ROCKWOOD

Last Thursday afternoon, as the weekly half holiday was well under way, the fire alarm broke the stillness to call the local fire department to attend a fire which broke out in the back kitchen at the residence of Mr. and Mrs. Wm. Pascoe, and for a time things looked quite threatening after household effects were safely removed. With the valuable assistance rendered by two members of Guelph Fire Dept. the house was finally saved from complete destruction. The water supply was plentiful from the well of E. B. Jolliffe, M.P.P., which was a big factor for the attending fire volunteers. Previous to their coming out to Rockwood the Guelph firemen were busy with a fire along the C.N.R. railway at Duke St. for the time being, Mr. and Mrs. Pascoe are making their home with their son Edward on the farm adjoining the village till the home is repaired and rendered fit to live in.

The late Mr. and Mrs. L. R. Guild were former residents at a time when Mr. Guild and sons, Wilbert and Loren were engaged in the poultry business.

As a result of frequent rains and warm weather, the lawns about the village are showing a nice green, and already the click of the mower is heard.

Mrs. Fred S. Hamilton was in Feigus over the week-end.

More congratulations to Barbara M. Ward in the finals at Toronto last week, when she obtained 93 points in the competitions. During the evening, a 12 year old colored girl won top honors over all other contestants.

Miss Sarah Rowlandson, R.N., who spent the winter in New York is back again with her sister, Mrs. H. Watt.

ADVANTAGES

It was pouring. Two men who had quarrelled went out in the rain to settle their differences. They fought until one got the other on his back and held him there.

"Will you give up?" he asked and the reply was "No."

After a time, the question was repeated, but again the reply was "No."

"Then," said the other, "will you get on top for a while and let me get under? I'm getting soaked!"

NEW SURGERY KNIFE SAVES LOSS OF BLOOD

Surgery in which blood lost during an operation is automatically and immediately returned to the patient's body has been made possible by the invention of a young English hospital attendant. He has developed a patented new type of surgeon's knife which as it cuts draws in the flowing blood, purifies it and pumps it back into the patient's veins. The inventor is 24-year old W. G. Gregory, operating room technician at Exeter City Hospital (West England). The knife has a grooved blade and a light tube running from the handle. As an incision is made, a small electrical pump draws the blood from the wound, passes it through the purifying system and returns it immediately through a vein in the arm.

ERIN

Three armed, masked bandits won a running gun-battle with the Imperial Bank Staff in Feigus last Friday afternoon, after their daylight attempt to hold up the Imperial Bank was foiled.

The getaway car was found abandoned on the sixth line, Erin Twp., two miles from Hillsburgh, a few hours after the attempted robbery. Stolen license plates were attached to the 1948 auto.

George Duncan, 42, was killed on April 21st when a windmill fell on him as he was working on a farm five miles west of Orangeville. Two men and a woman tried for 20 minutes to extricate him from the wreckage, but had to bring tools to saw through a steel rod which had pinned him.

Caldon folks assembled at the Township hall in the village on Monday evening to do honor to Doc Thomas who has served the sick and ailing in the district for the past thirty three years. Advocate

LODGE TOPIC

It's odd said the sleeping car conductor, that at a terminal where the super may be watching a heavy train can be started as smoothly as an old lady's limousine. The jolts and jerks are always at the little stops.

The favourite jolt, of course, is at 4 a.m. when they're putting on the diner. The poor sleepers, who've been tossing about, are thoroughly wakened and begin to wonder if some other way of travel wouldn't be better.

This phenomenon of night jolts should be discussed at the lodge— the Brotherhood of Locomotive Firemen and engineers. For a smooth ride should mean more riders who pay cash. And surely that is in the interest of the lodge.

LIMEHOUSE

Five members of the Nurval Jr. Farmers produced their play, "Courage, Mr. Green", directed by Miss C. McCullough, in Limehouse Memorial Hall on Friday evening.

Others on the program included, Mrs. O. Mulder with solo, accompanied by Mrs. Houghley at the piano, and the pupils of S.S. No. 9 obliged with their festival music. Following lunch Mr. and Mrs. Houghley provided music for dancing with Mr. Cain as floor manager.

Mr. R. Heatherington showed splendid coloured films on home gardening from soil preparation to the harvesting of the crop when the W.I. gardens committee arranged a social evening in the school on Thursday evening. Another film followed, a nature course from Jasper to Banff National Park. Twenty children received their garden seed the same time.

The W.M.S. met at the home of Mrs. Mills on Thursday evening, when Mrs. A. Calder reviewed the life of the missionary to Africa, Mary Sherwin. Mrs. H. Norton read the Scripture Lesson and Mrs. O. Mulder led in prayer. Mrs. A. Norton and Mrs. O. Mulder obliged with two vocal duets. The hostess served refreshments afterwards.

Congratulations to Anna Spitzer who won the bronze medal for girls eleven and under at the Peel County Festival recently.

Mr. and Mrs. W. Gordon attended the funeral of her cousin, the late Ernest Hall in Guelph last week.

Mr. Bob Beatty left recently for Moncton.

Two representatives of the Dept. of Lands and Forests of Ontario, Galt Division, supervised the planting of some six hundred forest trees on the farm of F. T. C. Brown on Thursday afternoon.
