Case Heard by Executive on Tues SUCCESSFUL PUPILS day Afternoon-Four Hamilton Players in Question on Grimsby Team_Promise Change in Rules for Next Season to Meet Such Situations

There has been much conjecture, rumor and speculation regarding the protest filed by Acton Intermediate team following the game with Grimsby and in order that the local and all hockey fans may get a clear picture of the protest we have secured from the Acton representatives, Messrs. J H. Royston and V. B. Rumley, the complete details. The case was heard before the O.H.A. Executive on Tuesday afternoon.

Acton protested Grimsby team on four points. The protest against Grimsby was based on a letter written HAMILTON CHURCH by W. A. Hewitt, O.H.A. Third point was that Grimsby did Grimsby.

These points were supported by a sworn declaration by Frederick Clarence Dawkins of Acton, President of Acton Athletic Association which
