IN MEMORIAM

TYLER—In loving memory of our dear Mum, Mrs. Jessie Tyler, who passed away October 29, 1941. A beautiful memory dearer than gold. Of a Mother whose worth can never be told. Always remembered by her daughter Lilian and son-in-law, Tony.

DRON—In loving memory of a dear wife and mother, Charlotte M. Dron, who passed away October 31st, 1944. Oh, what would we give to clasp your hand. Your dear, kind face to see. Your loving smile, your welcome voice. That meant so much to us. No one knows the silent heartache. Only those who have such can tell. Of the grief that is borne in silence. For the one we loved so well. Ever remembered by her husband and sons, Herb and Bill.

TYLER—In loving memory of our dear mother, Rose Tyler, who passed away, October 29th, 1941. Those whom we love go out of sight but never out of mind. They are cherished in the heart. Of those they leave behind. Loving and kind in all her ways. Upright and just to the end of her days. Sincere and true in heart and mind. Beautiful memories she left behind. Family.

COMMUNITY UNITY

A Synopsis of Various Sport and Athletic Activities

By JOHNNY GRAY

The Friday night Teen Age Club will get under way very soon. The plan is to run this Club after the pattern of some of the other clubs in the bigger centres. Although, if I remember correctly, Acton had an organized Teen Age club long before many of the other towns and cities in Ontario. It was held in the "Y" as part of the Y.M.C.A. program and a good number of boys and girls in Acton learned to dance at these affairs. These Teen parties were carried on all during the war.

The Young Men's Class held every Monday night saw a few more newcomers last Monday, but there is lots of room for more in the group. Volleyball seems to be the popular form of exercise in this group and if you think it's just a girls' game, ask Porge Riddle, Dick Benn or Geo. Williams. Now that there is a full in the sports program in town some of the young fellows better get out and keep yourself in shape.

In the very near future, a boxing club will be organized in the "Y". Porge Riddle has done some boxing in his day and he is going to undertake the job of coaching and training some of the prospective talent in town.

The Public School boys in Acton aren't wasting very much time getting themselves in shape for the ice hockey season. Each one of the "Y" classes these boys attend is organized into teams for floor hockey and there is real enthusiasm in this game. If you haven't seen the game played before, just drop into the "Y" almost any night and you will see just why there is so much interest in this game.

The Badminton Club plan on playing two tournaments before the end of the year. The clubs they have in mind are the O.A.C. Faculty Club and the Club from that little town of Moriston where they had so much fun last year. Our own Badminton club had a social on Wednesday last. Their club night every one had a good time, and the hot dogs and coffee added zip to the affair.

The Bishop of Niagara entered the pulpit. "My dear people of St. Paul's, and you who have gathered in such large numbers on this great occasion," began Bishop Broughall, "I congratulate you most warmly on your 100th anniversary." Taking as his text, the words "The Lord preserve thy going out and thy coming in", His Lordship preached a deeply moving sermon, gripping and holding the attention of his listeners from first word to last. "There have been many 'comings' and 'goings out' in this pioneer church. Generation after generation of Anglican families have entered this place of worship, and gone out to bear testimony to others of the saving power of Christ.

MILTON

"It is the task of the poet to keep all of us in the search for truth and beauty," said Mr. Alan Crowley in his opening remarks to the members of the Women's Canadian Club, when they met Wednesday afternoon last. Many friends attended a miscellaneous shower held at the home of Mrs. Fred Durnan last Friday evening in honor of Mrs. Morley Harbottle, who recently arrived from England.

The baseball season ended here, Saturday, not in the splurge of glory, all fans had hoped for, but nevertheless it brought honor to Milton, although the local juvenile entry in the O.B.A. 'B' series were soundly trounced by Simcoe in the third and deciding game, 19-1, played at Waterloo.

Thirty friends gathered at the home of Mrs. George Penon recently and "showered" Mrs. W. J. (Bus) Norrington with miscellaneous gifts. Mrs. Norrington was the first Edgum wife to arrive in Milton from Flanders Fields, Belgium—Canadian Champion.

Lower Rates for Airmail Announced by Post Office Dept.

Reduced postage on air mail from Canada to countries in every quarter of the globe will become effective on November 1st, the Honorable Ernest Bertrand, Postmaster General of Canada, has announced.

The lowering of postage will give added impetus to Canadian business and will also be advantageous to private citizens mailing by air to Europe, Africa, Asia, Australia and many countries of the Western Hemisphere.

To illustrate the material cut in charges that the public will now enjoy, it will be possible to send a normal letter, written on light-weight paper, to the United Kingdom and Europe, for only 15¢ compared to the 30¢ per half ounce charge now in force.

With a new rate set at 10 cents, there will also be an appreciable reduction in the postage on mail from Canada to all South American countries, ranging up to 15¢ an item.

The 10¢ per quarter ounce rate now in force will continue to apply to British Guiana, Mexico, the West Indies, Bermuda, Cuba and Central America, including the Canal Zone.

Norval Anglican Church Marked its Centennial Sunday

Kind the Bishop of Niagara entered the pulpit. "My dear people of St. Paul's, and you who have gathered in such large numbers on this great occasion," began Bishop Broughall, "I congratulate you most warmly on your 100th anniversary." Taking as his text, the words "The Lord preserve thy going out and thy coming in", His Lordship preached a deeply moving sermon, gripping and holding the attention of his listeners from first word to last.

Bishop Broughall emphasized the great need there is today that all who name the Name of Jesus should bear their witness before the world.

"We need active propagandists for Christ! Others, who teach not the Christ, are very active today. Pagan teaching is being spread amongst us with vigor and energy. We must meet it, all of us, with the clear teaching of the Cross and Resurrection of Christ the Lord! The pioneers who built this church lifted up before all men Jesus, the Light of the World! Keep that Light shining! It is your duty, your sacred privilege, your task!"

After the closing prayer and Blessing by the Bishop, the deeply inspiring service ended with the Recessional Hymn "On Our Way Rejoice." For a full hour afterwards, the crowds lingered, clasping the hands of those whom they had not seen for many years, talking, talking, talking. And a great day of happiness, devout Thanksgiving to God and rich memories came to its close.

The rector of St. Paul's, the Reverend H. Leigh Pink, L. Th., officiated at both Centennial Services and spoke most cordial words of welcome to all present.

The red and white roses on the altar were donated in memory of the Founders of St. Paul's.
