Of Halton Farm Interest

### Halton Plowmen Offer \$1100 Prize List

Prize lists for the 1948 Match of the Halton Plowmen are now available from Secretary J. E. Whitlock, Milton. This year's prize list totals over \$1100 and thanks to the generous co-operation of Halton citizens generally, as well as to a number of outside firms, the Halton Association is able to offer the best prize list in its history, states C. F. Pickett, president of the Halton Plowmen.

The big County event is to be held on Thursday, October 28th on the farm of Erwin Gunby, near Tansley on the No. 5 Highway. Their prize list includes nine classes, six of which are with Tractors. New features this year include a special class for mounted plows; another class for three-furrow plows. As usual there are special classes open to Halton lads and lasses under 18 years—another for those under 21 years.

Plans are also under way to stage a good farm machinery show and demonstration with farm equipment. This end of the show is under the able direction of a strong committee headed by Stanley L. Hall, M.P.P.; W. E. Breckon, Freeman; Arthur Diamond, Rockwood; and Fred Ruddle of Georgetown. We understand that present plans call for a display of haled hay, cut and baled at different stages of maturity. Samples are now being analyzed for protein content at the Ontario Agricultural College, D. H. Hart, well known and prominent dairy farmer from Oxford County, is to give an address on hay making based on his own wide experience.

Dr. G. I. Christie, former head of the Ontario Agricultural College, Guelph, is to be the guest speaker at the evening banquet to be held at the Appleby Church.

Messrs. Win Timbers of York County and N. G. McLeod of Waterloo are to be the official judges of the ridges turned by the plowboys, and Bert Berry of Valley Crest Farm, will be judge of the horse show. In brief, all that remains to make this year's event the equal of the many outstanding matches staged by the Halton Association is favorable weather conditions.

### Halton Holstein Breeders Rank High at Championship Show

One hundred and seventy-five top Holsteins from the counties of Brant, Grey, Halton, Hamilton, Lincoln, Peel, Waterloo, Wellington, Wentworth, and Westmount, competed at the Brantford Championship show on Tuesday of last week. Prof. Geo. E. Rathby of the Ont. Agricultural College, Guelph, was the able judge of the day. Halton was represented by entries from the herds of R. C. Givens, Alexander Bros., and F. O. Hunter of Esqueping Twp.; J. F. Trimble, Hays Ltd., and Albert Stagg of Trafalgar Township; and F. Pelletier and Sons, and Ross Segsworth of Nelson Township. From a Halton standpoint the following were a few of the highlights.

Raymondale Salax, the grand champion bull at the Milton show for R. C. Givens of Georgetown again won the 3 year old class and was the reserve senior and reserve grand champion of the show. In the senior yearling bulls, Albert Stagg of Oakville received the 3rd prize award on Browns Markmaster Joe. The junior yearling class again brought together the first and second prize winners of the Halton Show, in F. Pelletier and Sons' M. G. Sovereign Ormsby, and Alexander Bros' Salax Prince. Again they were first and second respectively with the Pelletier entry getting the junior champion award. Hays Ltd. were fourth on Salax, was first and sixth on his strong bull calf class. In the class of junior heifer calf class, Albert a class of 14 two year olds, F. O. Hunter daughters, Stonetown Joan and Janet, while Ross Segsworth of Freeman broke into the win column in the senior heifer calf class on Spruceleigh Chieftain Dorseth. Joe Trimble of Trafalgar Township was sixth on his junior yearling in a class of twenty. Hays Ltd. were fourth in both the senior calf and senior yearling classes. Ross Segsworth was again in second in a class of 14 two year olds. F. O. Hunter of Georgetown was fifth and Segsworth seventh in a class of 17 three year olds. Segsworth was in fourth on his grand champion of the Milton Show in a large class of mature cows. The same exhibitor secured second in his senior get of Armae St. George Chieftain Posch, and first on his progeny of Popular Row Chieftain Maid while R. C. Givens had fourth out of eleven entries in the junior get of sire. Halton wound up a successful day by securing third in the county herd class with a 17 ten counties competing.

Evelyn Pelletier Dairy Queen of Central West Ontario. Halton's candidate, Miss Evelyn Pelletier, won the Dairy Queen Honors at the Brantford Black and

White Championship Show last week, in competition with candidates from nine other counties.

Miss Pelletier is county secretary of Halton Junior Farmers; a former secretary of Palermo Junior Institute; leader for 1948 of Ash Jr. Homebakers' Club; and recreational leader for Halton Jr. Farmers.

In a fitting ceremony with Harry Hays as master of ceremonies, Miss Pelletier surrounded by the other nine candidates all dressed in dairymaid costumes was crowned by Mayor Walter J. Dowden of Brantford.

This achievement by Miss Pelletier testifies to her well deserved popularity in Halton and her many

friends and supporters are delighted with the culmination of their efforts. The committee in charge of the development of the Halton Park at Lawville will receive a substantial donation as a result of Evelyn's win.

Miss Pelletier's campaign was jointly sponsored by Halton Junior Farmers and the Halton Holstein Breeders' Club.

### ARGENTINE BUTTER

Butter exports from Argentina which have been increasing since 1945, amounted to nearly 243 million pounds during the first six months of 1948, of which 176 million pounds went to Belgium and one million to Switzerland.

### HARDWARE PRICES UP 14 PER CENT

During the 12 months period from Aug. 1, 1947, to July 31, 1948, price of hardware commodities has risen on an average of about 14 per cent, states Hardware and Metal & Electrical Dealer. This is based on an annual comparison of dealer prices on 45 typical hardware and paint items conducted by the hardware business paper.

"The increase of about 14 per cent compares with an advance of 16.4 per cent in the previous 12 months and is moderate when compared with price trends in other lines."

# Regulations Respecting the Use of Electricity in Ontario as Amended and Now in Force

Made by The Hydro-Electric Power Commission of Ontario and Approved by Order-in-Council

Amendments Appear in Heavier Type

## PART I WATER HEATERS

1. (1) Unless water heaters operated by electrical power are—
  - (a) equipped with thermostatic control, and
  - (b) installed in or on tanks which are thermally insulated,
 no municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person the electrical power or any part thereof for the operation of water heaters installed or replaced after the 1st of November, 1948.
- (2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it for the operation of water heaters in a manner contrary to the provisions of subregulation 1.
- (3) No person shall take any electrical power procured from the Commission and use it for the operation of water heaters in a manner contrary to the provisions of subregulation 1.

2. Ontario Regulations 237/47 are revoked.

## PART II SPACE HEATERS

3. (1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for the operation of air-heaters, grates, radiators, boilers or any other device for space heating in hotels, tourist cabins, shops, offices, commercial premises and, except in the case of sickness, residences.
  - (2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.
  - (3) No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1.

## PART III LIGHTING

4. (1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for—
  - (a) lighting of interiors of shops, show-windows and offices except—
    - (i) not more than 1 watt per square foot of gross floor-area of a shop during business hours,

and after cessation of business with the public not more than 1 watt per square foot of the gross floor-area of that part of the shop where the staff is working;

- (ii) not more than 10 watts per lineal foot of width of show-windows of shops for lighting only and only while open for business;
- (iii) not more than 2 watts per square foot of gross floor-area of an office during office hours, and after office hours not more than 2 watts per square foot of gross floor-area of that part of the office where the staff is working;
- (iv) for the protection of property after business hours not more than 5 watts per 100 square foot of gross floor-area of a shop or office or 40 watts per shop or office whichever is the greater;

- (b) lighting of exterior signs;
- (c) exterior flood- or outline-lighting for decorative, ornamental or advertising purposes;
- (d) lighting of out-door Christmas trees;
- (e) lighting of parking-lots, used-car lots, service stations, out-door industrial premises and out-door playing fields except—

- (i) not more than 10 watts per 100 square foot of parking-lot space while open for business;
- (ii) not more than 10 watts per 100 square foot of that portion of used-car lots used for display space while open for business and not more than 5 watts per 100 square foot of the used-car lot after cessation of business;

- (iii) not more than 40 watts per gasoline pump in a service station, exclusive of lighting not exceeding 25 watts inside the pump-motor-compartment, while the service station is open for business;

- (iv) not more than 10 watts per 100 square foot of whatever part or parts of out-door industrial premises is in actual use for work in progress and not more than 5 watts per 100 square foot at other times and not more than 5 watts per 100 square foot for protective lighting of that part actually occupied by installations, or used for the storage of materials or equipment; and not more than 40 watts per 100 square foot of playing area of an out-door playing field only while in use;

- (f) lighting of—
  - (i) marquees; or
  - (ii) sidewalk-canopies on hotels, theatres and restaurants except not more

than 1 watt per square foot of floor space or sidewalk area covered by the marquee or canopy;

- (g) lighting of exterior entrances or exits of commercial premises or residences except not more than 60 watts for commercial premises and not more than 25 watts for residences and, where occupied, tourist cabins; and
- (h) exterior lighting between sunrise and sunset.

(2) The lighting permitted for shops during business hours under sub-clauses i and ii of clause a of subregulation 1 shall include the lighting of interior signs, merchandise-displays and show-windows.

5. No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 4.

6. No person shall take any electrical power procured from the Commission and use it in a manner contrary to the provisions of subregulation 1 of regulation 4.

7. Subregulation 1 of regulation 4 and regulations 5 and 6 shall not apply to—

- (a) (i) lighting of air-ports and transportation terminals;
- (ii) lighting for police, fire and property-protection services, traffic lights, traffic and warning signs; and
- (iii) lighting required by law;
- (b) hospitals;
- (c) lighting for interior domestic purposes;
- (d) lighting of a single exterior sign, not exceeding 25 watts, to designate—
  - (i) an office of a medical or dental practitioner, embalmer or funeral director, or pharmaceutical chemist;
  - (ii) an ambulance, telephone or telegraph station; or
  - (iii) premises providing sleeping accommodation for travellers.

## PART IV

8. In these regulations,—
  - (a) "shop" means any building or a portion of a building, booth, stall or place where goods are handled or exposed or offered for sale, or where goods are manufactured and which is not a factory; but shall not include any part of a building used for office purposes; and
  - (b) "office" shall mean a building or part of a building occupied and used for office purposes only.

## PENALTY PROVIDED BY THE POWER COMMISSION ACT FOR VIOLATION OF REGULATIONS

Any person refusing or neglecting to comply with any direction, order, regulation, restriction, prohibition or control made or exercised by the Commission under this section shall be guilty of an offence and in addition to any other liability incur a penalty of not less than \$100 and not more than \$500 and a further penalty of not less

than \$100 and not more than \$500 for each and every separate day upon which such refusal or neglect is repeated or continued.

The penalties imposed by or under the authority of this section shall be recoverable under *The Summary Convictions Act*.

## MODIFICATION OF REGULATIONS AS TO CERTAIN AREAS

The foregoing Regulations are modified by excepting from the application of Parts II and III thereof the following—
 

- (a) the territorial districts of Algonia, Cochrane, Kenora, Manitoulin, Nipissing, Rainy River, Sudbury, Thunder Bay, Timiskaming;
- (b) the territorial district of Parry Sound, except the

townships of Carling, Christie, Conger, Cowper, Ferguson, Foley, Humphrey, McDougall and McKellar, the Town of Parry Sound, and the Village of Rosseau.

(c) exhibitions and fairs held in 1948 by societies under *The Agricultural Societies Act*.

If further clarification is required please contact your local Hydro office.
