

**BURLINGTON**

Dan Sanderson has sold his trucking business to Harry Thor after twenty-five years in business. Last Thursday evening a navy thief claimed a kit bag which Kevin McKinnon, Glace Bay, N.S., had left with an attendant in the men's washroom in Gore Park, Hamilton. Thirty five candidates, of whom 12 were adults, received the holy rite of confirmation in St. John the Baptist Roman Catholic Church last Thursday evening.

On Monday of this week the general offices of the Niagara Bragg Spray Company were opened in their newly constructed building on the grounds of their factory plant at Friesman.

John Henry Page, 2 Brant Ave., a well-known and esteemed resident of the town, was instantly killed by a C.P.R. train at the Brant street railway crossing on Saturday afternoon shortly after 2:00 o'clock.

Burlington residents received their first power interruptions today (Wednesday) at noon when the switch was pulled at 12:30 and the juice did not return until one o'clock. Tonight at 6:30 the citizens will enjoy their first black-out when the entire town will be plunged into darkness for a time to be determined by the amount of power used during the day to keep within the town's allotment of 18,500 kilowatt hours—Gazette.

What a blessing that, with its colorful art to tempt necktie designers, Papan, with an Adult's Day, and a Children and Mothers' Day, has no Fathers' Day.

**MILTON**

Emphasizing the importance of kindergarten classes in Milton, the Milton Home and School Club are circulating a petition which will later be presented to the School Board, asking them to institute such a class at the public school. The executive of the Ontario Baseball Association upheld a protest lodged by the Milton club against decisions at the last game with Caledonia, but ordered the game replayed.

Rain, Caledonia and breaks were again a Jonah for the local Intermediates when they dropped the odd game played at Caledonia yesterday afternoon, eliminating them from further O.B.A. playdowns. Caledonia took the count on two homers by a score of 4-3.

The opening meeting of the John Milton Chapter, I.O.D.E., for the fall season was held at the home of Mrs. George Morley with a good attendance. The guest speaker, Mrs. R. B. Galbraith, recently returned from a four months trip to England, her native land, gave in a very pleasing manner an interesting talk on conditions as she found them over there.—Canadian Champion.

**DON'T WASTE TIME**

It happened on the obstacle course. A trainee, puffing and groaning, failed to make a hurdle. As he stretched out a corporal ran forward.

"Hey," he cried, "what's the trouble?"

"I think I've broken my leg."

"Well, don't just lay there, man. Start doing push-ups."

**NEWS and VIEWS**

Of Halton Farm Interest

Editor of Farmers' Advocate to Address Halton Meeting

Halton County Council in recent years has purchased 700 acres of land in the County for reforestation purposes. Most of this acreage has now been planted and the earlier plantations are worthy of a visit. In addition, under the leadership of the Agricultural and Reforestation Committee of the County Council, Inspectors Skuce, teachers, trustees and ratepayers, an inter-school tree planting competition was inaugurated last spring. Some nine rural schools each planted an acre in their respective school sections, and the awards will be announced in the near future. Halton County Council is now giving consideration to paying a subsidy to property owners who will fence and protect existing woodlots from livestock. In brief, the Agricultural and Reforestation Committee of Halton County Council has become seized by the importance of soil, water and tree conservation and their relationship to food production.

Streams which 25 or 30 years ago ran all year round, today are dry most of the year. Farmers' wells which a few years ago never dried up, are today often dry for months. In addition, fish and other game have greatly decreased in number because of loss of trees and streams not to mention the loss of fertile soil as a result of flooding and run-off.

In order that all Halton ratepayers, both urban and rural, may discuss this problem, a public meeting is to be held in the Court House, Milton, on Tuesday, October 26th at 8:00 p.m. Reeve Alex. MacLaren, chairman of the Halton Reforestation and Agriculture Committee, informs us he has been successful in securing as guest speaker, Watson H. Porter, Editor-in-Chief of the Farmers' Advocate and secretary of the Ontario Conservation and Reforestation Committee. Mr. Porter in recent years has visited Europe and is familiar with measures adopted by many countries to meet similar problems to those which exist in Halton. The writer has heard Mr. Porter speak on many occasions and we can assure our readers that a trip to Milton on October 26th will be more than worth while.

**Final Awards Released on Halton Calf and Grain Club Projects**

The Kingsway Kiwanis Specials each of which consist of \$12.50 to apply on a Short Course at the O.A.C. this coming winter, have been awarded as follows: Milton Holstein and Ayrshire Calf Club, Geo. Burkhilder, Freeman; Halton Guernsey, Jersey and Baby Beef Club, Alex. Buchanan, Moffat; Acton Boys' Beaver Oat Club, Geo. C. Wilson, Georgetown; Acton Calf Club, Ray Everdell, Acton.

A similar scholarship has been donated by the Kingsway Kiwanis Club of Toronto to the Milton Boys' Beaver Oat Club, the achievement day for which will be held in conjunction with the Halton Seed Fair, next March.

Halton Milk Producers' Association also donates two Short Course Scholarships at the O.A.C. These have been awarded to John McKinnon of Milton and Dave Pelletier of Milton.

Other interesting awards follow: Nelson Robinson Specials, Guernseys, Bob Joyce, Milton; Beef, Judith Merry, Oakville; Jersey, Grant Devlin, Milton; Holstein, Barry Archer, Georgetown.

J. L. Chisholm Special, Bob Joyce, Milton. C. F. Pickett Special, David Pelletier, Milton. Chestnut Jersey Farm Special, Geo. Lucas, Freeman.

**Halton Breeders Make Outstanding Showing at Simcoe**

The Championship Shows for Central and Western Ontario Jerseys and Guernseys were held at Simcoe on Tuesday and Thursday respectively last week. In the Jersey Show which brought together over 200 top Jerseys of central and western Ontario, Halton was represented by only one herd, namely that of M. C. Beatty of Milton. What a clean-up that lone Halton herd made. A few of the more noteworthy wins follow:

The Beatty senior herd sire, Brampton Basil Ward was the senior and grand champion bull of the show. Even more outstanding

was the showing of Basil Ward's Get. A Junior yearling daughter won her class and went on to the Junior Championship and reserve grand championship of the show. Still another daughter was the first prize heifer calf and reserve Junior champion female. His offspring also won the progeny of dam class, Junior get-of-sire class, and to climax it all Basil Ward and a group of his daughters won the Graded Herd Class. It has been many a year since a Halton herd of any breed has made such an outstanding showing at one of the major shows.

Halton County may well be proud of the honors brought to the County by the Beatty herd. Few breeders achieve such honors in a lifetime, but to build up a herd of this quality in a period of some eleven years is little short of amazing. Were such an achievement to take place in the field of sport, headlines would blaze across the front page of every newspaper in Ontario, but as this was in the field of Agriculture, all we can apparently say is hats off to Maurice Beatty and those associated with him we're proud of the achievement and we extend heartfelt congratulations on a job well done. Besides Jerseys, Lazy Pat Farms, Palermo made the Guernsey enthusiasts sit up and take notice. Perhaps the most noteworthy achievement among other wins was the Senior and Grand Championship award on their herd sire, Kingsholm Philosopher which animal also won similar honors at the Halton Guernsey Show recently. This animal was bred by Geo. H. King & Sons, Oakville, and to Messrs. Piggot and King we also extend our sincere congratulations.

**PERKINS-HAYES WEDDING IN THE INGLEWOOD CHURCH**

Inglewood United Church was decorated with white and pink gladioli and asters on Saturday, Sept. 13th, for a pretty wedding when Betty Iona Hayes, youngest daughter of Mr. and Mrs. Wm. Hayes of Inglewood and Gerald Thomas Perkins, son of Mr. and Mrs. Harold Perkins of Acton, were married. Rev. J. A. Hodgson officiated. Mr. John Emmerson, brother-in-law of the bride, sang "For You Alone" and "I'll Walk Beside You". Mrs. Johnny Harper was at the organ.

Given in marriage by her father, the bride was gowning in ivory satin. The rough neckties were white and held in place by pearls, and her long tight-fitting bodice with a full skirt fell to a hoop at the bottom with rose point lace panels. She wore her mother's locket. Her long embroidered veil was held in place by a coronet headpiece and she carried red roses, while Miss Marion Parker as bridesmaid chose pale blue brocaded satin and a full net skirt and carried red roses. Beverly Emmerson, niece of the bride, was a flower girl wearing peach brocaded and carried pink baby asters. Mr. Elwin Kentner of Acton was best man and Mr. Gear Hayes, brother of the bride and Don Perkins, brother of the bridegroom, were ushers.

The reception was held in the Inglewood United Church Sunday School rooms where Mrs. Hayes received in a navy blue sheer dress with turquoise accessories and tallman rose corsage while Mrs. Perkins chose a black crepe dress and corsage accessories with a corsage of tallman roses. For travelling, the bride chose a grey tailored dress with red accessories and a corsage of carnations. On their return from a motor trip north, they will live in Georgetown.

**CHURCHILL WON'T SELL ART**

One of the curious things about Winston Churchill, writes "Adelphi" in The Financial Post, is that he refuses to sell any of the hundreds of paintings that he has done over the last 30 years. He has real ability as an artist, ability far above that of the gifted amateur. The dollar value of his paintings must be enormous. What would an American or Canadian millionaire pay for a signed Mediterranean scene by the immortal Winston Churchill?
