

Personals

Miss Martha Orr of Toronto visited in Acton over the week-end.

Mrs. H. J. Jolley, Sr., Acton has been visiting her family and friends in Montreal.

Mrs. Prudence Cook of Toronto spent the week-end with Mr. and Mrs. Lee Hotcham.

Mrs. Ethel Edwards and Mrs. Ernie Boston of Toronto spent Sunday with Mrs. Robt. Shaw.

Mr. and Mrs. Gordon Hogvaldson Marilyn and Bill spent the week-end visiting relatives in Toronto.

Mr. and Mrs. J. J. Brignall and Mr. and Mrs. H. L. Brignall of Toronto visited Acton friends on Sunday.

Mr. and Mrs. W. E. Thompson of Owen Sound visited with Mr. and Mrs. J. R. MacArthur during the week-end.

Mrs. Helen Greenwood, Barbara and Frank of Toronto spent the week-end with Mrs. August Anderson.

Mr. and Mrs. Stanley Coy and Sandra, Mr. and Mrs. Ray Gordon and Nancy and Dorothy Dunsmore of Toronto visited friends here on Sunday.

Mr. and Mrs. W. D. Robertson, David, Douglas and Bobbie of Toronto visited on Sunday at the home of Mr. and Mrs. F. Anderson and other friends.

Dr. and Mrs. Hugh Austin left last week for their new home in Arizona. Many friends here will hope the change will be beneficial and that Dr. Austin may soon be restored to good health.

Mr. and Mrs. E. G. Black of Toronto held a reception on Sunday in honor of their daughter, Mrs. Gunnar Lie, who sails from New York on Thursday to join her husband in Norway. Mrs. John Wood and Mrs. G. A. Dills attended.

Mr. Joe Taylor, who has been in Toronto General Hospital receiving treatments for his injured arm is spending a few days with his father this week. He has to return for further treatment. Friends hope for a speedy return to his home.

Mr. and Mrs. Edward Freeman will be at home to their friends and neighbors on the 50th anniversary of their marriage on Saturday, April 27th, from 3 to 5 in the afternoon and from 7.30 to 10 in the evening, at the home of Mr. and Mrs. Frank Freeman.

Mrs. R. F. Johnstone of Toronto held a trosser tea last Wednesday in honor of her daughter, Doris Jean, whose marriage to Mr. Walter A. Irwin takes place during the Easter season. Those from Acton who attended were Mrs. V. B. Rumley, Mrs. G. A. Dills, Mrs. Jas. Symon, Mrs. Dan Taylor and Mrs. Mac Symon.

Engagements

Mr. John Nicol wishes to announce the engagement of his youngest daughter, Hannah May to Herbert Miller, only son of Mrs. Miller and the late Mr. Herbert Miller of Guelph. The marriage to take place on April 30th at Guelph, Ontario.

Semi-Ghost Town Springs to Life

Population of B. C. Gold Centre jumps from 60 to 1,500

ZEBALLOS, B. C. (C.T.)—A semi-ghost town in wartime, this colorful gold mining centre is once more coming to life with the reopening of mines and business places.

Zeballos is 125 miles northwest of Victoria on Vancouver Island. Its one-time population of 1,500 faded to 60 during the war years.

More than 22 miners, mill hands and businessmen have come to make their homes here and the housing situation is becoming acute. All livable premises have been converted into homes and others are being repaired as more families arrive.

Three grocery stores which remained in operation throughout the war serving the few in the community and outlying districts have more than tripled their trade.

One of the three hotels is still boarded up, but the other two are now polishing up as business keeps increasing. The weekly newspaper, The Zeballos Miner, has set up shop again, the hospital is being prepared to open this summer and the board of trade is again active.

Zeballos is only 30 miles south of Estevan Point lighthouse, which was shelled by a Japanese submarine during the war, causing no damage. James Cullin, editor of the Zeballos Miner, made the trip to the lighthouse by rowboat to report details of the attack and was stalled on a sandbar for six hours in the vicinity from which the submarine was believed to have fired the shells.

In the United States, although milk production on the farms during 1945 was the highest in the 21 years for which estimates are available, the number of cows on farms showed a sharp decline. The production per cow averaged 4,789 pounds, an increase of 214 pounds on the 1944 figures.

URGE USE CERTIFIED SEED POTATOES

Although there is a good supply of certified seed potatoes in the Maritime Provinces at the present moment, potato growers in Canada are urged to order without delay their certified seed for 1946 planting. The demand is increasing quickly. Also there is still a critical need for the maximum production of food, and it is within the power of potato growers, by growing the greatest amount they possibly can, to assist in the release of food to the starving peoples of the world.

The biggest yield of potatoes and those of the highest food value can be grown by using certified seed, otherwise there is no guarantee that the potatoes are free from disease. There are three classes of certified seed potatoes namely: Certified, Foundation A, and Foundation. Certified seed producers by the way, must plant Foundation or Foundation A to enable them to have their fields inspected. In addition to the three classes, there is a Small Size Grade containing tubers of 1 1/2 to 3 oz. size. Any of these classes or grades will give satisfaction.

Certified seed potatoes, like certified or registered seed of other crops, are identified by official tags issued by the Dominion Department of Agriculture. The tags are attached to every container of 50 pounds or more. If the official tag is not attached, the potatoes should not be accepted as certified seed. The details issued on the tags give a description of the class of seed, that is, Certified Seed Potatoes; Certified Foundation A; or Certified Foundation Potatoes; the name of the variety; the certificate number of the seed; the date of the official inspection, and the official seal bearing the words—Department of Agriculture—Canada—Plant Protection Division—Science Service.

In providing the Potato Certification Service, it is the principal aim of the Plant Protection Division to make available to the whole potato industry of Canada a sufficient quantity of practically disease-free seed annually to meet all prospective demands. This Service is considered the most practical and economical method of dealing with the many types of diseases carried in the tuber.

SPRING FLOWERS

Nature lovers take great satisfaction as the spring comes on, in visiting favorite haunts where wild flowers grow. It is a pleasure to see them pushing their little heads up above coverings of dry leaves, and giving the world a bit of color.

Some people in picking such flowers have nearly exterminated or depleted some varieties, by tearing them up too violently by the roots, or breaking off their branches too freely. The wild flowers beautify the locality and province, and they should be protected. The spring flowers are Nature's way of saying that she is on the job again, reviving life, and preparing for the grand productivity of summer.

BURLINGTON

Judge D. B. Harkness, author of the very fine book "This Nation Called Canada" was the guest speaker at the Burlington High School Home and School Association meeting.

Last Wednesday afternoon, the fire siren sounded for a truck fire on Brant Street, opposite Anderson's Fruit Market. Fire Chief Waumansley headed for his car to proceed to the fire hall when he noticed the truck on fire. He immediately seized a fire extinguisher and put out the fire and the services of the fire department were not needed.

The first low-rental project to be built in Canada is to be started in Burlington within the next few weeks and its sponsors expect that the new project will be ready for occupancy by September 1st. Every municipality no matter how small has a few families who cannot afford to rent decent housing accommodation. Through accident, illness or old age they find themselves in the position that they must live in very inferior homes, almost slums. The Low Rental Housing scheme is an indirect attack to clean up slums and while its major use will be in large cities the scheme can be used to relieve distress in small communities.—Gazette.

MILTON

The John Milton Chapter I.O.E.E. have organized a committee to canvass the town for the "Save the Children Fund." Representatives from the Chapter will be calling at each home within the next two weeks.

The members voted to send \$100.00 to the Save the Children Fund, also \$350.00 to the War Memorial Fund being established by the Order, this amount being half of the sum allocated the John Milton Chapter. The remaining half will be paid later.

Arthur Barton, son of Mr. and Mrs. A. Barton of Milton, has just completed a successful season as one of the leading tenors in the Gilbert and Sullivan operetta "The Gondoliers" presented by the Canada Packers Operatic Society.

A special meeting of Milton Council was held on Tuesday evening. The main purpose of this meeting was to engage a Chief of Police for the town.

Mr. Canning, who was granted his discharge from the R.C.A.F. last fall was the choice of the Council. He was a member of Stratford Police Force before enlisting. His duties are to commence on Tuesday, April 16th. The salary of Mr. Canning was agreed upon at \$125.00 per month—Canadian Champion.

NASSAGAWEYA

In her 90th year, Mrs. Margaret Jane Simpson passed peacefully away at the home of her son, E. S. Simpson, lot 19, con. 3, Nassagaweya Township on Saturday, April 13th after one week's illness. Mrs. Simpson was the widow of the late John Simpson and a highly respected pioneer resident of the Township. She was a kind friend and good neighbor. The funeral was held from her late residence on Tuesday with service at the home conducted by Rev. Mr. McNeil of the Presbyterian Church and also at the graveside. Interment was in Ebenezer Cemetery. The pallbearers were Messrs. James Simpson, Phene Finlay, John Campbell, Thos. Robinson, Campbell Smith and Thos. Simpson. There was a large gathering of friends and neighbors at the funeral to pay their last respects to the deceased. The sympathy of the community is extended to all the bereaved ones in their sorrow.

There was a large crowd at Bloomsbury School, S. S. 9, Nassagaweya last Wednesday evening for the motion pictures which were put on by Mr. R. S. Heatherington, county representative of the National Film Board.

Mr. and Mrs. W. F. Bolas and daughter of Guelph visited relatives and friends in Nassagaweya last Sunday.

Mr. and Mrs. Wm. M. Near and family of Kitchener visited relatives and friends in Nassagaweya on Sunday last.

Mr. and Mrs. Wm. Kee and family visited with Mr. and Mrs. Elwood Wilson over the week-end.

Mr. Stanley, who has rented the farm of Elwood Wilson on the Guelph Road, Nassagaweya moved into his new home this Tuesday.

PARENTAL INFLUENCE

It is remarked that children should be taught not to brag and boast about the things they have done or expect to do. Someone remarks that to persuade some of them to avoid that fault, it would be necessary to remove them from the influence of their father and mother.

Some children may seem indifferent to the advice and commands of their parents. Yet these youngsters may be more influenced by their parents than the parents realize. If they see their parents doing or saying questionable things, they feel well justified in doing and saying these things themselves. They may not listen as they ought to when their parents give them good advice, but they are greatly influenced when the parents do things that are undesirable and wrong.

When a person sounds off, that is just how he sounds—off.

GEORGETOWN

At a convocation at Emmanuel College next Monday, Rev. J. Leonard Self, minister of Norval and Union Presbyterian Churches will receive the degree of Bachelor of Divinity.

Mrs. Eric Stewart, a charming war bride from Holland, arrived in Georgetown last week to join her husband, Capt. Stewart, who had preceded her home by a few weeks. Mrs. Stewart crossed from England on the Letitia.

Four calls were made upon the local fire brigade over the week-end but in only one case was the damage serious, this being early Friday evening when a garage belonging to James Brunton was burned down.—Herald.
