Guelph Juniors Win from Acton In Game Here

On Monday night, Acton's Junfor "D" squad played an exhibition game with the Guelph Junior "B" team before a fair crowd in the Acton Arena The outcome was a 12-4 score for the visitors The Acton Redmen, playing

their second game of the season could not keep the pace of the well conditioned Guelphites. In the first period Acton scored the only goal when one of their many scrambles around the net finally paid off In the first few minutes of the second, Acton scored again This seemed to awaken Guelph and during the remainder of this chapter they outclassed Acton completely and scored six goals to take a good edge. The first half of the last period

saw Acton miss many chances around the net while Guelph rang THE THE MANY COUNTY ACTOR PULL on pressure during the last half but were rewarded with only two markers.

The two Laufman brothers and Campbell looked best for the visitors while Kentner, Townsley and Stan Fay played well for the home

GEORGETOWN 6-ACTON 1 Georgetown Raiders swept to their second consecutive win over Acton last Thursday night by blasting Tanners 6-1 in front of close to 1500 fans at Acton arena. Firing four goals while Tanners were short handed the Raiders, unusual opportunists, shot to the league's top as a result.
