Mr. and Mrs. John A. Early announce the engagement of their daughter, Beattie Burns, to John Duncan Currie, son of Mrs. Currie and the late Duncan Currie, Campbellville. The marriage to take place in Nasagaweya Presbyterian Church, Saturday, September 21, at 3 o'clock.

SPORTS CAMERA

Saturday afternoon last the diamond in Acton Park was host to two visiting teams of players from the towns of Aurora and Weston. After the mad scramble of runs was untied and assorted, the local squad were found to be deep in the cellar as they suffered shellacking in both features. In the first game, two Aurora Juniors and Acton Juniors, the visitors rained 8 runs down the local front while our own sinner punter talked but twice, meaning we were on the short end of an 8-2 count.

The second game between Weston Pee Wees (supposedly) and the Acton squad which are in the same class, Weston walked away on the laughing end of a 12-2 count, getting all their runs on errors, fumbles and foolish footwork displayed by a stacked local infield (and we mean stacked). Any resemblance between Pee Wees and the local infield was purely accidental.

But baseball isn't doomed for this year as yet. The Pee Wees are still in their fighting and we think of spirit counts at all the opposing squads might just as well give up for our lads have plenty of "it".

Who said that formal protests never materialize? Down in the county town of Milton they've got a Juvenile baseball team that is still in the running for provincial honors. They are now engaged in their second series with Walkerton, all because of one of those protests. In the first series the Milton team lost out by a 2-1 ratio in games. Protesting the last two games by claiming that Walkerton used over age players, the Miltonians got the thumbs up sign from the O. B. A. and so are still in their fighting for that second series. The whole series has to be played over.

With the increased the principal object of existence is to win laurels on the Field Day, October 2nd. Everybody is invited to watch proceedings and there is probably for plenty of competition for those patriotic colors, with the increased enrollment in the school. Soccer is another one of those things that makes life dear to the town teen-ager and we understand they play plenty of it to loosen up those muscles which are so strained by summer vacation. Working and all that! It seems too bad that this game doesn't receive more support as it embraces all those fine points of sport, such as speed, endurance and team work which characterizes our good athletes.
