Danger! Watch Out For Children!

It's back-to-school time — the most dangerous and deadly time of the year for Ontario's children. In the steadily increasing traffic on streets and highways, this is the period of greatest danger.

Last September, more children were killed and injured by motor cars in Ontario than in any other month. Always, at this time of the year, the number of tragic child accidents in traffic begins to soar. But this is as needless as many of the accidents were needless which killed 132 children, and injured 2,000 others in Ontario last year.

The provincial traffic safety campaign, sponsored by the Department of Highways, and now supported by the press, radio, and many official and public agencies, shows clear evidence of success in reducing traffic accidents generally. But where children are concerned, teaching the rules of traffic safety and giving parental advice is not enough. All the safety measures and laws we can devise will never relieve the motorist of his responsibility. Many of the accidents involving children are no doubt the children's fault, legally; but that does not relieve the motorist of moral blame. The onus is always on the motorist to look out for children. Only the motorist's personal caution and driving care can lessen the toll.

While driving, every motorist should arm himself with these personal admonitions and cautions:

1. I'll consider every child I see on the street as a human danger signal.
2. In school zones or residential areas, I'll slow down, I'll come to the alert.
3. Whenever I suspect children may be playing, I'll drive with extra care.
4. I'll keep clear of bicycles. The youthful riders may know the rules, but even when they violate them I must watch out for them.
5. I'll be particularly careful when I see children on roller skates, with a ball, with tricycles, scooters, or coaster wagons.

CAR ROLL MAP

Compact roller map is designed for motorists and flyers, according to The Financial Post. Toronto-ian has applied for Canada-U.S. patent rights, and plans for September production. Brackets attach quickly at dash level by car's own windshield screws. In color to match any car scheme, steel tubular holder has bearings for wooden roller made like window blind. Setting pin holds map in any desired position until automatic release position until automatic release. Readily detachable for backseat driver. Specially designed maps are double faced; when full out they're suspended from roller on tape; reversible at a twist, rewind in either position.

The Ladies Aid held a quilting bee last Tuesday afternoon at the home of Mrs. E. Fisher. Following a pleasant afternoon the hostess and her daughter Arlene served light refreshments.

CAMPBELLVILLE

Mrs. Edgar Cairns was hostess to the W.M.S. and Blair Y.W. on Thursday afternoon. The Vice President Miss E.J. McPhail opened the meeting with the Call to Worship. Mrs. E. Cairns read the Scripture lesson. A letter in the Glad Tidings written by Miss Ellen Anderson of British Columbia was read by Miss McPhail. Prayer was offered by Miss J. Reid. The cheer secretary reported having written twelve letters and the W. and W. reported three visits made.

The library secretary read a letter of appreciation for magazines sent to Frontier College. The magazines are very much appreciated, and Miss McPhail urged that all who could would send in reading material at an early date. The Home Helper's Secretary gave her report, and the Supply Secretary requested all articles for the table to be in by Sept. 10th. Miss Reid invited the Ladies to come to her home for the next meeting. The Roll Call was answered by giving your favorite passage of Scripture.

The offering was dedicated by Miss McPhail.

Mrs. J. Robertson, President of the Blair Y.W. then took the chair for the programme. Miss Black read a very interesting article "Life in a day tight compartment." Mrs. J. K. Mahon favored with a solo "Take time to be Holy". Mrs. Robertson gave a synopsis of Ruth Buchanan's book "My Mother". The beautiful and devoted life of this missionary, Mrs. Buchanan, who was a missionary for forty seven years to the people of India is always interesting and inspirational. The meeting was closed with prayer by Mrs. Wm. Mahon. The hostess, assisted by the Social Committee, served a lovely lunch, and although the day was exceptionally warm about twenty six were present.

ROCKWOOD

Rev. Walter McLeary conducted services at United Church on Sunday morning.

Following an illness of some duration, Mr. George White Peal passed away at his home in the village last week, where he had been residing since leaving the farm two years ago, in his 59th year.

The funeral took place Thursday, with a private service at his late home, conducted by a former pastor, Rev. R. M. Gelger of Fort Erie, followed by service in the United Church which was largely attended by relatives and friends. In his discourse, Rev. R. M. Gelger spoke from the 14th Chapter of John's Gospel. During the service, a quartette composed of Messrs. Frank Day, Gordon and Neil McPhail; Elmer Bole sang "Some Time, Some Where", with Mr. George Day at the organ. Pall-bearers were Messrs. Alf Watson; W. Pasmore; J. Gordier; D. Marsden; G. McPhail and E. Bole. Numerous floral wreaths bore testimony to the memory of the deceased. Interment took place in Rockwood Cemetery.

Sympathy of the community is extended to his wife, the former Myrtle Bradley Hamilton and family who mourn his loss, and also his aged parents, Mr. and Mrs. J. Peal of Guelph, who celebrated their 60th wedding anniversary a few months ago and both over 80 years of age. Members of the family, Mrs. Eddie Peal of New Hampshire, U. S. A.; Harry of Hamilton, brothers, and Mrs. Edna Anderson, sister of Stoney Creek, Ont.; members of Mr. and Mrs. Geo. W. Peal's family — Irene, (Mrs. Scott) of Fort Erie; Joy (Mrs. Collingridge of Guelph); and Gloria, (Mrs. T. Ruske) of Rockwood. A daughter, Ruth, (Mrs. Stanley Lockwood) Hamilton, predeceased him some nine years ago and two sons Hamilton Peal of Acton and Bradley of Claresholm, Alberta. Among those present at the funeral were Mr. and Mrs. Wm. Pett of Aldershot, Ont. the latter, sister of Mrs. G. W. Peal.

Mr. Garnet Pett's new garage and service station is gradually nearing completion, electric wiring in and lights on. The office is nicely finished in Weldtex Plywood, and presents a pleasing appearance.

The Highway Dept. is busy extending the width of the road-way in the village, above the Post Office, with prepared road material and rolling down same.

Recent week-end visits: Mr. and Mrs. Wm. Wishart and Mrs. Jean Christie of Guelph; Mr. H. P. Burrows of Kitchener with sister Mrs. Robt. Miller; Mrs. Eddie Gray of Brantford; Mr. and Mrs. Ted Justin and babe of Ever-ton; Mr. Roy Day of Toronto; Mr. and Mrs. Milton Greer and son of Hamilton.

Mr. Wm. Milne left Saturday evening for the West harvest operations.

Wedding bells are ringing in the community for a well known couple.

At St. John's Church Sunday morning, Miss Edith Bernare had bouquets of gladioli in memory of her brother Frank.

Mr. Howard Crispin spent the week-end with friends at Bothwell.

The twenty-seventh annual Horticultural Society Show was held Saturday in the Town Hall, and considering the recent hot dry weather, exhibits shown were of good quality, and admired by all who saw them. The flowers were of special interest, some fine gladioli on the tables, one in particular which carried a ribbon which went to Mrs. John Henderson. Mr. Wm. Harris had some fine stalks on display which were afterwards sold and proceeds donated to the local Society. Mr. Thos. G. Hutchinson was judge of the exhibits. During Saturday evening, Mr. Brown of Elora was present and addressed those present. Mr. John Henderson, president of the Society introduced Mr. Brown, district director.

Horses for Steaks

An idea of the large business that Ontario is doing in shipping meat horses to Belgium is afforded by the experience of one buyer and shipper, Nell McKinnon of Hillaburg, acting for Gilbert Arnold of Grenfield, Que.

Since the beginning of May, Mr. McKinnon has okayed and shipped 6 carloads of horses purchased at various points in the province, for he is Ontario buyer for Mr. Arnold. There are 17 to 18 horses in a carload and each shipment leaving for Belgium comprises 925 horses and 200 tons of hay. The round trip takes 22 days, says the Star-Vidette.

The last shipment left Montreal on July 27th. Its main points of contact in accumulating the horses are Belmont, St. Thomas, New Hamburg, Auburn, Paris, Markdale, Hillaburg, Toronto, Whitby and Pickering. An already stated these are all meat breeds, which means that they will be marketed in Belgium for meat consumption horse-meat being quite in demand there. The horses must be in good condition, all fat and healthy animals. If a farmer has a misbehaved or balky horse, this is a mighty good way to get rid of him, so long as the animal answers the condition bill.

Another restriction is that no horse will be passed for boarding, the boat for Belgium if it has any cuts or open skin blemishes or wounds, so that even a slight cut from contact with a barbed wire fence will delay acceptance until the abrasion is thoroughly healed.

WHEN WILL CANADA VOTE?

The next Dominion election is likely to be held in the autumn of 1949 in the opinion of a majority of those answering a Financial Post questionnaire. They voted the view that there were no pressing issues requiring an immediate mandate from the public; that both Liberals and Progressive Conservatives would desire time to organize their election campaigns under their new leaders; and that practically all members of Parliament would prefer to collect another seasonal indemnity before waging an election campaign. One or two contended that a vote should be held earlier, but doubted that it would be. (The full term of the present Parliament does not expire until mid-1950).
