\$648 32 Mr C W. Mason said a poplar tree near his property was in dangerous condition. He asked who could have the tree removed Council agreed to settle ownership of the property on which this tree stands Mr D Cripps complained that on

his 1950 assessment no allowance had been made for the buildings which had been removed Mr Cripps was told the procedure to follow to have this assessment rectified by the Court of Revision

Chief Harrop asked that more help be provided for the police force as there were not sufficient men for constant duty.

Mr. D Lindsay asked for better drainage from Victoria Avenue as the street water was now flooding his mill property. The road committee agreed to investigate and endeavour to rectify the situation

Mr. Whitney was present to discuss with Council the insurance coverage carried by the municipality. Council requested that Mr. Whitney submit a plan in writing so that policies, come due at the same time

Mr. Powell of the Halton Health Unit was present to discuss with Council the passing of a sanitary by-law. The unit was anxious to have this by-law passed so that more sanitary conditions could be enforced Council agreed to give this by-law consideration just as

MOR AS POSSIBLE. A by-law was passed extending the period of daylight saving time, from September 25th to November.

A by law to repeal the law goveming the operation of restaurants was passed and the new regulations! stated in the revised by-law that no juke boxes or noise making machines may be operated between 12 o'clock in the evening and seven e'clock in the morning.

Several trees about town were in a dangerous condition and should be removed. There were about seven trees that were damaged and these were listed by the town foreman Council also discussed the advisability of replacing trees when old ones were removed and Deputy-Reeve Tyler and Councillor McLeod were to bring in recommendations

for replanting Messrs. M Storey and M. McMillan on behalf of the Canadian Legion were present to discuss arrangements for the ceremonies in connection with the unveiling of the new additions to the Soldiers Monument. The ceremonies call for council entertaining visiting dignitaries at a civic luncheon and a proclamation of a public holiday on November 11th.

A letter from the Board of Transport Commissioners was read relative to the installation of a wig-wag at the Mill Street crossing., This question was having the necessary attention and Council would hear

Y.M.C.A. Secretary Addressed Students At Acton School

A brief address was given Tuesday by Mr Cliff Sutton, new "Y" Secretary to the students and teachers of the Acton High School. Stating his pleasure at meeting the entire student body, Mr. Sutton expressed the desire to be hereafter greeted as an established member of the community rather than a welcome stranger, and extended an invitation to all present

vis.t him at the "Y" at any time

for discussion with him concerning the fall and winter program Touching briefly on the Y.M CA philosophy the world over, he said that since the Young Man's Christian Association was first founded in the year 1844 it has been noted particulary for the good fellowship and service apirit shown by its members, also, that although the parents and officials contribute largely to the work of all Association's progress is indispensably

due to the ambitions and attitudes of the active members. In mentioning the Y.M.C.A.'s relation to the Church and Sunday School, he stated that the "Y" offers an excellent opportunity for the practice of Christian Philosophy in acts of every day life.

Voicing his respect for the co operation shown him by the Actor "Y" officials in matters relating to his responsibilities, he added that very keen concern was being displayed by the "Y" Board of Directors and the Y's Men's Club for the young people of Acton

With the addition of some new equipment and alterations to the building, giving scope for greater variety of program a pleasurable season is to be anticipated, he included in his remarks

In closing, Mr Sutton announced that in view of renovating within the building still to be completed. regular clauses are expected to commence around the middle of October and possibly earlier

Town Officials Confer on Acton's High School Plans

Committee Named To Investigate Possibility of Having Pupils Attend Guelph School

Last Thursday evening Acton ouncil. Public School Board and representatives of Acton on the North Halton High School District Board conferred with High School Inspectors, Duffin and Stewart re rarding the High School District in Halton The steps required to be taken to withdraw from the distric were outlined and the meeting gave consideration to using the Acton School for Public School purposes and arranging transportation and accommodation for pupils from Acton at the Guelph Cullegiate

While this step was not desirable, it was felt to be the only alternative in view of the move to abandon the Central School near Speyside and the need for more rooms for Public School number Acton necessitated prompt action. Thought was also given to retaining the lower grades in the Acton School and transport. 1 mg the Sentor grades to the Guelph ! School Spokesman of the meeting condemned the methods that had been used in building in the North Halton Schools and disapproved of inlargement of any of the Schools in the three towns Inspector Duffin pointed out that the buildings approved were for temporary pur isses and were not adequate for

High School needs No report was available from the nepartment's representatives on the recommendations of the Royal Commission report on Education and little guidance could be given in any plan on the future

Jones Chairman Thos Jones of the Public School Board and G. A. Dills. of the High School Board was appointed to make further enquiry lend, by the establishment of n and report back when all the costs are computed and a conference has been held with the Guelph Collegiate Board
