The powerful Dominion loss The three teams in the lengue Hotel team took the complete seven points from the Storey team and moved them out of second place. The Dominion Hotel boys are sporting new sweaters the couple of weeks and haven't lost a came since the "new look." They're no doubt trying to bring the prophecy of 'J. Weston took a tumble from loop endership last Thursday when the Tanners slammed home five shots to the visitors' two. There was no juestion as to who had the edge on the night's play Acton had the major portion of it. In fact, looked as if they could have bulged the cords more often with a little accurate shooting. Jack Keatner Jr. went right in on one occusion and Ashbee fanned easily, only to have the red head shoot wide. An identical play by Illo Marzo produced the same results. Both speed boys had nemesis in inter phases of play but if the initial ex fort could have been retracted they wouldn't have failed. Norm Morton is playing as he did in h! hey-day, judging from his present efforts. The blonde plyot is pacing the sack like a colt in pasture. His two goals on Thursday are indicative of the punch he packs in his shille ah.
