

Of Interest to Women

Hello, Homemakers! Whenever they sing the melody, "That's what I like about the South" I think of melons — watermelons, canteloupes and honeydews. However, we in the north can buy choice melons this year. When you are in a hurry, melons are even more attractive because they require no preparation. We haven't said much about other late fruits this year but here is a variety of recipes.

over-processed or they were over-ripe.

Mrs. M. D. asks: What causes the cloudiness in canned peas? How can it be prevented?

Answer: This may be caused by insufficient precooking, by some mineral in the water that is used, by using peas that are too old for canning, or by peas bursting during processing. Proper precooking, use of clear soft water and careful handling prevents cloudiness.

WINDSOR CRACKER

2 eggs, 1/2 cup sugar, few grains salt, 2 cups milk, scalded, 1/4 tsp. vanilla, cubed melon.
Beat eggs slightly, beat in sugar and salt. Pour milk over egg and sugar mixture. Return the custard to top of double boiler; stir over hot water until mixture forms a coating on a metal spoon. Pour immediately into a bowl; add vanilla. When cool, pour into serving dishes. Cover each portion with a layer of cubed melon. Top with whipped cream and serve. Serves 5.

ELDERBERRY PUDDING

1 cup Graham cracker crumbs, 4 cups elderberries, 1/4 cupful chopped nuts, 1/2 cup brown sugar, juice of 1 lemon, grated rind of 1/2 lemon, 3 cup water.

Finely elderberries and combine with rest of ingredients. Pour into greased baking dish. Bake uncovered at 350 degs. for 30 minutes. Serve hot with cream.

We've made this pudding with stale oatmeal cookie crumbs and found it good.

DEEP DISH PLUM PIE

1/2 cup sugar, 2 tablespoons flour, 1/2 teaspoon salt, 7 cups pitted blue plums, 1/4 cup light corn syrup, 1/4 teaspoon nutmeg, 2 tablespoons butter, cheese pastry.
Mix sugar, flour and salt; combine with plums, corn syrup and nutmeg. Pour into deep baking dish 9" in diameter. Dot with butter. Cover with pastry; make slits in centre of pastry. Bake in hot oven (400 degs.) 30 minutes.

RICH BLUEBERRY SHORTCAKE

3 cups once-sifted pastry flour, 6 tps. baking powder, 1/2 tsp. salt, 1/4 tsp. grated nutmeg, 1/3 cup granulated sugar, 1/2 cup shortening, 2 eggs, 1 cup milk (approximately).

Mix and sift together the flour, baking powder, salt, nutmeg and sugar. Cut in shortening finely. Beat eggs and add milk. Form a well in dry ingredients and add liquid all at once, stirring just enough to blend—add a little more milk if batter seems stiff.

Put into 2 buttered and lightly floured 8 1/2 inch layer cake pans. Bake in hot oven 400 degs. about 15 mins.

For serving, turn out the two short-cakes and spread one with a little soft butter, then generously with slightly-crushed, sweetened blueberries with a dash of lemon juice, cover with second layer and top with more berries. Serve with thick cream.

THE QUESTION BOX

Mrs. D. C. asks: Why do my canned pears fall to pieces?
Answer: Because they have been
