Oranges, you know, are a California crop, just as they are a Florida and a Texas crop. But raising them is more of a problem in California because the climate where they grow best in the southern part of the state happens to fall within an area which is unusually dry. Blue skies are pretty but they don't give rain.

ROCKWOOD

Civic Holiday in Rockwood was a big day for one and all. In the afternoon ball games were the big item on the program, the Junior and Senior teams of the village playing against Eden Mills and Everton Millers. The visiting teams won in both games and after supper they put on a game that was worth witnessing. There was some fast work with the ball and good catches out in the field, as well as a number of home runs.

Members of the Community Club did a big business in a booth, while Wilfred Thuser had a large following knocking over milk bottles (imitation bottles) who occasionally there were some clean fast shots. A representative of Wood's Electrical Products of Guelph was present with some of their goods, such as milking machines, small power grinders, etc. Alex Kingsbury had a power dust blower for farm crops, particularly turnips, on display, and a couple of fine cars were on display by Hoaking Motors of Guelph.

A touch of old times was in evidence when Mr. P. L. Stout drove into the Park grounds with a span of horses attached to an old phonon, and himself decked out as a livery man on a high front seat with a few passengers in a rear seat. Also a few young folks accompanied them on horseback, driving around the old race track.

In the evening, on a temporary floor laid down for the purpose, a Jitney dance commenced at night-fall, with music supplied by the Guelph Old Time Fiddlers' Band. A large crowd was present for the evening and the weather conditions were most favorable for the day's events.

The sympathy of the community is extended to Mr. Grattan Barry in the death of his sister, Helen, Mrs. (Dr.) W. F. Harrington, at Stratford, Conn. last week, following a brief illness of a week. Two sisters also mourn her loss, Mrs. L. J. McKeown of Guelph, and Mrs. J. J. Thomas of Ansonia, Conn. The late Mrs. Harrington was a former Rockwood girl, and youngest daughter of the late Mr. and Mrs. M. P. Barry. Funeral took place last week-end at Stratford Conn.

Rev. J. Ward of the United Church and Rev. F. Williamson of the Presbyterian Church occupied their pulpits on Sunday after their July vacations. Rev. E. A. Pulker of St. John's Church conducted Holy Communion Sunday morning, previous to taking his vacation this month. According to announcements, Mr. J. F. Heap of Guelph will conduct St. John's Church services the next three Sundays.

In the absence of Mrs. John Freeman, Mrs. Pearen was organist for the service.
