

### Forestry Dept. of Hydro to Trim Trees in Acton

#### No Delivery on Water Mains Can be Secured before next Year Other Commission Items

A meeting of Acton Public Utilities Commission was held on Monday evening. Chairman C. M. Hanson and Commissioner J. R. MacArthur were present.

A motion was passed granting Secretary F. G. Turner authority to sign for and obtain cancelled cheques from the Bank of Nova Scotia.

A letter from the Inspection Department of the H.E.P.C. of Ontario stated that of the two pairs of rubber gloves sent to them for inspection, one pair had been passed and the other pair had been rejected and destroyed.

A letter from the firm of Morden Helwig and Ferris included a form letter to be filled out and a release to be signed. This was for the damaging of hydrant on Church Street by Acker Furniture truck earlier in the year. The amount of the damage was \$24.75. No cheque had been enclosed with the form letter and so the Commission declined signing a release until the amount was paid.

A list of lamps available from the H.E.P.C. of Ontario and the new prices for these lamps was supplied.

A letter from the Engineer's Department H.E.P.C. notified the Commission that they must take the demand reading of the meter in supplying power to the Fall Fair.

A letter from the Bell Telephone Co. suggested the replacing of two poles on Scene Street so that the necessary clearance could be made and both the Commission and the Bell Telephone Co. could use the same poles at this point for their respective services. It was decided that Superintendent Wilson and a representative of the Telephone Co. should view the poles and come to a decision.

A notice of the A. M. E. U. convention in London on October 16th was read.

The Forestry Department of the H.E.P.C. presented their estimate of the cost of trimming of trees on the Commission's lines about town. There are 631 trees that need trimming on the 7.65 miles of line and 5 trees to be removed. The cost of this work is \$1,825. The Commission agreed to have the work done by the Forestry Department.

Mr. D. H. Lindsay requested that an outlet for power be installed at the C.N.R. tracks to enable him to use a mechanical loader in unloading grain. This was agreed to and a service charge was set and a meter is to be installed.

A notice was to be inserted in the Free Press stating that the office would be closed from 12:30 p.m. to 1:30 p.m. during the month of October while some of the staff were away on holidays and leave of absence.

Cards are to be included in the bills going out during October and November stating the new ruling about cutting off all in arrears 10 days after the discount date.

Superintendent Wilson reported that he was unable to procure the water pipe for the extensions on Peel and Arthur Streets from the usual supplies before next spring. Other sources were to be tried to see if any pipes were available.

Superintendent Wilson requested permission to board up the window in the pump house at the spring property to help keep the frost out of the building. It is hoped this will enable a saving to be made in the heat loss at the spring during the winter. Permission was granted for this window to be closed.

Superintendent Wilson also reported that the hatch cover had been pried off the roof of the spring building and a light bulb broken on the roof. More barbed wire had been strung along the guard fence and a more secure fastening made on the hatch cover.

The secretary was instructed to pay the following accounts:

Hydro Department	
H.E.P.C., power	\$4838.46
Can. Gen. Electric, supplies	32.81
Can. Line Materials, supplies	36.63

Canadian Brass	22.98
Mueller Ltd.	122.97
Ewing and Vine	206.21
	\$402.85

### SAVED FARMER'S LIFE BECAME FARMER'S WIFE

SHEPHERDSWELL, Kent (CP) — Two years after she saved Farmer H. House Weir from being gored by a bull, Norah Jennings became his bride.

A weaver before the war, Miss Jennings joined the Women's Land Army in 1941 and was posted to Mr. Jennings' farm. Injured in the struggle to save him from an enraged bull, she won the British Empire Medal.

### NASSAGAWEYA S. S. No. 7

(Intended for Last Week)  
The September meeting of the Busy Bees Club was held at the home of Mrs. Irwin Little with an attendance of twelve members. The financial report showed quiltings done as usual and one progressive euchre held. Five dollars had been donated to No. 7 Boys' Baseball Team. Good Cheer convener reported \$500 in the treasury from the copper collection at the meetings for this purpose.

A date for the long-planned banquet for the boys who had worn the uniform and our war-brides was set for the latter part of October. The menu was also planned. Committees and further details were left for the next meeting at the home of Mrs. J. J. Kennedy.

A quilt was quilted during the day. Mrs. Little and her mother, Mrs. Clark served a lovely lunch of sandwiches, cookies and tarts. Miss Doris Coxie sponsored a vote of thanks to the hostess for the use of her home and hospitality.

Mr. Howard (Tony) Frank was quite excited when he received word last week that he was on the list of those going West to help harvest, as his friends had already been notified and were on their way. Needless to say he was soon following them.

No. 7 have two little boys added to the 1st grade class, Bobby Herd grandson of Mr. and Mrs. W. E. Britton and Jimmie Butcher, grandson of Mr. and Mrs. J. Copeland.

Mrs. C. E. Davenport, assisted Mrs. Paul in taking the school children to No. 9 school where the children were meeting to see films shown by Mr. Heatherington for the National Film Board. A number of their elders went in the evening to see them. Miss Lydia Snow was elected as secretary.

We notice that Mr. Walter Freeman is driving a fresh from the shop New Ford, 3-ton truck.

HINDLEY & ELLIOTT, Auctioneers  
L. McMillan, Clerk 16-2B

### COMMUNITY UNITY

A Synopsis of Various Sport and Athletic Activities

By JOHNNY GRAY  
Director of Physical Fitness and Recreation in Acton

(Intended for Last Week)

Well, it's all over and it was a good day despite the weather. Anyways, who would have thought, away back when the committee first started to plan Acton's Recognition Day, that the "Equinox" was scheduled to take place the same day. Well, that isn't as bad as it sounds. It just means that day and night are of equal duration. But the experts say that anything is liable to happen to the weather and it sure did. It soaked the ground but didn't dampen the spirit of Acton's population. They turned out in full strength to see the show, and I think they were pretty well satisfied with the day in general. Unexpected things usually happen on such a day. Which reminds me, where did that Air Force cadet bugle band come from that night? The committee were more surprised than anyone but they would like to thank whoever was responsible.

The next big affair in town is "Fall Fair" time. Acton will hold its Fall Fair on Oct. 4th and 5th. This year will be the first since the war in which a full program will be put on. This means a whopper of a program in the arena, something that has been missed for some time, and when you think of such attractions as Ernie Bruce's "funniest band in the world" you shouldn't miss it. So let's all be there and give the Fall Fair a good attendance this year.

The old "five jumpers" were just a wee bit surprised on Monday night last when the all negro band called the Debonair played in the arena. I think they were expecting some of the hottest music this side of Harlem and the band periodically did play some, just enough to remind the crowd that they could. But a good portion of their music was that real slow sweet shuffle stuff, traditionally negro and we had to admit it was nice out a little bit slower than we are used to dancing to in Acton.

A corn and wiener roast was held last week by that crowd called the Badminton Club who frequently get together and have social functions throughout the year. Everyone had a good time although it took us about an hour to locate the spot where the roasting was to be done. There is some talk of the Tennis Club having the same just to close off the season which has been a busy one.

**DANCING** HUTTONVILLE PARK

EVERY WEDNESDAY  
STAN PORTCH and his 10-piece Orchestra

SATURDAY EVENING  
JOHNNY BOYD and his 10-piece Orchestra

Admission 50c per person

## The Minister of Finance announces

# A NEW BOND ISSUE FOR PEACETIME SAVINGS

Canadians are thrifty people. Their record in war financing will stand for many years to come.

Through six years, millions saved and invested in Victory Bonds and War Savings Certificates in a way no one thought possible. Many thousands learned the convenience of regular, systematic saving, whether in small monthly amounts or by larger cash investment. As a result they have accumulated substantial personal reserves with all that means in increased future security and satisfaction.

Because suggestions and requests have come to me from all parts of the country that facilities for this kind of saving be continued in peacetime, the Canada Savings Bond has been created.

The issue of War Savings Certificates and Stamps to the general public will be discontinued on September 30th, and final instalments on the last Victory Bond issue will have been completed in the near future. Canada Savings Bonds, therefore, will provide an opportune means for citizens to carry on their regular savings habits without interruption.

The general public should note that this time there will be fewer salesmen than in the case of Victory Bonds. Although the new Canada Savings Bonds will be sold through banks, authorized investment dealers, stock brokers and trust or loan companies, these agencies will not be able to approach every individual Canadian. This means that for the most part it will be left to Canadians to assume the responsibility for their own purchases of Canada Savings Bonds. If they wish to grasp this opportunity, they should act for themselves without delay.

Canada Savings Bonds are designed to be the finest investment available to the public today. I recommend them to you as a safe, profitable and convenient investment for personal savings.

I now announce the terms of the new Canada Savings Bonds, which will be offered commencing October 15th.

### ... Features of the new Canada Savings Bonds

Interest 3 1/2% by annual coupon. Purchase price 100%. Accrued interest will be charged if payment is made after November 15th. Issued in denominations of \$50, \$100, \$500, and \$1000.

Dated November 1, 1946, maturing in ten years. Non-callable by the Government, but redeemable by the owner at any time at full face value plus interest at coupon rate of any branch in Canada of any chartered bank. Non-transferable and non-assignable.

Holdings by any one person limited to \$2000. Registered as to principal, providing production against loss. Available for cash, as the Monthly Savings Plan or by personal arrangement with a bank.
