BORN

MACKENZIE—At the Guelph General Hospital on Tuesday, May 18th, 1948, to Mr. and Mrs. K. A. Mackenzie, of Acton, a daughter, Margaret Jean.

MARRIED

FLOTO-RUMLEY—At the home of the bride's parents on Friday, May 14th, 1948, by Rev. J. M. Anderson, R. A. M. C. and Bar. Margaret Joan, only daughter of Mr. and Mrs. V. B. Rumley, Acton, to Mr. Harold Garfield Floto, son of Mr. and Mrs. Frederick Floto, of Guelph.

DEED

McWILLIAMS—At Guelph General Hospital, on Monday, May 17, 1948, Margaret, daughter of the late Richard and Fanny McWilliams, formerly of Rockwood, in her 72nd year.

IN MEMORIAM

DAVIES—In loving memory of a dear son and brother, James William Davies, who passed away May 20th, 1941.

His life, a happy memory. His absence, a silent grief. Lovingly remembered by Mom and Dad, Elsie, Ron and Chris.

BLYTH—In loving memory of a dear husband and father, Robert Blyth, who passed away May 18th, 1947.

He left some beautiful memories. A sorrow too great to be told. But to those who loved and lost him.

His memory will never grow old. His Loving Wife and Family.

LAMBERT—In loving memory of our dear son and brother, Raymond Lambert, who passed away May 22nd, 1948.

Love's greatest gift—remembrance. There's a sad but sweet remembrance.

There is a memory fond and true. There is a token still for you. And a heartache still to stay. Ever remembered by Mother, Dad, Brothers and Sis.

ANDERSON—In loving memory of our darling little daughter and sister, Constance Edythe Anderson, who was taken May 25th, 1941, aged 2 years 8 months.

The memory of her dear wee ways will linger with us all our days. Sweetest flower, too sweet to stay. God took her home to show us the way.

Too dearly loved to be forgotten by Mother, Daddy, Ronnie and Donnie.

GREENOCK FRIENDS BID FAREWELL MAKE PRESENTATION

Friends and neighbors of Mr. and Mrs. John Ideing, Jackie and Norman met at Greenock School on Tuesday to bid farewell to them before leaving the community. All were sorry to see them leave but wish them success in their new home.

The evening was enjoyed with social intercourse and games. Later Mr. C. McKeown called the gathering to order. Mr. and Mrs. Ideing, and boys were asked to come forward and be seated while Mrs. A. McKeown read the address expressing regret of removal of this family from the community. At the proper time Mr. and Mrs. Ideing were presented with two beautiful blankets, and Jackie and Norman with a pen and pencil set. Mr. Ideing replied on behalf of himself and family, thanking the neighbors for remembering them now and also for parcels sent to relatives in Holland during the war. "Jolly Good Fellows" was sung and several of the neighbors and teachers were called on for speeches.

The singing of God Save the King and a dainty lunch brought a very enjoyable evening to a close.

Ceilings with a light, flat finish are recommended by lighting specialists, because a ceiling of a dark color absorbs light, and a shiny surface causes glare.

Ed. Adamson, C.C.F. Candidate

Many of the farmers now in Nissagaweya will remember the Adamson family. Ed, the C.C.F. candidate in the current election, has a background of four generations of farmers. He was familiar with all the problems of the farm in his early youth. He left his home to settle in Milton and spent seven years working in the Model Knitting Mills where he rose to be chief engineer and maintenance superintendent. An offer from the British American Oil Co. brought him to Clarkson and here he held the position of operator in the refinery. While here, he became increasingly interested in the Labour movement and was president of the United Oil Workers of Canada, Clarkson Local. He also was on the staff of the Canadian Congress of Labour.

At present, Ed resides in Oakville where he is well-known and liked. He is now on the staff of the United Oil Workers of Canada. He is a family man and has four girls and one boy. While his interests are identical with all those in the C.C.F., he is very anxious to see a Health Insurance promoted in Ontario. The welfare of the people is closely tied up with their health and he considers this of first importance. In all his many activities his slogan is "The People First"
