TWO CLUBS HOLD ACHIEVEMENT DAYS AT ACTON FAIR

On Friday and Saturday of this week many Halton folk and in addition, many from the surrounding district will flock to Acton for the 17th annual Fair. In order to boost their hall exhibit the Acton Fair Board, under the leadership of president Howard Switzer, this year sponsored a Garden Brigade for the young ladies of north Halton and a Grain Club for the young men. Altogether it is anticipated that approximately 40 young people will have either garden produce or grain on display.

In connection with the young men's grain club, the Acton Society supplied each of the 20 club members with 2 bushels of certified No. 1 Beaver Oats free of charge. One of the club members, namely George Burkholder of Freeman, is reported on good authority to have threshed over 80 bushels to the acre from his 5 acre plot. In so far as we can learn this constituted a record for 1947 in George's section of the county.
