A very stimulating and enlightening message was brought to the memhers and friends at the supper hour when Dr. Walter Strangway, a medical missionary on furlough from Angola, Africa, related the story of his work there. We dare not dispute the effectiveness of our missionary enterprises. The power of the Christinn Gospel to save the world from destruction was made clear.

Dr. Mutchmor also spoke concerning the need of relief in many of the lands overseas. He presented a very clear picture of the various areas of need and related the ways in which the United Church is co-operating with various worthy agencles overseas to see that relief material reaches the most needy people. The people of the Church are urged to give more renerously and to co-operate with government agencies in trying to prevent inflation and consequent disastfishness, patience and love.
