Summer weather is still pretty scarce.

The cows are in the clover, and the butter ration's over.

Saturday will be the longest day of the year. We hope it's dry.

—Jacqueline Currie had the misfortune to fracture her left arm on Friday when she fell from her bicycle.

—The oil surface has been applied to the highway between Acton and Milton but the holes have yet to be filled.

—The Acton Chess Band will be out to-night in towns of the district and at home on behalf of the band Tattoo in Acton on Saturday.

—William Edward Yarrington, superintendent of the Peel and Halton Home for the Aged, died at Brampton last Thursday. He was 64 years of age.

—Merchants and business places can contribute and assist the big band tattoo in Acton on Saturday if they will decorate their store fronts for that day.

—It sure is a treat not to be questioned when you make a second pass at the butter dish. Rationing is off and an extra slice of toast is permissible.

—Peel County voters certainly showed good judgement in keeping the sale of intoxicating liquor out of the County. Wonder what would happen if other counties had a chance to vote it out?

—There is much complaint in the district about the careless use of small rifles. With stock in pasture there is danger of injury. All are reminded that a license to have a rifle is required, and officials are checking these days.

—Noter if our investigation have we seen as many special highway buses pass through Acton as were noted yesterday when the 15th anniversary of the Women's Inst. was celebrated in camp? One resident reports counting 12 extra buses yesterday.

UNITED W.M.S. HELD JUNE MEETING AT MRS. E. CALDWELL'S

The regular monthly business meeting of the Woman's Missionary Society of the United Church was held at the home of Mrs. E. J. Caldwell with the president, Mrs. E. J. Caldwell in the chair. During the devotional period, Miss Bennett and Mrs. Caldwell gave a paper on the Hamilton Conference which was held at the O.A.C. in Guelph.

Arrangements were made for the Mission and Baby Band picnic at a later date. A bale was sent to Milton and packed there for the destination by Mrs. J. Moore. We regret very much to lose one of our officers and a very faithful member, Mrs. A. W. Fosbury. Rev. A. W. Fosbury spoke of the good co-operation given him by the ladies during his work among them.

Rev. A. W. Fosbury closed the meeting with prayer. A very hearty vote of thanks was given to Mrs. Caldwell for the use of her home.

—Mrs. E. J. Caldwell, Mrs. J. Lambert, Mrs. F. Cleave, Mrs. J. Reid, Mrs. A. T. Brown, Miss E. Russell, Mrs. B. Veldhuis and Miss E. Hawthorne accepted an invitation to Churchill on Wednesday evening.

BRITAIN TO RETAIN OIL PIPELINE SYSTEM

Britain's pipeline system which during the war acted as a life line for the R.A.F. is not to be dismantled. Every day it carried 5,000,000 gallons of oil from ports to airfields and other strategic centres. It extends for more than 850 miles and cost \$28,000,000 to lay.
