MAKING COINS

The Royal Mint in Britain is making 100 thousand sovereigns which will never be used as money They will remain as part of the nation's gold reserve and will not be issued to the public. These gold coins are being struck for a very special purpose, to preserve the inherited knowledge and craftsmanship in making gold coins. The craft of gold coming requires a different technique from that used for other metals

NOTICE!

All amounts for Dog Tax and Poll Tax for the year 1949, remaining unpaid on July 1st next, will be handed in for collection. This will result in a penalty being added

All are advised to pay anything owing by way of above taxes so as to avoid this extra penalty .

E. E. HARROP, Chief of Police

Thanks . . .

I wish to thank most sincerely all those who voted for me in the recent election. Considering the results across the Dominion I feel that the Progressive Conservative Party in Halton made a very creditable showing due to the zeal and splendid support of those who worked with me. Owing to their political beliefs differing from mine, I appreciate the opinion of those who found themselves unable to support me and I trust that in the future I may be able to render whatever service is required of me in this community and throughout the County of Halton.
