Acton Loses and Wins in Ball Games of Week

single, Sam Snyder poked out four longies, one a double. Gib Jordan nipped three safeties including a two ply smash and Lorne Masters connected twice besides wangling three free passes from Kondo. Rees beleaguered southpaw.

On the rubber, Snyder hurled a brilliant game, restricting Rees to five safe blows. Only one went for extra bases, it a circuit smash from Luzzi. Rees getting second baseman.

It was a return to the form that wrapped up the Ontario Championship two years ago, for Acton. As a result their stock with fans skyrocketed for a while at least. Fans were confident that with pitching assistance, the Acton club will be formidable indeed, for it is becoming increasingly apparent they can be second to none in producing hits when the urge hits them.

Injuries to Ryder and back-stop, "Spike" Scott necessitated the elevation of two Juniors—Meb Blow and Harold Townsley—into line-up for the game. They played third base and catcher respectively, looking impressive in all departments. Both were successful in obtaining a hit in five trips.

Rees did plenty of whiffing on Saturday to Snyder's slants. They struck out eleven times. On the other hand Kondo whiffed four Acton batters.

Our column this week will be found to be just a little different than usual, but I have my passenger's permission to tell the following.

Last week end I had the pleasure of taking some of our local boys to Kapuskasing, Ont., to witness the wedding of Mr. S. Brunelle (manager of the Station Hotel) and his lovely bride. I take this way to publicly extend congratulations and welcome Mrs. Brunelle to our fair town.

The novel part of our trip was the fact that Roy's Taxi took the mother, and grandfather of the groom to the plane at Malton, and Roy's Taxi was on hand to meet the passengers at "Kap" which is some 600 miles away. We were able to reverse this procedure the following day.

We cannot always give service such as this, but we always do our best.

CRAMP-HILL WEDDING AMID PICTURESQUE SETTING

In Christ Church, Brampton amid a setting of calla lilies, white snapdragons and palms, Vivian Elizabeth daughter of Mr. and Mrs. Rowland Hill became the bride of James Stewart Cramp, son of Mr. and Mrs. Bryan Cramp. Rev. Johnson officiated and Miss Joyce Cooper was soloist.

Given in marriage by her father, the bride was gowned in white satin with off-the-shoulder neckline and bouffant skirt forming a train. Her only jewellery was a triple strand of pearls, a gift of the groom. The bride's floor length veil of tulle illusion was caught to a headdress of satin and orange blossoms. She carried a green orchid, surrounded by white gardenias, stephanotis and white ostrich plumes. She was attended by Jean Mitchell, matron of honour, in mauve embroidered organza and Jean Cousins, flower girl, in blue organza. The attendants carried roses and sweet peas. Jack Hill was the best man and Tom Mitchell and Tom Hill were ushers.

At the reception the bride's mother received in powder blue crepe with black accessories. The groom's mother received in navy blue sheer with navy accessories.

The bride's going away outfit was a powder blue gabardine suit with navy accessories and a green orchid corsage. After a trip through the United States, the couple will reside in Campbellville.

Council Dissatisfied With Delay On Sewage Plans

park in the morning when enroute to the Waterloo Band Festival.

The building by-law was read by Council as drafted and amended as required and will appear again with revisions.

A resolution was passed rescinding the motion making Augustus Clifford a permanent employee and unemployment insurance was to be paid for this employee.

Tenders were received for six picnic benches for the park. The tender of Acton Woodcrafts for \$50.50 per table was accepted and six tables were to be made.

In view of the present unsatisfactory arrangements regarding municipal insurance the following resolution was passed: That we rescind resolution re insurance dated March 7th, 1949, as of this date, and that the clerk advertise for all insurance in September as per present coverage, new policies to be issued upon expiration of bulk of present policies, any or no tender not necessarily accepted.

A letter from the Department of Municipal Affairs gave notice of a one day school in Milton on June 17th and all officials who are able will attend.

The agreement with the Municipal Service Co. for numbering of houses and making revised street plans was presented to Council. The work will be done by August 15th. The agreement was satisfactory.

A letter from the Inspection department of the Hydro advised that the wiring in the Town Hall needed modernizing.

The Clerk reported new forms that must be filled in monthly for the Department of Highways in order to secure the grant.

A copy of the letter sent by Halton County Health Unit to Wartime Housing Corporation re sanitary conditions was read. It was pointed out this unsatisfactory condition was now being rectified.

A by-law to authorize construction of an addition to the pump house and purchase a pump as recommended by Superintendent Wilson was passed by Council. The pump will cost \$2800 and engine and starter approximately \$750. Building will cost about \$1000 and wiring about \$500.

Council adjourned at 1.40 a.m. to meet again on Tuesday, June 7th to complete unfinished business.

At the adjourned meeting of Acton Council on Tuesday evening all were present except Councillor Nicol. Arrangements were not completed for the meeting at the park with the Swimming Pool Committee.

Permission was granted the Lakeside Chapter IODE to have a garden party in the park on June 17th.

Council discussed the use of salt for the icy roads in the winter instead of sand and calcium. If it were to be used the requisition should be made in the summer when supplies were brought in. Council decided that about five tons would be required.

An invitation was received for the Reeve, Deputy Reeve and the Councillors and officials to attend the Centennial in Nassagaweya and Council considered arranging co-operation with the neighbouring township on this occasion.

A letter from the Liquor Control Board enclosed a cheque for \$633.75 as the municipality's share of the license in Acton.

A letter from the National Research Commission gave a list of material that was available for municipalities.

The Clerk reported arrangements had been made to repair the pump on the fire truck. It would be repaired at the factory in three days.

The Clerk read a quotation on a new fire truck equipped for \$5,315.00 from the Commercial Credit Corporation in Hamilton.

Council discussed at some length the sewerage plans and the delay that had been experienced by the present engineer following the meeting in February since which nothing had been done. The Clerk was instructed to write engineer Anderson telling him his services were no longer required and requesting that he return all plans that were the property of the town. The Clerk was to write another firm of engineers to secure services and get the work started. It was desired to have tenders called this summer so that work could be started this fall or early next season.

Halton Choir Organize Highly Successful Festival

Dr. Cooper, London, England is Adjudicator—County Well Represented—Keen Competition

On June 4th at St. Paul's Church Sunday School Room in the afternoon and the North Halton High School in the evening, a festival of interest to all in the County was sponsored by the Halton Male Choir.

At this time the choir distributed surplus funds in scholarships and prizes as was the intention of its founder, Mr. Dr. Witt Galloway. Entries were received from all over Halton County and each section was well represented.

Everyone present at the Festival paid tribute to the brilliant adjudicator, Dr. Reginald Cooper, Mus. D., Ph.C., F.T.C.L., of Trinity College of Music, London, England. He is the noted leader of the Sheffield Orpheus Choir and had widespread experience as an adjudicator. Mr. Cooper was last year in Africa and toured through the length and breadth of that huge country as a representative of Trinity College of Music. This visit to Canada coincided happily with the Festival of Halton Male Choir who were fortunate in securing his services. Immediately following his appearance in Milton, Dr. Cooper left for an extended trip across Canada to Sioux Lookout and then to Victoria and will spend the rest of the year in Australia and New Zealand before appearing in Palestine on behalf of Trinity College.

The Competition for highest standing was extremely keen in all classes and the standards of performance were upheld to Dr. Cooper's exacting tastes.

Gerald Homewood, 11, of Guelph Junction took top honours in the class for boys unchanged voices, followed very closely by Martin Davenport, 12, Rockwood with 2nd, Leonard Berry, 11, Milton third and Hobby Lush, 11, Lowville, and Robt. Tracey, 12, Georgetown tied for fourth.

In girls voices age 10-14, Donna McMillan, 11, Rockwood, earned 1st prize in a close well matched competition. Faye Clements, 12, of Milton, was a close second. Marjorie Scott, 14, Hornby, 3rd, Patricia Carney, 12, Norval, 4th.

Piano Solo under 15 was carried off by Ruth Wilson, 13, grade 5 in music, Norval, with an excellent performance of a difficult number.

Piano solo under 21 was won by Crawford Douglas, 18, Speyside, closely followed by Margaret McDougall, 20, Milton.

In Piano Solo under 18, Norma Brown, 15, Campbellville, received first prize. Jeanette Foster, Milton, second prize.

In Bass Baritone Solo under 21, Tom Foster, 18, Lowville, won 2nd and Peter McPhail, 17, Burlington, third.

Jane Seymour, 16, Burlington, won second in Soprano Solo under 21.

In an open class Laurie Stevenson, 11, Milton, took first prize in violin solo and Margaret Galbraith, 12, Hornby, second in Violin solo.

Marion Readhead, 20, Lowville, took first place in the Mezzo-Soprano Solo class under 21 with Norma Brown, 15, Campbellville, second.

All Competitions were marked by good sportsmanship and general satisfaction as to choices.

Dr. Cooper instructed the young people to note phrasing of words to get good grammatical meaning, to absorb the feeling in the music and notes will follow without conscious effort. He advised them that a consonant shapes a word and the vowel colours the word. Try to imagine the music in a picture and sing to it, putting facial expression to the picture and always be natural! The performer should fit his mood to the musical rhythm which will dictate itself to him. He stated that we cannot all win and congratulated those who competed but did not win as brave attempts honestly put forward. Dr. Cooper completed his remarks by saying that we must strive for perfection but hope never to attain it. Once we have reached our goal we should aim again higher as we cannot remain where we are but must fall unless we have a higher goal to work toward.

Mr. Robert Elliot of Campbellville, executive, Mr. Maurice Readhead, Lowville, Vice President, Mr. William Lethbridge, Milton, accompanist of the choir, presented the awards. While Dr. Cooper and Mr. Lethbridge selected the scholarship winners, Maurice Readhead paid tribute to Mr. Alec Pudwell for his effort and outstanding success in bringing young people to the fore musically and for his very successful Halton Male Choir. He stated that the efforts of Mr. Pudwell made events such as the choir festival possible and benefited the whole County. He praised his results with previously untainted voices and experienced singers in moulding them together into a choir which is making a name for Halton. Mr. Pudwell concluded by announc-

20 to 4 Win For Georgetown Last Night Here

Visitors Piled up 10 Runs in First Innings and Had No Difficulty

If an experienced hurler isn't available to Acton Intermediates in the near future to toil as a starting pitcher, it's unlikely they will win many more games this semester. Last night they dropped a humiliating 20-4 decision to Georgetown in a twilight affair here for their third loss in five starts. Again it was the lack of a capable starter on the mound that started the ball rolling in the wrong direction.

Spotting Georgetown ten runs in the first inning they never came close enough to make it interesting. It was in truth the spindliest effort seen here in a decade from an Intermediate club. In addition, despite an overwhelming count against them in the last few innings club officials tried to ham their end of the piece up too, with a temperamental display of vociferous protests, wild accusations and poor sportsmanship.

They hurled every type of brickbat and epithets at the umpire-challenged Chapelle's stance and prolonged the game. It had lost its interest to the limit. They were not alone in these tactics. Georgetown chimed in with their vicious. Finally Whiteman became so incensed he ejected Patterson from the contest and threatened similar action at the bench. There was no question as to where his sympathies lay.

Georgetown are not exactly the most popular club in the circuit to play here but they are entitled to the respect accorded other teams.

They drove Mel Jordan to the showers in the first inning after collecting nine runs at his expense. Acton summoned Harry Lawson to relieve Jordan in what was already a hopeless case. Discounting the eleven runs scored while he was in the box, Lawson hurled steady baseball. In fact it is the writer's guess that he might possibly have held Georgetown to a measly two or three runs if he had started the game.

However, Acton were held to three bingles by Chapelle. Georgetown's ace fork-axler, anyway. In the line-up were three Juniors while older more experienced players were benched in favour.

There needn't have been any fuss. Acton was trounced numerically, but definitely by a far superior team on the night's play. If changes were necessary they should have occurred in the first frame when every visitor scored once prior to the deluge.

Spike Scott playing the keystone, walloped two triples from Chapelle to make the only solid contribution to Acton's bid. Sam Snyder notched the only other hit pilfered from Chapelle—a single in the second.

Aiding his own cause, Chapelle clouted a triple in the first frame. Ken Storey surpassed this with an inside-the-park home run in the seventh with two aboard.

Acton resume the schedule here on Saturday against Fergus. Fans hope they will shed the lethargy plaguing them in the home stand and settle down to the brand of baseball of which they are capable.

HALL REUNION HELD AT CHURCHVILLE LAST SATURDAY

The 40th consecutive annual reunion of the Hall Clan was held on Saturday. It was held at the home of Mr. and Mrs. Ken Wilson, Churchville, and is the 127th anniversary of the Hall clan settling in Canada at Churchville from England.

The fiftieth anniversary reunion will be held at the home of Mr. and Mrs. Victor Hall, Hornby. The following officers were elected for the coming year: President, Mr. Henry Holm; Vice President, Ken Wilson; Secretary, Mrs. Lloyd Hall; Sports, Mrs. Percy Hall.

A member was appointed from each of the seven branches of the family to prepare a family history. A number of letters were read from those unable to attend. There were nearly 100 in attendance at the reunion.

Five Dollar Scholarships were won by Gerald Homewood, Donna McMillan, Ruth Wilson, Tom Foster, Peter McPhail, Jane Seymour and Marion Readhead.

All contestants to gain first prize must receive 85 or more points, second 82½, third 80. Many contestants achieved excellent standing with greater than 85 points.
