

Acton Junior Farmers Win County Championship

Will Hold Dr. C. A. Martin Trophy For This Year — Final Game in Milton Arena Saturday Night — Had Winning Goal Counted in Last Two Minutes of Play to Eliminate Palermo

The Acton Junior Farmers hockey team defeated the Palermo Junior Farmer team 4-3 in the third game of the best two out of three hockey play-off series in the Milton Arena last Saturday night. It was undoubtedly the best game of the series with both teams out there determined to win. Three times during the game the Palermo team tied the score and it was only two minutes to go in the final period that the Acton team flipped in the winning goal.

Palermo won the first game of the series 3-1 and then Acton came back to win the second game 6-0, forcing the third game to decide the series. The Acton team will now receive the Dr. C. A. Martin trophy emblematic of the winning Junior Farmer hockey team in inter-club county competition.

The hockey executive has just announced the winners of prize awards for the player most valuable to his team. They are as follows: Acton, Bob Marshall; Palermo, Bill Meredith; Norval, John McClure and Milton, Stan Price.

Evidently demoralized by wolf packs, deer were a common sight in the mining village of Gowganda, in Northern Ontario, this past winter.

HOUSING

The housing question remains acute, the same as elsewhere, vacant possessions are few and far between. In spite of the difficulties of supply, it has been our privilege to help people to secure accommodations, both through the war industrial period, and since the service men returned. No charge has been made to either owner or tenant for this service, other than properties that we managed. Often it looked as if we had reached the saturation point, but there is always something turning up, through removals and other causes. We are always anxious to help people, whose work bring them to the community and others that have no accommodation whatever. Our advice is to all that are accommodated to stay put and put up with what you have even though conveniences are scarce and crowded. The Rental Controls (which never created a new dwelling) protects you, and only new buildings will eventually ease the situation.

We have a few dwellings for sale, some owner tenanted, others well tenanted, that could be bought for future needs. We have some good farms for sale, no delapidated properties handled.

INSURANCE

Now is the time to review your insurance needs, while values have gone up, fire insurance rates on properties are down, and new benefits added, such as miscellaneous coverages. In fact, the whole insurance business, like other businesses, is being brought scientifically up-to-date to conform with present needs. We make a special study of your business and always pleased to give help and advice when asked.

OCEAN TICKETS

We have been successful in obtaining excellent accommodations for our clients so far. In the classes and times desired, due to the large backlog of the waiting list there are more applications than shipping tonnage will accommodate. But ships are being converted from wartime standing to peacetime service and new ships are being built. If you are thinking of travelling overseas, keep in touch with us and we will keep you informed. If you have an urgent problem, we will do our best for you, whether it is business or family reasons. General tourist traffic is not solicited until conditions return to normal.

IMMIGRATION

We are receiving applications for bringing out displaced persons under certain conditions, in regard to occupations, such as farming, mining and logging from people who are well established and can take the responsibility of accommodating their relatives. Special service is available for bringing out their fiancées. Assistance with passports free.

AUTOMOBILE INSURING AND FINANCING

Do not drive your car without insurance, have peace of mind, do not wait until you are involved in an accident.

We have facilities to finance your car or truck, with all insurance coverages, and if you suffer loss, we are on the spot to help you. Arranging this through F. L. Wright, insurance agent, you obtain all coverages, including Public Liability and Property Damage and not collision, fire and theft only.

COMMUNITY UNITY

A Synopsis of Various Sports and Athletic Activities

Fifteen Acton Teen Age Girls had a good time when they went swimming at the Guelph "Y" Pool a week ago last Wednesday. Y's Men Duke Hall and Ken Mackenzie were in charge with Duke arranging the cars, and Ken with his own car, in charge of the group for the night. The committee in charge of these regular swimming trips would like to thank Bill Middleton and Gord McEwan for taking a car load to Guelph on this occasion. The Acton Y's Men's Club plan to carry on these swimming trips during April and possibly part of May.

A tentative date for the Acton Y.M.C.A. Annual Display has been set for May 13th. The plan, this year is to hold it in the Acton Arena on the dance floor belonging to the Acton Y's Men's Club. The date for this display will be subject to change depending on when the floor is installed.

All of Acton Teen Agers were out in full strength last Friday Night when they played host to 25 Teen Agers from the Guelph "Y" Friday Night Club. It was a real "Hot Down" with lots of Red Hay all around the gym floor. A little room in the basement called the Hole-in-the-Wall for want of a better name, was set up as a bar with old lanterns hanging from the low ceiling. "Ye Old Apple Cider" apple juice was served from the bar along with Ginger Ale. There were three special prizes given out during the night, two were five chickens, and the third a live duck. One chicken and the duck went to Guelph and the other chicken went to Fred Kentner of Acton, all the prizes were taken by boys, the girls wouldn't have anything to do with them.

"HANDS OFF — IT'S WET!"

This year, "wet paint" signs are appearing in many Canadian doorways. All across the country home owners are brightening up their homes in fresh attractive colors, buying new modern furnishings, rebuilding and redecorating, and so improving their properties.

For many of these modern-minded house owners, the Bank of Montreal has been a welcome ally. A B.M. Mutual Loan makes possible the cash purchase of material and essential household articles.

To those in a position to make repayment, the B. of M. is glad to lend money for any reasonable purpose. The low rate will surprise you — only 2 1/2% a month for a \$100 loan, repayable in twelve monthly instalments. The amount borrowed can be more or less, of course, but the cost remains proportionately the same, and there are no other charges.

Drop in and see William Clayton, manager of the accountant, Mr. Hall. You will like their friendly, helpful attitude in dealing with your financial needs.

CLEARING AUCTION SALE

Percheron Horses, Live Stock, Implements, Hay, Grain, Furniture and Real Estate

The undersigned have received instructions from **WILSON & SONS** to sell by Public Auction at his farm Lot-21, Con. 2, Nassagaweya, situated on the Aberfoyle and Darbyville County Road, 2 miles east of Corwin and 2 miles north of Moffat.

Arthur Diamond, Clerk 42-2B

SPORTS CAMERA

Last week we were profoundly in the depths of despair when we pencilled this column. Several reasons were probably responsible but the most emphatic and far-reaching one concerned the Intermediate hockey team's loss in Grimsby the previous week. However, our morale has been lifted by the efforts of time, so-called healer of all ills and again, this week we're ready to cast off "Gloomy Gus" and give you the lighter moments of sport.

First and foremost comes an item from Acton's suburbs which makes up for the loss of the "17" championship. Although no O.H.A. cups are destined for clubs, hole-in-one and best administration, an inspiring group of talented balling from the farms around the burg have walked off with the Halton County rural championship. Plus the title there's a mug donated to the winning team. In this case playing under the title of the Acton Junior Farmers who won the final series with the Palermo plough pushers (oops, sorry, Cookie) in two games out of three.

Orchard and managed by the genial Gordon Cook, known to friends and enemies as "Cookie", the local farmer's boys swept the rural league clear, in most cases, all season. There was only one team from which they had trouble, this being the Palermo outfit. However, we overheard a conversation in the 16th arena on picture night when J. J. Stewart was chatting with another of the team's officials. Forgive us for eavesdropping but we'll use the old excuse "we couldn't help overhearing." Mr. Stewart was explaining that Norval had a better squad than Palermo but this Trafalgar club were a hard pill to follow, meaning they seemed to ride the county train with Dame Fortune instead of playing the game.

Dame Fortune or no, Acton, after suffering a 3-0 defeat in the first game, trounced the Palermo club by a score of 6-0 in the second class. The third and final game was duelled on Saturday last in the Milton Arena and in a game which was tied to the final two minutes, Acton edged Palermo by a 4-3 winning, getting the Dr. C. A. Martin trophy emblematic of the Halton County rural championship. So even without the Intermediate "B" laurels, Acton and district has come through with another winner — you can't keep a winner down.

Grimsby, commonly known as "Tanner annihilator", have just taken another series in the Intermediate "B" playdowns. After dropping the first game by 3-2 to Sarnia in the home town of the border squad, the Peach Kings turned around and posted an 8-3 roundhouse on the Sarnia squad in the fruit-belt arena. Even those border outfits aren't safe from the marauding mercantile players of the city leagues — so Grimsby rolls on to further competition. Probably the toughest team they'll meet in the play downs will be the Markham Militaires, who just finished eliminating Bucko McDonald's Sundridge crew in a goals to count round.

You Can't Afford to buy a New Chesterfield. If you have an old one, your present suite can be re-upholstered to compare favorably with new ones. Added variety of materials.

NOTICE

TO ALL CREAM PRODUCERS IN ONTARIO

A proposed Cream Marketing Scheme (O.C.P.A.) under the Farm Products Marketing Act, has been submitted to the Farm Products Marketing Board for consideration, by the Ontario Cream Producers Association.

Before the Board can consider recommending the scheme, it must be satisfied that a fair representation of the Cream Producers are in favour of its adoption. In order to obtain the recorded views of the Producers, a vote by ballot is being taken on the question:

"ARE YOU IN FAVOUR OF THE PROPOSED ONTARIO CREAM PRODUCERS' MARKETING SCHEME BEING BROUGHT INTO FORCE IN ONTARIO?"

ALL PRODUCERS MUST REGISTER

All producers must register to vote. Two alternative methods of voting are provided to Cream Producers, as follows:

- 1) By personal registration and voting in each Agricultural Representative's office between March 31 and April 10, 1947, or
- 2) By personal registration and voting with the Deputy Returning Officer in charge at each polling station.

A PUBLIC MEETING WILL BE HELD AT MILTON COURT HOUSE ON FRIDAY, APRIL 11 AT 8 P.M.

All ballots must be returned to the Agricultural Representative before April 10, 1947. Out ballots received after that date will not be recorded.

ALL CREAM PRODUCERS ARE URGENTLY REQUESTED TO REGISTER, TO ATTEND THE MEETING IN THEIR AREA—AND TO VOTE. HUSBAND, WIFE, SON OR DAUGHTER MAY VOTE, BUT ONLY ONE FROM EACH OPERATING FARM UNIT
