FLETCHER'S FARM AGENCY
I get my business through advertising. I advertise extensively. It is six leagues to the front, and business is coming from far and near. During the past week I have received listings of many farms, and some town properties for sale, and have been requested to list 500 acres in Western Canada, and a large block of real estate in Toronto. I have succeeded in completing the sale of one property list at \$68,000, and have four more sales nearing completion. I devote all my time to the Real Estate business, and I invite parties wishing to either buy or sell farms, or town properties to consult me. I can handle anything in Real Estate. I appreciate your business and will endeavor to handle it to your best interest. I have a fine assortment of farms to offer. Just write me for descriptions, stating your requirements. My advertisements have attracted many buyers. I wish to list some houses for sale and farms to rent.
