

Personals

Mrs. Frank Browning of Toronto, visited this week with her sister and brother.

Mrs. Caldwell visited Toronto on Friday with her family and other friends, celebrating her birthday at the home of Mrs. Agnew.

Mr. and Mrs. Stanley Coy and Sandra, Mr. and Mrs. Ray Gordon and Nancy, Toronto, spent Sunday with Mr. and Mrs. G. H. Lantz.

Miss Helen McEachern, Mr. and Mrs. Jack Smethurst and Jacqueline of Toronto and Mr. Doug McEachern of London visited their home on the week-end.

Friends will be glad to learn that Mr. Wm. West is making satisfactory progress in St. Joseph's Hospital, in Guelph, following an operation for appendicitis.

Mrs. A. Clifford was able to return home on Sunday after being in St. Joseph's Hospital in Guelph for five weeks. All wish her a continued progress toward complete recovery.

Friends will regret to learn that Miss Etta Dilla had the misfortune to fall on the ice Friday morning and sustain an injury to her back. She is a patient in St. Joseph's Hospital, Guelph, where her progress is reported as satisfactory.

SCHOOL DISTRICT MEETING

(Continued from Page One)

...sized population of 11,000 which was sufficient for a good High School district with an attendance of about 400. There were 41 larger districts already set up in the province which took in about a quarter of the possible total of the province. The expansion of the scheme was notable.

Many of the municipalities urged that definite steps be taken toward the formation of the larger district. They felt that the matter had been delayed enough and there was a need for definite action.

There were many motions and amendments and suggestions which were neither, but the amendment given in the opening of this article was the only one on which a vote was taken.

A similar motion was passed at the meeting in Acton when the representatives agreed to send Mr. Skuce their decision by January 18th. At the request of a representative, Mr. Skuce outlined from memory the result of these returns as follows:

Acton School Board were favorable to the district plan.

Acton Council had not sent a decision.

Milton High School Board were favorable.

Milton Council had not sent a decision.

A joint meeting of Georgetown Council and Board were opposed to the plan unless the school was located in Georgetown.

Nassugaweya Township favored the plan.

Esquesing Council were unfavorable to the district.

The meeting adjourned shortly after 11 o'clock to attend another meeting in Milton High School on April 28th. It was felt that with a change in the members of Boards and councils this meeting might arrive at different conclusions.

Cases Before The Milton Police Court Had Wide Variety

Only two cases were heard and three were adjourned, when they appeared before Magistrate Kenneth M. Langdon, in County Magistrate's Court yesterday afternoon.

Wilfred and Norman Wilson, were each assessed \$3 and costs of one dollar or 3 days, when they pleaded guilty to a charge of failing to stop at a stop street, before entering Main, on March 30th.

Following the cases, Chief W. J. Canning stated he was continuing his drive against motorists who failed to obey the stop signs. He said that on one occasion a local bus had to swerve to the opposite side of Main Street to avoid a collision with a car that failed to stop.

Henry Bausell, charged with obtaining money from two Acton people by false pretenses asked that his case be adjourned until April 23. The Crown agreed and bail of \$1,000 was set. He is charged with obtaining two \$1,000 Dominion of Canada Bonds on February 7th from Frederick Cooper, Acton, and obtaining a \$1,000 bond and two cheques for \$250 and \$300 from Margaret Denny, of the same village.

Ivor Edwards, who appeared as a work ago on a charge of shooting at Mrs. Ann Gray, Oakville with intent, was remanded a week on request of his counsel, George E. Elliott. Bail was set at \$2,000 property or \$500 cash.

Crown Attorney W. I. Dick asked that personal service be made on John Valkheart, charged with careless driving when he failed to appear in court.

Charged with seducing a 17-year-old Milton girl, Victor Joseph Kovachick, (Salfleet Township) was remanded a week on request of his counsel George E. Elliott. The Crown Attorney said he had agreed to the renewal of a \$1,000 bail.

ERIN

Last week hydro electric workmen blew up the dam which backed the water up to develop the power at the Cataract Power House, which the Hydro Power Commission took over when they purchased the Caledon Electric Company.

The vacancy of the pulpit of St. Andrew's Church, Hillsburg, will be filled in a short while. The presbytery meeting of the Orangeville region met on Tuesday of last week and ratified the call of the congregation of Hillsburg and Bethel extended to Rev. George Aitken, D.D., of Timmins.

The local Hydro Electric Power Commission truck, driven by Ernie Teeter and a car driven by William Madill, Acton, were in a head on collision on No. 24 Highway near the 4th line mission, West on Tuesday afternoon when both machines were quite badly damaged. The drivers and occupants escaped injury. The cause of the accident was undoubtedly due to the almost zero visibility caused by the raging snow storm.—Advocate.

AUCTION SALE

REAL ESTATE AND FURNITURE

The undersigned have received instruction from the Executrix of the Estate of the

LATE MRS. ORR
To sell by public auction at her late residence, Sarah St., Milton on SATURDAY, APRIL 10th

The Hospitalization Plan Approved Meeting East Night

Twenty Organizations Meet in Court House in Milton and Hear Details

Representatives from nearly 20 organizations of Halton County last night approved a plan to set up a County Hospitalization Group at a meeting by the Halton-Agricultural Federation held at Milton court house.

While the meeting enthusiastically endorsed the movement, a provisional committee of 7 members were appointed to coordinate the business of incorporating the organization and putting it into operation when a sufficient number of members have been obtained. The provisional committee of directors chosen were William T. Dales, Campbellville; M. J. Brown, Norval; M. J. Roadhead, A. R. Service, Cameron, R. S. Heatherington, all of Milton; Paul Fisher, Burlington.

Setting up such a plan will inaugurate a long felt need in rural Ontario of hospitalization services said A. C. Savage, secretary of the Ontario Co-operative Unit, explaining advantages. Paying tribute to the Blue Cross scheme he said the County unit as operated in other centres would be slightly less expensive per family protected. He said the service which would cost \$17 a year if paid in advance, would include hospitalization in a semi-private ward, use of the operating room, anesthesia, ordinary drugs, electro-cardiograph, intern services, all while confined to hospital for 31 days per year for each member of the family. It would also include emergency service following an accident, where bed-care was not needed and full maternity benefits after a year.

Continuing he explained that following a successful financial year, a rebate would be made to each of the group's members after a certain sum was placed in an emergency fund. He emphasized that the plan was wholly operated by the county organization and not by other interests. He hoped a future plan would include surgical fees, medical fees and a yearly physical examination for each member. He said during a question period the plan could be operated successfully on a membership of 100, adding that counties now operating such a plan had not experienced a deficit at the end of the year.

Continuing, he said since Dufferin organized such a group three more had been set up while a dozen others were in the process of organization. It was explained that groups in urban centres could be included in the plan at a later time.

Paul Fisher, Burlington, who was chairman, explained the Halton Federation of Agriculture took the initiative in this county feeling it was time people should be protected instead of being burdened with huge medical or hospital bills.

Holland expects to produce 20,000,000 oysters this year.

There is some agitation to widen the grounds for divorce in Canada.

THE AIR WORLD AND A. M. A. NEWS

Although last week we considered the increase in membership good when it rose to 16, that rise is somewhat overshadowed by the latest jump up to 27 members. I guess it pays to advertise!

Competition was very keen in the March contest for indoor stick models. Results are now complete in all classes and Harold Smith, our vice-president, emerges as the high point winner for the month with the A.M.A. and the Tate prize in his possession. Using a Lloyd's Jr. R.O.G. with one or two modifications, two strands of rubber and a winder, he broke away from the rest of the opposition in the final week of the contest with a masterful flight of 312 seconds. Good Lawson came second and Dave Richardson third. Everyone learned a great deal from this competition and next month's should be bigger and better as it will be for indoor fuselage models.

An example of the work being done by the Acton Model Aeronauts will be displayed in the Free Press window next week, so drop by and see what the boys can do.

Notice to Creditors AND OTHERS

In the Estate of DAVID P. McENERY
