Recollections of Acton

BACK IN 1899

Taken from the Issue of The Free Press, of Thursday, June 23rd, 1899

The builders are just now completing an addition to Mrs Henry Bauer's residence on Arthur Street. It was a very general satisfaction to see the G T R trackman return to work on Monday morning and to understand that the big strike was ended.

The semi-annual examinations of the pupils of Acton Public School will be held next Tuesday in the afternoon. The five departments will be open to visitors and it will be of interest to the parents and guardians to be present to observe the standing of the scholars as they enter upon the long summer vacation.

Monday evening was a perfect moonlight night, one of which poets might have sung. A large concourse of citizens and visitors spent the evening delightfully at the Epworth League Garden Party on the lawn of the Misses Laing, Agnes Street. The pretty flower girls, the attentive waiters, the tempting viands and toothsome refreshments contributed to the evening's enjoyment.

MARRIED
ROSS-MCDOWELL. At the residence of the bride's father on Wednesday, 14th June, by Rev. H. A. McPherson, David Ross, to Minnie, daughter of James McDowell, all of Esquimaux Township.

BACK IN 1929

From the Issue of The Free Press of Thursday, June 26th, 1929

Residents in the vicinity of Crewson's Corners observed a full grown deer one day last week.

The Anderson home on Peel St. has been sold to Mr. and Mrs. Angus Thompson.

The Duke of Devonshire Chapter of the IOOE had an enjoyable visit to the John Milton Chapter at Milton yesterday.

Early Wednesday morning the farm home of Mr. R. W. Lowry was found to be on fire and had gained considerable headway when discovered. Neighbours were summoned but were helpless to save either building or little of the contents.

Mr. Griffith, superintendent of the Ontario Memorial Co. plant, was joined here this week by Mrs. Griffith and their two children.

In the ball game this week Georgetown won 17-3 from the Acton boys and the girls defeated Galt 15-4 in Galt.

MARRIED

MCDONALD LOWRIE. On Saturday, June 15th, 1929, at St. Andrew's Church, Acton, by the Rev. P. A. Sawyer, Betty, daughter of Robert W. and the late Mrs. Lowry, to Charles, Wilfred, youngest son of the late Mr. and Mrs. Wm. McDonald of Acton.

LEADER NELLIS. At the home of the bride's parents, Nassagaweya on Saturday, June 15th, 1929, by the Rev. C. L. Poole, H. D. Ada, the bride's second daughter, to Mr. William M. Leader of Streetsville, Ont., and of Mr. and Mrs. William Leader of Orton, Ont.

NEW MARKETS PAY OFF

Perhaps the most striking single fact that comes from an analysis of trading this year to date is that new markets and new export lines are paying off handsomely as Canada seeks to maintain her foreign trade in fact of tightening world restrictions and controls reports The Financial Post.

For example, our trade with sterling countries other than U.K. and B.W.I. is higher to date by 55 per cent than a year ago. That's only because India jumped her purchases from \$6 millions to \$33 millions, Pakistan from \$100,000 to \$44 millions in the first four months of this year.

Silver Collection in Aid of Acton Y's Men's Community Work

... well
practically unanimous

You can still find people who "don't believe in banks" . . . who keep their cash in old coffee pots, or hide it in the woodpile, or carry it around.

But most folk nowadays keep their money in bank accounts. They can get it whenever they want it; and they can pay their bills by cheque. Canadians have more than seven million such deposit accounts.

In terms of Canada's adult population, that makes it practically unanimous.

The banks, in turn, know they must earn this confidence by giving you the best service they know how.

Today you can take your account to any bank you choose. And what is in your bank book is strictly between you and your bank. It is your own private business.
