This and that

- Happy New Year to All! - This is the last day of 1946. - We'll be back to our regular publication day on Thursday next week. - Make your New Year celebration one that brings happiness to others and not regret. - Christmas traffic was safely and carelessly carried out. Don't mar it by careless driving at the New Year. - The Junior C group O.H.A. comprises Milton, Acton, Georgetown and Oakville—a purely Halton County affair.

- Many to-day are recalling the ice storm of 1931-32 that paralyzed hydro and telephones at the New Year's time.

- The new calendars are arriving and can now replace those which have done duty for the past twelve months.
