NURSERY CLASS

The Acton Y.M.C.A. Nursery Class is a unique feature on our schedule of many activities. It is set up to provide three and four year old children with a good basic training preparing them for the day they start school. Mrs. Gray will be in charge of the class this year. Enrollment day will be Monday, October 20th at 9.30 a.m. Classes will be held every Monday, Wednesday and Friday. The time, 9.30 a.m. to 10.30 a.m. A half hour earlier than last year.

BADMINTON

The Badminton Clubs, Junior and Senior, have grown in popularity and numbers to the extent that we have been forced to provide an extra period in the already crowded schedule. Last season was the first for our Junior Club, bringing out many hopefuls for the future of Badminton in town. Monday night is scheduled for advanced players with Tuesday reserved for married couples as an opportunity for a nice social evening of Badminton, Cards, Table Tennis, Music or just knitting. Thursday will be a straight Badminton night.

CARD ROOM

The Men's Card Room, as ever popular, is the hub of interest for senior men members. There has been and will continue to be many a pleasant and interesting card session. There is nothing formal about an evening in the card room. Just walk in, hang up your hat, and it won't be long before you are playing. Cribbage has created a new interest and it is expected tournaments will be organized throughout the season. Chess and checker enthusiasts will no doubt find a nice quiet spot to play if the demand presents itself.

TEEN-AGERS

The demand and popularity of Teen-Age program is just as strong in Acton as in any other town or city and just as necessary. It provides the teen-age boy and girl with a variety of interests. The wheels are in motion at the present time to have a Mayor and Deputy Mayor elected for Teen-Town. The Mayor and his Deputy will have a selected council and they, as a group, will plan the many activities organized during the course of the coming Fall and Winter season.

Y'S MENS CLUB

The Acton Y's Mens' Club could be called a Y.M.C.A. Service Club. They are part of most Y.M.C.A.'s and organized on an international scale. It functions on the bases of planning and carrying out projects designed to further promote the work of the Y.M.C.A. The Acton's Y's Mens' Club meets twice a month on the second and fourth Thursdays. They are supper meetings followed by a planned program and concluded with a business meeting. One of the features of the Acton Club is the fine meals prepared by the Women's Auxiliary. They have maintained a high standard and we take off our hats to them.
