Hello Homemakers! Peaches and cream whether we are talking of complexions or the luscious fruit, are wonderful. We cannot be too choosey about peaches this year. We'll take what we get and make good use of them while they last. They are delicious to serve at the beginning of a meal, to top off a meal or snack between meals.

Fully ripened peaches make a speedy and scrumptious dish. Skin slice and serve with a sprinkle of fine sugar and cream. Nowadays we are prepared since we keep a can of Pet evaporated cream on the shelf. Without refrigeration the can can be cooled in a short time by placing it in cold water.

We slice peaches into pastry dough for an open face pie, or put them in a cake pan then cover with batter, or between slices of fresh shortcake and serve with melba sauce. The latter can be prepared ahead of time using cooked batter. Crush cold fresh sliced red currants or raspberries and thicken with a pack of cornstarch of 4 tsp. mix to ¼ cup cold water. Cool and chill.

Honeyed peaches are an extra special treat. Wash and rub six peaches well with a cloth to remove fuzz. Place in heavy pan and add 1 cup of water, ½ cup honey, 1 tbsp. lemon juice and 1 tsp. grated lemon rind. Cover and simmer gently until peaches are tender. Remove peaches to serving dish. Boil syrup rapidly until reduced to about ½ cup. Pour over peaches and chill.

PEACH ROLL

1 cup sifted flour
1½ teaspoons baking powder
¼ teaspoon salt
2 tablespoons shortening
2 to 4 tablespoons ice water
2 cups sliced peaches
¼ to ½ cup brown sugar
2 teaspoons butter
Dash of nutmeg

Mix and sift flour, baking powder and salt. Cut in shortening and add enough ice water to make a stiff dough. Chill and roll into oblong sheet. Spread peaches over dough and add enough brown sugar to sweeten to taste. Sprinkle with a dash of nutmeg, roll up like a jelly roll and bake in a well greased baking dish in an oven at 450 degrees F. for half an hour. Bake with ½ cup water and 1 tablespoon melted butter and continue baking 20 minutes longer. Serve with cream or vanilla ice cream.

TAKE A TIP

Cool beaten egg whites to room temperature and they will reach greater volume when beaten.

Sprinkle a little flour over currants before adding to cake batter and they will not sink to the bottom.

Cut a head of lettuce in quarters and soak in cold water for about an hour. Carefully lift leaves and drain. Carefully lift leaves and drain. Carefully lift leaves and drain.

Mix 1 tbsp. [illegible] with cream and [illegible] cake with cream [illegible]

Mrs. J. M. suggests [illegible] section of draining leaves into the end of a bread pan before you put in the cream to bake. The juice runs in the bread instead of running over.

Mrs. H. D. says: Don't buy butter salt from the butcher? Just a pinch of smoked salt in hamburgs is a good variation.

BURLINGTON

At the last meeting of the town council held on Thursday evening last the council were quite unanimous in their decision that the only way survey in the Township of Nelson could be given sewage connection was by annexation.

Despite the long drought period of the early part of the summer there has been a good crop of fruits and vegetables in this district especially where irrigation was available. At the present time prices are not too brisk but the dry weather helped to prevent an over crop and a glut on the market, thus causing give away prices.

During the last few days the lake level has taken the most decided drop in six years. According to charts in the Beach Commission office a drop of approximately 4½ inches is shown for the three days, bringing the level about 18 inches lower than it was this time last year and the lowest recording shown for this time of year on the chart which goes back to 1943. Gazette

GEORGETOWN

The summer holidays have provided an opportunity for painting and decorating at both the public and high schools and this work is now in progress.

The new plastic glass boat produced in Georgetown by Kippin-Ker, a new company formed by Leonard J. Bell, head of Georgetown Clay-Products, made a good showing at the Civic Holiday boat races in Orillia when it placed 2nd in the class for 10 h.p. outboard motors in a ten mile race.

A recent business deal of interest is the purchase of the concrete block business established here by Ed Peters by Cheltenham Concrete Products. The business will continue to be operated in the building erected at the corner of the 9th Line and Paper Mill Road by Mr. Peters.

Georgetown United Church was the setting for the wedding at seven on Friday evening, July 29th, of Marjorie Aleta Kentner, only daughter of Mr. and Mrs. Howard Kentner and Jack Bailey, son of Mr. and Mrs. John Bailey. Rev. John M. Smith performed the ceremony.—*Herald.*

Chronicles of .. Ginger Farm

Written Specially for The Acton Free Press
GWENDOLINE P. CLARKE

Last week's column was written in between preparations for feeding the hens and with the uncertainty as to whether or not they were coming for supper. However I took a chance and it worked out all right. Instead of supper I had them for dinner next day.

So now that little job is over and the wheat turned out well considering the drought. After the wheat was threshed we were turned their attention to second crop hay cutting, raking and hauling it into the barn. And it was good to hear to record rain. Oats and barley are tall and in the field became sweet time the corn tall about drawing in all other rain so there is the long to go by. Today for me I have the weather fine but Bobby away to [illegible] Tomorrow there will be no [illegible] and I suppose it will rain. Me too! The life of Farming the uncertainty! But we are one of those [illegible] regarding [illegible] [illegible] and the pride [illegible] [illegible] [illegible]

[illegible] Mr. [illegible] [illegible] [illegible]
