It can be recorded that the first real winter snow storm came this fall on Wednesday, December 15th.

A Christmas gift we would appreciate is the giving of some of those holes in the highway between Milton and Acton. We've had them all summer without any effort to improve them.

CHRISTMAS DECORATIVE LIGHTING IS ONLY PERMITTED BETWEEN DECEMBER 24th and JANUARY 2nd, INCLUSIVE

NO OUTSIDE TREES ALLOWED

It is requested that all householders use more lights than is absolutely necessary to conserve the supply of electricity for the factories.

Acton's quota, although larger than it was before, is not nearly enough to supply the demand and therefore some must go short. Otherwise the factories will be forced to curtail production, resulting in reduced pay envelopes.
