

SPORTS CAMERA

BY H. COLES

The baseball situation looks grim, in fact acute. Georgetown's win on Saturday last, dimmed some exultant hopes in the managerial depths...

were 4 up on the Lakeshore when a combination of errors enabled the port town to eke out a 5-4 verdict over the struggling Milton team.

But the juvenile squad from Milton are faring much better. In the second series with Oakville, they banged out thirteen hits and scored fifteen runs...

On Monday night, Richlin's softball entry were again dragged in the dust as the Wool Combing defeated them in a lopsided contest which threatened to overflow the score sheet.

Milton Intermediates have lost the first two games to Oakville in their best of five series for the "B" laurels.

With the baseball season waning, prospects of sport turn as a rule to the hockey horizon. Georgetown are contemplating the return of the ice game with an avid interest in the installation of an artificial ice plant in their John St. edifice.
