DECEMBER 8th to vote.

The Halton Hog Producers' Committee, the County Federation of Agriculture, The Ont. Control Board, The Dept. of Agriculture and the MINISTER OF AGRICULTURE have all done their part. IT IS NOW UP TO YOU.

All you have to do is to drop Mr. Whitelock a line asking him to register you as a Halton Hog Producer and he will mail you a ballot, then mark your ballot and return it to him before December 8th.

This will cost you the full sum of 2 one cent stamps. But please don't overlook the fact that men in your county have spent considerable sums working on your behalf fighting your battles.

This Plan is merely to regularize your right to a voice in running your own business, it is a purely democratic method whereby you will sit around a common table with others who handle your products and decide ALL questions pertaining to your Hog Marketing, Processing and the Distributing of the product.

COUGHS, BROKEN WIND  
Coughs, broken wind, spunkiness, maverick by ZELV, where everything else fails. Try the great remedy made by the makers of Backus' Mixture. If you have an animal suffering from any of these ailments, \$100 a full treatment is warranted.
