Various Items Concerning Activities in Communities Nearby Where Many of Our Readers are Interested

## ROCKWOOD

The September meeting of the Rockwood WCTU was held at the home of Mrs. Wm S. Gordon with a fair attendance. The devotional exercises were taken from "The White Ribbon Tidings" read by Mrs. Charles Joffe. Mrs. A. K. Thomas read letters of thanks from Mrs. J. Ayley, Mrs. S. Petty and Mrs. Frank Moore. Mrs. J. Oliver had charge of the "Clip Sheet".

The Community was saddened last week when word came from Guelph that Mr. Thomas Weatherston passed away suddenly while at work. The late Mr. Weatherston was employed at one time by the M. P. Barry and Co. turnip shipping concern and later by the Highway Department.

The funeral took place last Thursday with service at his late home. Rev. John Oliver was in charge. A large number were present to pay their respects to one so well known in the community. Numerous floral wreaths bore silent testimony to the high esteem in which the deceased was held. Interment took place in Rockwood Cemetery with Rev. J. Oliver conducting the service. Pall bearers were Messrs. Roy Young, Fred Allan, D. Gerrie, Arch Mc-Nabb, Stanley Stewart, and John Wilson, of Guelph. Mr. Geo. H. Pearen and Mr. James William of Owen Sound were honorary bearers.

The sympathy of the community goes out to Mrs. Weatherston and members of the family. Ted, of Guelph, Mrs. A. McLeod, Mrs. of Guelph and Mrs. Fred Moore of Rockwood in their bereavement.

Anniversary services at the Presbyterian Church on Sunday were largely attended with fine autumn weather prevailing. Rev. W. A. Young of the O.A.C., Guelph, was present for the morning service. Special music was provided by the choir, with quartette numbers by Messrs. E. N. Confort of the Stone Church, Albert Gray, Elmer Bales, and Gordon McPhail. The interior of the Church was a place of beauty with various autumn flowers. Rev. Fred Williamson was present and conducted the service. For the evening service, Rev. Walter McLeary of Elora was present with the choir of the Stone Church taking part which was much appreciated by the large audience. The United Church evening service was dispensed with to enable them to be present. Monday evening a turkey supper was served in the basement which was enjoyed by a large number who were present to do justice to the good things provided. Following supper a variety program was another feature of the evening, with Rev. F. Williamson as chairman. One item on the program was the piano selections by Ted Jewel who attends the Guelph Collegiate Institute.

Owing to anniversary services at Eden Mills next Sunday no service in the Presbyterian Church here. Mr. and Mrs. Ross Allan and family of Toronto were up and attended anniversary services.

Mrs. Frank Bolger of Toronto was a week-end visitor with her parents, Mr. and Mrs. Herb Gibbons.

Rev. James Gordon of Weston accompanied by his daughter, Mrs. S. McCallum of Montreal and two grand-daughters, Betty and Ann, were recent visitors with Mr. Wm. S. Gordon and niece, Mrs. Earl Brown and Mrs. Arnold Sinclair, also nephew Ross Gordon.

Rev. J. H. Geophegan, Rector of St. Paul's Church, Woodstock, conducted the service at St. John's Church on Sunday.

## OSPRINGE

Mr. and Mrs. Gordon Aitken and baby of Guelph were recent guests with Mr. and Mrs. Murdo McCutcheon and Muriel.

Mrs. Flora McKenzie, of Guelph, spent the week-end with her son and daughter-in-law, Mr. and Mrs. Norman McKenzie.

Mrs. W. J. Jackson visited over the week-end with Mr. and Mrs. Alf Winter and family, Oustic.

Mrs. S. Grundy, of Guelph, was a week-end visitor with her son and family. Mr. and Mrs. George Grundy.

Rally Day was observed at the local church on Sunday with Mr. Allan Valr B.A. in charge. Misses Shirley, Joyce, and Marjorie Chester sang very sweetly "In the beautiful garden of prayer", accompanied by Mrs. G. Sunter. Mr. Ward Bruce presented bibles to the following scholars for regular and faithful attendance: Misses Joan Aitken, Audrey Grundy and Ralph Sinclair, Keith Sinclair and Robert Grundy. Mr. Valr brought a message in keeping with Rally Day.

## NASSAGAWEYA

R. S. No. 7

Many ladies in this section were busy Monday preparing the turkey supper and concert sponsored by the Ladies Aid of Nassagaweya Presbyterian Church. Over four hundred attended.

Congratulations to Mr. and Mrs. Martin F. Mullen (nee Verma Britton), Bradford, upon the arrival of a daughter.

Mr. and Mrs. David Henderson left suddenly for Kenney, Manitoba, upon receiving word of the death of her mother, Mrs. J. A. Carnahan who had been ill the past year or more having suffered a stroke and the sudden passing of her brother, John James (Jim). Mrs. Henderson lost her father the last of July. Heartfelt sympathy goes to her in the passing of loved ones.

We are pleased to report that Mr. Joseph Frank Sr. who has been ill is improving.

Guests of Mrs. Hannah Wilson and Mr. J. W. Wilson on Sunday were Mr. and Mrs. Albert Harris, Acton, Miss Margaret Irving, Campbellville and Mr. and Mrs. H. C. Playter, Freeleton.

Mr. and Mrs. J. J. Kennedy were guests of their daughter Mr. and Mrs. Edgar Howden, R.R. 5, Milton on Sunday.

Those attending Milton Fair remarked on the splendid exhibits, displays and midway.

Because of nearby towns remaining on Daylight Saving this section find it more convenient if not suitable but Monday was a day of not knowing what the time was with clock and radio programs at variance.

The WMS of Nassagaweya Presbyterian Church have been fortunate in obtaining Mrs. Kregel, Toronto, a returned missionary from Brazil, as guest speaker for their Thank Offering meeting.

Ladies of Nassagaweya Presbyterian Church attended a tea meeting held by Campbellville WMS last Wednesday afternoon when Miss Ethel Chapman was the guest speaker. Her topic, given in the friendly, pleasant manner on poetry, its appreciation, beauty of words and music and story told in a few words held the interest of all. The hospitality of Campbellville WMS was enjoyed.

This community assisted and attended the presentation for Mr. and Mrs. Melvin Storey at Brookville Hall last Tuesday evening. All joined in wishing this happy couple many years of happiness and prosperity through the years.

A's 3-1 In First Semi-Final

(Continued From Page One)

don Majors, the Arrows combed Bill Leader for eleven base hits—many of them for extra bases. It is a fact that Leader never gave up more than seven hits in any one game prior to Saturday; that's an indication of the visitors' power at the plate.

They hammered Leader's fast ball for plenty of extra bases. And that is the offering Leader usually reserves to finish a batter.

Acton, meanwhile, collected eleven safeties from Gilles, a right-hander with a "stuff" on the ball. But Gilles, except for the first inning when A's scored their orphan run was effective in the pinches.

Only other time he was in trouble was in the eighth when the base umpire raved to his rescue. That controversial decision undoubtedly cost Acton the game and could result in a series loss.

Acton's lone run was batted in by Masales. Runstadler scored it in the first after singling and going to second as Footitt attempted third on the same blow. The centre fielder threw a strike to third tagging Footitt while Runstadler pulled up safe at second. Lindsay's drive was muffed allowing Runstadler to advance to third when Masales bloomed behind Gilles, he scored.

Two errors from Runstadler and a bobble from Masters let Gilles score the tying run in the seventh.

Then a triple from Evans, single by Gilles and double from Jones scored both runners with the edge.

Jack Waterhouse and Bob Footitt played outstanding games afield for Acton while Bailey at second and Gilles shone for Strathroy.

# REGULATIONS

applying to certain uses of ELECTRICITY IN ONTARIO

The Hydro-Electric Power Commission of Ontario announces the following regulations made under the Power Commission Act and to become effective October 1st, 1949.

### PART I WATER HEATERS

- (1) Unless water heaters operated by electrical power are:
  - (a) equipped with thermostatic control, and
  - (b) installed in or on tanks which are thermally insulated with a minimum of 1 inch in thickness of glass or glass wool insulation, or other material having at least the same heat insulating capacity,
- (2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.
- (3) No person shall take any electrical power received from the Commission and use it for the operation of water heaters in a manner contrary to the provisions of subregulation 1.

### PART II SPACE HEATERS

- (1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for the operation of air heaters, grates, radiators, heaters or any other device for space heating in hotels, tourist homes, shops, offices, commercial premises and, except in the case of schools, residences.
- (2) No person shall take from any municipality or municipal commission any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.
- (3) No person shall take any electrical power received from the Commission and use it in a manner contrary to the provisions of subregulation 1.
- (4) Subregulation 1, 2 and 3 shall not apply to:
  - (a) water pumping stations,
  - (b) telephone relay, and repeater stations,
  - (c) radio beam stations, and
  - (d) municipally owned electric substations, where so person is regularly in attendance.

### PART III LIGHTING

- (1) No municipality or municipal commission receiving electrical power from the Commission shall supply or use or permit to be supplied or used by any person electrical power or any part thereof for:
  - (a) subject to subregulation 2, lighting of interiors of shops, show windows and office except:
    - (i) not more than 1 watt per square foot of gross floor-area of a shop during business hours, and after cessation of business with the public not more than 1 watt per square foot of the gross floor-area of that part of the shop where the staff is actually working,
    - (ii) not more than 10 watts per linear foot of width of show windows of shops between 4:30 p.m. and 9 p.m. and only while the shop is open for business,
    - (iii) not more than 2 watts per square foot of gross floor-area of an office during office hours, and after office hours not more than 2 watts per square foot of gross floor-area of that part of the office where the staff is actually working,
    - (iv) for the protection of property after business hours not more than 5 watts per 100 square feet of gross floor-area of a shop or office, or 40 watts per shop or office whichever is the greater,
  - (b) lighting of exterior signs,
  - (c) exterior flood or outline-lighting for decorative, festive, or ornamental or advertising purposes,
  - (d) lighting of out-door Christmas trees,
  - (e) lighting of parking-lots, used-car lots, service stations, out-door industrial premises and out-door playing fields except:
    - (i) not more than 10 watts per 100 square feet of parking-lot space while open for business,
    - (ii) not more than 10 watts per 100 square feet of that portion of used-car lots used for display space while open for business and not more than 5 watts per 100 square feet of the used-car lot after cessation of business,
    - (iii) not more than 40 watts per grossing pump as a service station, exclusive of lighting not exceeding 25 watts inside the pump-motor compartment, while the service station is open for business,
    - (iv) not more than 10 watts per 100 square
- (2) In these regulations,
  - (a) "shop" means any building or a portion of a building, booth, stall or place where goods are handled or exposed or offered for sale, or where goods are manufactured and which is not a factory, but shall not include any part of a building used for office purposes, and
  - (b) "office" shall mean a building or part of a building occupied and used for office purposes only.

### PENALTY PROVIDED BY THE POWER COMMISSION ACT FOR VIOLATION OF REGULATIONS

Any person refusing or neglecting to comply with any direction, order, regulation, restriction, prohibition or control made or exercised by the Commission under this section shall be guilty of an offence and in addition to any other liability incur a penalty of not less than \$100 and not more than \$500 and a further penalty of not less than \$100 and not more than \$500 for each and every separate day upon which such refusal or neglect is repeated or continued.

The penalties imposed by or under the authority of this section shall be recoverable under The Summary Convictions Act.

If further clarification is required please contact your local Hydro office.

# Improved Handling of Emergent Telephone Calls

It was decided at a meeting held recently, between Representatives of the Town, and the Bell Telephone Co., that the flood of curiosity calls to Central in cases of fire, is not in the best interests of the community.

It was agreed that only a limited number of people could do anything effective when a fire occurs. Under such emergent conditions, it is desirable that the promptest, possible service should be given to these particular persons who carry the responsibility for bringing our fire fighting equipment and personnel into action.

It was pointed out that other emergent situations could arise simultaneously with the sounding of the fire alarm. Under existing conditions, emergency calls arising therefrom might be delayed because of the flood of curiosity calls.

After very thorough study of all the factors involved it was decided that Central should give fire location information on calls from certain designated telephones only. On calls from all other telephones Central will advise "We do not give that information". The change effective October 1st, 1949, will insure prompt dispatch of all emergent telephone calls, and should meet with general public approval.
