Maher's Team Shades Acton by 2-1 on Saturday

Other Games in Halton County Ball of Interest To Local Fans

Maher Shores, Toronto Baseball Association Senior 'B' Champions, as of Monday night, found plenty to be astonished about in their appearance against Acton Ints. on Saturday last. It goes on the books that they edged our boys 2-1 but the slickers from Queen City were fortunate to escape without tarnishing their record from a fixture that was as tight as one of their shoehorns.

Only a slight hesitation on the part of a local base runner, galloping home from third base, saved the Shoemen from a stalemate. As it was the runner was tagged at the plate and the invaders had the best of the bout.

Replete in black and white uniforms, Maher's played here Saturday at the behest of Acton Volunteer Firemen who sponsored the game as part of a campaign to secure uniforms. They found the calibre of baseball in Halton County on par with higher company in the city, indeed they were a mite careless in their estimation on first glance but reserved a healthy respect for the hurling arms of Don Ryder and "Junior" Lawson who port-sided the nine frames for the home crowd.

Tangible proof showed in their base running. Lengthy advances from the sacks resulted in two or three close decisions that saw the visitors get the short end of the stick. From thence they clung to said bags like a roll of adhesive.

Bob Footitt, incidentally a fireman himself, was another nemesis of the visitors. They found it increasingly difficult to drive one over Footitt's head as the affair progressed.

Four players mounted the hill to stymie Acton's bats and to prep for their Monday set with Milwaukee Columbus Grads who stood as lone obstacles in their path to Toronto baseball heights. The exhibition session must have paid dividends for Maher's copped the title with a conclusive 8-2 shellacking of their contemporaries.

A fair audience viewed the Saturday affair in spite of the fact a game was slated in Milton. A number of fans from Acton watched Milton eliminate Stouffville 12-4 and enter the fourth round of the playdowns against Napanee. Milton have never been in really serious trouble since their series with Acton. Eight teams yet remain in the title hunt and Saturday's win was the Red Caps seventh straight.

Down in the southern end of the County, Oakville's potent club was sidelined by Port Erie who shaded Oaks 8-7 in twelve innings at St. Catharines. Only Oakville juveniles and Milton Ints. represent Halton in O.B.A. competition as a result of Oaks loss.

HALTON COUNTY HEALTH UNIT CHANGES IN STAFF

Miss M. Jennette Gillespie, who has been Supervisor of Nurses since March 1, is returning to McGill University for the coming year to complete her Bachelor of Nursing Degree. She has been granted leave of absence by the Board of Health. She will return to the Health Unit in the summer of 1949. In her absence, Mrs. Margaret Outter, of Cedar Springs, will be Supervisor of Nurses. Mrs. Outter has had a great deal of Public Health experience and latterly been Supervisor of Nurses for Etobicoke Township.

Miss Lorraine Larsen, Public Health Nurse in Oakville, has resigned to attend the course in Nursing Supervision at the School of Nursing, University of Toronto. Miss Marjorie Armour, now with the Peterboro City Health Unit, will replace Miss Larsen. She is a graduate in Public Health Nursing from University of Toronto, and in nursing from Hamilton General Hospital.

Miss Ellen M. Woodmark, is now Public Health Nurse for Georgetown and the surrounding territory. She is a graduate in Public Health Nursing from University of Toronto and Hospital for Sick Children, Toronto.

There is a kind of grim justice in the fact that the British gave the dangerous job, after the war, of sweeping north-western European and Mediterranean waters of mines to German and Italian naval personnel.

THE FOSTER-KING WEDDING SATURDAY IN TORONTO CHURCH

Pink and white gladioli decorated St. Chad's Anglican Church, Toronto, on Saturday, for the marriage of Dorothy Anne King, daughter of Mr. and Mrs. L. G. King of Massey, Ontario and Charles Franklin Foster, son of Mr. and Mrs. J. L. Foster, of Renfrew. Rev. G. H. Johnston, M.A., D.D. performed the double ring ceremony. Given in marriage by her father, the bride wore white satin with long train, not inset at neckline, scalloped peplum and collar with scroll-work trim and wore a watch, the gift of the groom. Her headpiece was white satin braid interlaced with pearls and finger-tip veil and she carried a cascade of white mums.

Miss Gladys Burnside was bridesmaid, attired in corse corded taffeta with draped skirt with short train, peplum and bertha collar with matching braid hat and cascade of bronze mums. Little Diane Dutchburn, of Paris, was flower girl in orchid taffeta in matching style and carrying a nosegay of button mums. The best man was Mr. Robert Deane of Toronto and ushers were Mr. Allan McDonald and Mr. William Carswell of Toronto. The wedding music was played by J. D. Overholt, B.A.

At the reception at Hearstons Tea Rooms, the bride's mother received wearing Hunter's green crepe and brown accessories with bronze mums. The bride travelled in a toast brown gabardine suit with brown matching top coat and corsage of fuschia mums. After the wedding trip to the Laurentians, the couple will reside at Levaek, Ontario.

ACTON AND GUELPH Y'S MEN'S CLUBS MET AT EDEN MILLS

The Acton Y's Men's Club held a joint meeting with Y's Men's Club of Guelph at Eden Mills Park on Monday evening of this week. The after dinner speakers were three Guelph Y's Men who had attended the International Convention of the movement at Long Beach, California, this summer. They were — John Amies, Will Roberts and Bill Shaw, all officers in the Guelph Club. They stated that they were particularly impressed with the International aspect of the service work, delegates from many nations, including India, Japan, the Philippines, and war ravaged Europe. They were surprised at the frequency with which morning fog occurred in California, and also at the coolness of the nights. Two of the delegates had travelled by train but the third, Bill Shaw, went by aeroplane since he could only spare one week from his business for the Convention.

Bringing Back Wanted Man for Bank Robbery

Leo Brunell Captured At Vancouver—Will Stand Trial for Campbellville Robbery Last Year

Provincial Constable Al Lemon, accompanied by Inspector Alex McLeod, of the Ontario Provincial Police CIB left Milton airport Sunday for Vancouver, to bring Leo Brunell back to Milton to stand trial in connection with the Bank of Nova Scotia hold-up at Campbellville a year and a half ago, when nearly \$100,000 cash and bonds were stolen in a daring day-light hold up.

Brunell, alias Bruce Sloan, of Toronto, was arrested by Vancouver police during the week-end.

The Campbellville bank was robbed a year ago last July by three armed bandits, who made their getaway in a high-speed car toward Hamilton. A few weeks later police received a tipoff after an extensive search that one of the men was staying in a highway cabin east of Hamilton. The cabin was raided and John Krywiaruchuk, of Hamilton and a woman were arrested. He was sentenced to twenty years when found guilty at his trial here.

Later police located some bonds, but most of the loot is believed by officers to have passed through black market operators at Toronto and Montreal.

After Krywiaruchuk had been questioned by officers warrant for Brunell's arrest was issued. Several places in Toronto and Hamilton were searched but no trace could be found of him until he was picked up in Vancouver.

Buses Take Pupils to North Halton High Schools

Three new modern buses now transport the pupils of the North Halton High School District to the schools at Acton and Milton every day. Top picture shows the two buses at the Milton school as they get aboard the buses operated by Geo. Inglis and Morris Poole and lower picture shows the bus operated by E. G. Tyler-loading pupils at the Acton school for their homes in the rural sections.

UNITED W.M.S. HELD MONTHLY MEETING TUESDAY

The regular meeting of the Woman's Missionary Society of the United Church was held in the Sunday School room on Tuesday, September 14.

President Mrs. E. J. Caldwell presided and the devotional period was taken by Mrs. Moffat, who also gave an interesting account of the founding of the Canadian, Keswick at Lake Rosseau. Mrs. Caldwell gave an outline of the conference and Mrs. Pickering, a very interesting talk on the World Conference in Amsterdam report form Rev. D. Pidgeon. The meeting closed with a hymn and prayer.

District Governor Visits Rotary Here At Tuesday's Lunch

Ed. A. Simmons, Governor of District 168, brought a message to the new Acton Club on Tuesday that had real constructive criticism for this and any other Club. He told of the bigness of Rotary, of the service the organization is doing of its international scope and the duty of the members in regular attendance and service to others. He gave many useful hints for a new club, urged that there would not be too rapid growth in membership but that all members would be carefully selected for their service ideals.

Mr. Simmons has been a druggist in Trenton since 1919, is a native of Guelph, Ont., and was educated in Hamilton before attending the Ontario College of Pharmacy. He is a charter member of the Rotary Club of Trenton, organized in 1922, and was its third president. He has an attendance record of 26 consecutive years. He attended the first Cleveland convention and the convention in Ostend in 1927 and attended the International Assembly held at the Chateau Frontenac in Quebec City during April and May when 159 International Rotary governors from all over the world convened.

Mr. Simmons is well known in the drug trade in Ontario. In Trenton he is the past president of the Horticultural Society, serves on the Parks Board and served as charter president of the Chamber of Commerce. During the recent world war he was chairman of War Charities for Trenton.

President Amos Mason presided and the District Governor spent the day in Acton conferring with Rotary officials.

Erin Township Seeks Permission for Hunting Deer

The Erin Township Council met in Hillsburg on September 2nd. All members present, Reeve Goldwin Burt presiding.

A By-law was introduced and read the necessary times for the purpose of permitting the Tax Collector to mail tax-bills when otherwise unable to make delivery. By-law passed and numbered 11.

The Clerk was instructed to get in touch with the Department of Game and Fisheries requesting the Department to grant permission for the holding of an open season for the hunting of deer in Erin Township for a period of four days in 1948. Dates and other rules according to Dept. regulations.

Application made to Highways Department for subsidy on \$27,807.89 being expenditures on Township Roads from Jan. 1 to August 31st, 1948.

Reeve Burt was appointed as delegate to attend meeting of the Grand Valley Conservation Authority to be held at Galt on Thursday, Sept. 9th.

Edward Cornell was refunded \$17.42 excess payment on tax arrears.

Accounts were passed as follows: General \$13.91; Sheep \$96.00; Roads \$1034.68.

Council adjourned to meet again on Monday, Oct. 4th in Hillsburg at 1 o'clock p.m. or at the call of the Reeve.

DISTRICT GOVERNOR

Edward A. Simmons, Rotary District Governor Ed. A. Simmons, of Trenton, who addressed the Rotary Club of Acton at the regular Tuesday luncheon this week in the Y.M.C.A.

HALTON COUNTY GARAGE OPERATORS SEE DEMONSTRATION

At their September meeting the Garage Operators and their employees were given a demonstration of the new Permafuse method of brake bonding. This new method eliminates the use of rivets as a means of attaching the lining to the brake shoes.

This new process requires a thorough cleaning of the old drums by means of buffing and then an application of bonding cement and a special tape. The brake lining is then clamped to the shoe and is put in a Permafuse machine which is an automatically regulated oven where the brake shoes are baked for one half hour at 500 degrees F.

Several of the automobile manufacturers are using this method on their new cars as it gives longer service from the brake lining and eliminates brake drum scouring from rivets.

High School Board Approves of New School Equipment

The North Halton High School District Board met in Acton School on Monday, became acquainted with the Acton teaching staff and learned of some of the problems. Arrangements are to meet the Milton School staff at the next meeting in October.

Some applications were heard for transfers to other schools and the Board discussed with Principal Stewart and Marcellus the purchase of new equipment. Mr. Stewart had interviewed the Department regarding equipment for Commercial Work and the equipment list is up for their approval. An additional teacher was also discussed for the Acton School. The library will be required for a part of Grade 9 as soon as it is finished. The new class room is expected to be ready for occupancy the first week in October in Acton.

Transportation problems were also discussed and when the classrooms are ready in Milton in late October, classes in shop practice and household economics will be taken from Acton to Milton for this work. Arrangements are also to be made for Milton students who desire to take Commercial work.

Approval was given by the Board for the purchase of sports equipment for use at Milton School and the improvement of the playing field. The inter-school athletic meet will be held in Milton this year. Accounts were passed for payment by the Board and insurance on the new additions arranged.

THE BULLARD-ROBERTSON WEDDING SATURDAY IN LOWVILLE CHURCH

A bank of autumn flowers made a beautiful back ground in Lowville United Church on Saturday, September 18 at 3 o'clock when Rev. A. D. Penman united in marriage Wilda Gray, daughter of Mr. and Mrs. W. J. Robertson, Milton, and Kenneth Elmo Gilmour, son of Mr. and Mrs. Wm. Bullard, Kilbride. Mrs. James Evans, aunt of the groom, played the wedding music, and Miss Donna Frank, cousin, sang "I'll walk beside you", and "Oh perfect love".

The bride entered the church on the arm of her father, attired in a gown of white satin, with yoke of white net, and bodice embroidered with bead pearls, the skirt ending in a long train. Her cascade bouquet was of white roses and bouvardia. Her headpiece was a dutch style cap in white satin, with fingertip length veil. Her attendants were her sister Mrs. Bruce Miller, matron of honor, in blue taffeta, carrying pink roses and carnations. Miss Marlon Readhead, as bridesmaid in pink taffeta carrying pink gladioli and yellow roses. Miss Shirley Coulson, as bridesmaid, in green lace and net carrying pink gladioli and yellow roses, and little Carolyn Morris, niece of the bride as flower girl in yellow organza, carrying a nosegay of purple asters. The attendants were smatching headpieces of net.

Mr. Wm. Anderson of O.A.C. Guelph, cousin of the groom, was best man. The ushers were Mr. Russell Robertson, brother of the bride and Mr. Norman Wood, cousin of the groom.

A reception for 85 guests was held at Shady Ridge, Lowville. The bride's mother received in a teal blue suit with black accessories and corsage of red roses, assisted by Mrs. Bullard, attired in wine crepe and black accessories, with corsage of white roses. Dr. McDonald of Kilbride was toast master. The bride's travelling costume was of blue wool crepe with navy hat and British tan accessories. After a northern motor trip the couple will reside at Lowville.

GREENOCK INSTITUTE SEPTEMBER MEETING AT MRS. A. THOMPSON'S

Mrs. A. Thompson was hostess to the Greenock W.I. on Wednesday, September 15, with the President, Mrs. A. McKeown in charge.

Mrs. Chester Allen read the Institute Creed. Roll Call was "Women of the Bible" with 17 members, 1 visitor and 6 children present. It was decided to buy material for a quilt, mauve and yellow broadcloth, and to have it quilted before the next meeting. Miss Elva Pearen gave a report on the Convention at the O.A.C., Guelph, held on September 1 and Mrs. Elliott Patterson gave the motto "Home is Chief School of Human Virtue".

The following program was in charge of Mrs. H. Reid: Reading by Mrs. T. Hemsley, Miss Helen Allan; songs by four girls, Misses Mary Reid, Doris, Helen and Muriel Allen. Mrs. H. Reid read a paper prepared by Mrs. McDougall of Alton "If you have knowledge let others light their candles by it"; contest on livestock breed naming won by Mrs. R. McKeown and Mrs. R. Allen.

A lovely meeting was brought to a close by the Mizpah benediction. Lunch was served and a social time enjoyed.

CHILD HEALTH CLINIC TO BE HELD HERE EACH MONTH

The Halton County Health Unit announces that a Child Health Clinic will be held in the Town Hall on the 1st and 3rd Friday of each month from 2-4 p.m.

The first Child Health Clinic will be held on Friday, October 1st. The immunization will be carried on as usual, on the first clinic day of the month.

All interested parents are invited to attend.

SEVENTY THOUSAND BIRDS

Classified and arranged in cabinets with original features, by ornithologist L. L. Snyder and his associates, there are more than 70,000 native and exotic birds available for study at the Royal Ontario Museum. It is the largest of such scientific collections in Canada, and has few rivals elsewhere.

Labrador, three times the size of Newfoundland, was awarded to that country by a 1927 privy council decision after years of litigation between Newfoundland and Canada.

Manufacturers Arrange Hours For Power Saving

Shifts are Changed To Meet Hydro Crisis And Avoid Cut-off

The manufacturers of Acton were called together on Monday evening for a meeting with the Public Utilities Commission. The object of the meeting was to meet the demands of the H.E.P.C. of Ontario to cut the consumption of kilowatt hours of energy from a daily average consumption of 27,800 to 19,500 hours daily. As the manufacturers use approximately half of the power consumed it would mean a saving of about one-sixth of the use of electrical energy would be their fair share. All but one of the manufacturers were represented at this meeting. These representatives were very co-operative with the local commission in trying to save the power, during this shortage. They expressed their opinion as not wanting to put working houses that the worker would have less time employed and consequently less take-home pay.

The representatives of Beardmore & Co. stated they would switch three departments to night work so that they would be finished at seven o'clock in the morning. Wool Combing representatives will make certain changes which will help the situation as they work on 24-hour schedule, so will Micro Plastics, who are now working 19 hours a day. Ajax Engineers agreed to take an earlier dinner hour to help with the peak load. Other manufacturers agreed to help the situation as much as was in their power.

As the manufacturers are co-operating in this way, it now remains for the householder to save as much electrical power as possible, in not using any electrical appliance if not absolutely necessary, and if then only for as short a time as possible. The days when the restrictions are effective are from Monday to Friday, with the most power available between 12 midnight and seven in the morning. On Saturday and Sunday there is not the same demand for electrical energy.

It is hoped that the householders can and will effect their fair share of the necessary reduction and avoid any serious shut offs on the Acton system.

KNOX Y.W.A. RESUME WINTER ACTIVITIES THIS WEEK

The Young Women's Auxiliary of Knox Church resumed their fall and winter activities at the September meeting at the home of Mrs. George Musselle.

The leader Mrs. F. Anderson took charge. The Bible Lesson was read by Miss Emma Cole and the Glad Tidings prayer by Miss Florence Elliott. The roll call was responded to by a "Miracle of Our Lord". Mrs. O'Hara supply convener expressed appreciation for the generous donation of Christmas gifts and clothing for the Fall sale.

A musical number by Miss Olive Musselle was enjoyed and a reading by Miss Emma Cole, "What the Choir Sing". The Chapter from the Study Book, "Our Commission in Formosa" was retold by Mrs. John Anderson. A guest of the evening, Miss Nellie Anderson was welcomed to the gathering and spoke briefly on her joy in serving in British Guiana and also closed the meeting with prayer.

A social time was enjoyed when the group of the month served refreshments.

Coming Events
