

Personals

Mrs. C. H. Morse of New Hampshire is visiting with Miss M. Z. Bennett.

Friends will regret to learn that Mr. Richard Hinch is in hospital in Guelph and wish him a prompt recovery.

Mr. and Mrs. A. H. Cheyne, Etan-ona spent last week at the home of their daughter, Mr. and Mrs. N. H. Wilson.

Mrs. Barbara Soper and Mr. Joseph Soper of Erin spent a few days last week with Mr. and Mrs. Henry Hilt of Hamilton.

Mr. and Mrs. Angus Mills and little daughter of Mono Mills visited at the home of Mr. and Mrs. N. H. Wilson one day recently.

Sergt. Geoffrey Boulton, who recently received his discharge from the Canadian Army has now enrolled for the course in Dentistry at Toronto.

All are glad to learn that Mr. Sam Roberts was able to return from Toronto this week and is again able to be at the Trout Club property north of Acton.

Mrs. R. J. McKeehan of Jamaica, N.Y. is visiting her parents, Mr. and Mrs. Sam Soper. Friends regret that Mr. Soper is in poor health and hope for his early recovery.

GEORGETOWN MAN FOUND ON TRACKS FATALY INJURED

Georgetown Municipal police investigated the discovery on the railway tracks near the C.N.R. station Saturday of the body of Sgt. Major William J. Carney, instructor with the Reserve Battalion Leane Scots.

Police believe that the veteran soldier was walking across the tracks when he was struck by a train. A leg and an arm were severed from the body. An inquest into the death has been ordered by Dr. Keith Stevenson, Georgetown coroner.

In addition to his wife, Sgt. Major Carney is survived by two sons, James and Philip, both at home.

FURTHER SALE OF ARMY TRUCKS TO FARMERS ANNOUNCED

A further sale of approximately seventy-five 15-cwt army trucks has been announced for the M. D. No. 2 Army Compound Fleet and Bay Six, Toronto on November 10th, commencing at 10:00 a.m.

The selling price is announced at \$300. Terms are strictly cash which means a marked cheque or cash. Halifax farmers interested in securing one of these trucks should secure a certificate of letter from Agri. Rep. J. J. Whitehead at Federation Secretary R. S. Heathington or their Representative or Warden certifying that they are farmers and intend to use the trucks for agricultural purposes.

RIGHT FOODS IN RIGHT QUANTITIES

All health and a shorter life are not the only results of malnutrition. People who are not well nourished, often lack the energy and the ability to even the imagination and the will to better their lot. They number perhaps three-fourths of the world's population. Some physical and psychological disabilities formerly considered inherited are now found to be derived from a wrong or inadequate diet. Indeed, the newer knowledge of nutrition suggests that the majority of the world's people have not begun to realize their full potentials as human beings. An important part of the United Nations Food and Agriculture Organization (FAO) will be to correlate the science of nutrition with the science of agriculture, so that the right kinds of foods will be grown in the right quantities to meet the nutritional needs of the world.

BACK TO COUNTRY HOMES?

War production drew great numbers of people out of rural and village homes and gave them work in factories and busy centers. Now that production of military material is being greatly reduced or stopped in many cases, how many people will go back to their former homes and farm work or jobs in village life? One factor that will influence these people will be the question of the living quarters which they can find in the cities and towns where they have been working. Some who have had to live in cramped or inconvenient quarters, may think the old country home was a pretty good place, as it probably had room enough and space for a nice garden. The country will still need a big food production, and many farmers would like to get their former help back again.

C. C. E.'s FUTURE

OTTAWA (CP)—The future of the Central Canada Exhibition, second largest fair in Ontario, is being considered by the Ottawa Board of Control. Lansdowne Park, where the fair was held in pre-war years, will be turned back by the Army next May and the controllers must decide whether a fair will be held next fall.

LIMEHOUSE

A capacity crowd attended the opening of Limehouse Memorial Hall on Friday evening. Following the Dixie Club, hot supper was served by the W. I. to over 250, after which Mrs. Elberly called the local returned lady in the platform where Mr. John Newton presented each with his membership card. The list included Samson (Miss), William Summers, Denis Hill, Ronald Twyles, Ronald Latimer, Robert McVey, Alex Wright, Norman McDonald, Lorne Norton, John Fox, Angus Macdonald and Clifford Macdonald.

Two minutes silence was observed in memory of the two lads who had paid the supreme sacrifice overseas. The W. I. president, Mrs. Elberly, regretted that speakers who had been invited were unable to be present. After the singing of "O Canada", the floor was cleared for dancing and proceedings turned over to Hardeen's Orchestra with Mr. H. E. Davidson as floor manager, until the National Anthem brought the good time to a close long past midnight.

Visitors to the village and to attend the opening events were present from Toronto, Milton, Acton, Georgetown, Hamilton, Glen Williams, Stewart-town and other parts of the surrounding countryside.

Christmas boxes valued at \$5.00 and weighing 8 pounds were mailed to each of seven local lads still overseas with the armed forces.

Miss Eddell and her pupils at St. No. 9 were busily preparing for their annual Christmas entertainment.

Mr. Hetherington, field man for the Federation of Agriculture showed three films to an appreciative audience at 5:30 on 9 last Wednesday evening. Afterwards, the community welcomed home three more of the boys from the armed forces. Flat files of cigarettes were presented to Lorne Norton and Clifford Macdonald and a box of chocolates to John Fox, who isn't a smoker. Lunch was served after which dancing was enjoyed for an hour.

Mrs. Copley of Toronto spent the weekend with the Nobles. Mr. Alex Wright was home from Toronto for the week end.

PICTURE OF YEAR BOOKED FOR ACTON FOR NEXT WEEK

20th Century Fox's "The Song of Bernadette" acclaimed the outstanding nomination for the Picture of the Year, is scheduled for the Gregory Theatre here next Monday and Tuesday.

The filmation of Franz Werfel's warm human story of Bernadette Soubirous, the peasant girl of Lourdes, was directed by Henry King and produced by William Perlberg. George Seaton wrote the screen play.

Jennifer Jones plays the title role of the film and the impressive supporting cast includes William Feltch, Charles Laughton, Vincent Price, Lee J. Cobb and Gladys Cooper, among others.

SUBJECTS FOR CONVERSATION

There are many persons who find it difficult to talk when they meet strangers or are introduced to people at some social gathering. It is quite an asset when people can immediately think of things to say, and start up an interesting conversation with anyone. The person who stands around with closed mouth at social occasions, would make more friends if he would think up things to talk about.

Some people talk about the weather, but that is just a commonplace subject that excites little interest. The newspapers furnish a never ending array of subjects to be talked about. If you are going to meet people at some party, it would be a good idea, if you have difficulty in finding things to talk about, to read the newspapers just before going, and ask those whom you meet what they think about it, or that thing that has just happened.

REASONS FOR ACCIDENTS

A recent study of accidents indicates that the majority of people who get hurt in accidents during working hours are less than the number who are hurt while out at work. Falls are the most common cause of accidents, and the people have to watch out and take notice of what they are doing all the time. It is so easy, when one is busy or occupied about something, to do some careless thing which results in a bad accident.

The rug on the slippery floor may cause you to lose your balance, if you hurry down stairs too fast you may fall, the cut on your finger may become infected. There are only a few of the perils that beset us. It pays people to watch their step.

PROPOSE BIG ZOO

MONTREAL (CP)—City council is studying a report recommending the establishment of a 100-acre zoo to include only Canadian fauna. The Quebec government likely will be asked to contribute to the cost of the zoo which its supporters say would be of educational and tourist advantage to the province.

Council Grants Pool Room License As Application

(Continued from Page One)

The Clerk reported that Mr. Robson had verbally reported the Arena ready to be returned to the town. He requested the committee go over the building with Mr. Chas. Gardner who had the contract for repairs. Councilors McKee and Davidson were appointed a committee to go over the property.

A letter from the department to the hospital clerk pointed out that the hospital account of an indigent was overdue and the Municipality was liable. The Clerk was instructed to write the man pointing out that if payment was not made, proceedings would be taken for collection. The account was for \$22.75 and the man is steadily employed.

Council discussed the laying of a four inch main along East Bowser Avenue to connect with Armonia and Acton Machine Shops. It was decided to construct this main with unanimous consent of Council.

A letter from the Canadian Legion Acton Branch, expressed appreciation of council's cooperation in observing Remembrance Day.

A letter from the Department of Health suggested that a question be submitted to the ratepayers rather than a money bill to be granted to sewage disposal.

A letter from Dr. W. C. Kenney suggested Council appoint a committee to provide for sale of Christmas seals. Residents of Acton had secured benefits in chest funds that were obtained through these funds. Councilor Coughton was asked to take this up with the School principals to see if these sales could be handled by the school children.

The report of the Public Health Nurse was read by the Clerk. An account from St. Joseph's Hospital was received for an indigent patient. Notice of admission was received at a patient at Toronto General Hospital.

Application for Municipal subsidy was signed by the Mayor.

The Clerk reported that the appeal of Thos. Himekowskij was heard by the judge to day and the ruling of the Court of Revision was upheld.

A letter from the Acton Y.M.C. Club gave a copy of a resolution passed regarding juvenile delinquency. It was urged that the curfew be more rigidly enforced and a curb on the sale of tobacco to juveniles be made. It was suggested that the Chief of Police be given extra assistance to do this work.

A motion was passed to appoint an assistant for Mr. Hinton for a trial period of two months. Duty will be from 7 to 12 o'clock on the evening salary to be \$6 per hour.

A by-law in connection with water main construction was read as required and passed.

Council adjourned at 12:30 a.m.

ADVERTISING AND PROGRESS

Advertising has made an enormous contribution to Canadian progress. The country's advance seemed slower in the days before advertising became common. When dealers began to tell people about all the new things that were being put on the market, about new facilities and the latest developments in science and style, people became more interested in modern improvements and they began to buy more freely. The desire to get the new things was an incentive to effort, and people earned more and became able to spend more money.

Advertising is a force that makes people acquainted with the development of the time. It is an influence, inducing people to work and earn and spend and thus it has contributed greatly to the development of Canadian home and personal life.

NO CAUSE FOR COMPLAINT

With the possible exception of size, the people of Canada are now better fed than they ever were before. In spite of drought and other shortages, our production of food has been enormously increased during the war and has been the greatest in our history. It is a fact that the amount of food exported there is still enough left to meet all reasonable requirements.

In fact, all the quarters in the world, Canada has at the present time the best reason for being in all of its food supply. It is something we ought to remember especially when the prevailing season comes around. See 10th Exp. Star.

DUMBEST HORSE

ST. MARYS, Ont. (CP)—One of the dumbest horses in the district has no competition as the dumbest horse in the district. She saw a canary cage covered with a white sheet in the Griffin living room mistook it for a block of salt and shoved her head through a glass window to lick it.

MOOSE AROUND

TIMMINS, Ont. (CP)—The woods of Northern Ontario are full of moose as a result of the restricted hunting during the war years. Game wardens say more are being shot this year than in any other year for which records have been kept.

Cub Pack News

Calling all Cubs! Be at the Y on Monday, November 26, especially the twelve new cubs who will become full fledged Wolf Cubs that night.

Did you know that each Cub is going to have their own hat curtain in the color of their Six? And we will all have red plaid kerchiefs that is of course, if you new thing who haven't yet learned your Tenderpad Test, hurry up. New badges are on order, too. All this is being provided by the Scout Mothers. Isn't that generous of them? There is another surprise too, but we will tell you by a later column. See you on Monday at 7.

VETERANS FILE BREACH

HALIFAX (CP)—Almost two hundred schools in Nova Scotia which were without teachers in September have opened with teachers released from the armed services. Between 25 and 35 schools are still without teachers.

ATTENTION ALL RATEPAYERS

Are you in favour of installing, constructing, erecting and maintaining the building, machinery, plant and equipment necessary for a complete sewage system and sewage disposal plant at the estimated cost of \$181,000.00?

NOTICE

Take notice that the foregoing is a correct statement of a question to be submitted to the voters of the Village of Acton, qualified to vote on money by law, on the Third day of December, A. D. 1945 between the hours of nine o'clock in the forenoon and seven o'clock in the afternoon at the following places: Polling Station Number One, Loan Hall, Polling Subdivision Number Two, A. I. Inclusive, Young Men's Christian Association Building, front entrance, Polling Subdivision Number Two, M. Z. Inclusive, Young Men's Christian Association Building, side entrance, and that the Twenty third day of November, A. D. 1945 at the hour of eight o'clock in the afternoon in the Loan Hall, be held for the appointment of persons to attend at the Polling place and at the final counting up of the votes by the Clerk, P. C. F. LEATHBRIDGE, Clerk.
