Many Parents Save Family Allowances For Their Children

Monthly Cheques Will Pay For Education or Other Future Expenses

As a parent, you may be interested in the constructive way thousands of Canadian parents are using their Family Allowance payments. They do not feel the need for using this money for the immediate requirements of their children. Instead they regard these cheques as instalments toward buying their children the golden key to tomorrow's opportunities — education.

So, every month, these parents deposit all or part of their Family Allowances in special savings accounts at the Bank of Montreal. They know that, if these cheques go into a child's own bank account from the first, he will have over \$1,000 to his credit at the age of 16 — a fine financial backing for a college education.

Besides, when he is old enough, you can encourage your youngster to add to this fund by regularly saving something himself — out of pocket-money or earnings from his newspaper route. The savings habit, will benefit him all his life. And, in the event of emergency or opportunity, this money makes a valuable extra reserve.

William Clayton, local B of M manager, invites you to open an "education" account at his branch. Drop in when your next Family Allowance cheque arrives.

Recollections of Acton BACK IN 1899

Taken from the issue of the Free Press of Thursday, Nov. 9, 1899

The exterior of the new Baptist Church is now completed except for the painting and finishing work. The spire has considerably improved the appearance of the edifice.

General regret is felt at the decision of Mr. John H. Matthews to remove from Acton. During the week he has sold his harness business to Mr. Arch Cameron, from Bolton and purchased a business in Shelburne.

Messrs. Edward and A. E. Nicklin and Mrs. Alex H. Brown and Mr. Richard Brown went to Aberfoyle on Monday to attend the funeral of the late Richard Nicklin.

Several new families have moved to town this week.

Mr. A. T. Brown has been confined to his room with a severe attack of grip during the past week.

Mr. and Mrs. D. Henderson, M. P. and Mrs. John Henderson, Dr. and Mrs. McKeague and Messrs. Charles, Milton Gordon and Thomas Henderson were in Georgetown yesterday attending the marriage of Mr. H. B. Henderson and Miss Jessie McLeod.

MARRIED
MELTON JACKSON, of Elm on Wednesday, 25th October, by Rev. Father Congrove, Henry Melton of Acton, to Miss Mavis Jackson of Salem.

A new \$20,000 telephone building is to be erected at Horby. Rev. C. L. Poole, B. D. will preach at the Anniversary in the United Church, Elm next Sunday evening.

L. C. Bull, Esq. has been appointed Police Magistrate for Peel in succession to late Magistrate Robert Crawford who died in August.

The Halloween Parade and Ghost Walk staged on Monday evening by Acton Citizens' Band and the Lakeside Chapter of the G.O.P.E. proved a real success.

Very successful anniversary services were observed in the United Church on Sunday. Rev. H. W. Avison, M.A. B.D. of High Park Avenue Church, Toronto was the preacher of the day.

MILTON

A flock of errors assisted Milton materially when they edged out Little Britain by a score of 6 to 3 in the first of a best two of three games in O.H.A. Intermediate C. playdown series for the Championship of Ontario, here last Saturday afternoon.

Hobgoblins and witches leading the parade were followed by ghost and children dressed in almost everything imagination could think of attended the third annual Halloween Party sponsored by the local Rotary Club at the Town Hall here last Monday night.

Four young Milton men who had been out hunting have been summoned to appear in Milton Magistrate's Court on a charge of discharging firearms on a public highway.

They were charged following an investigation conducted by Ontario Provincial Police when Alan Brooks, 17-year-old Brookville youth was wounded in the shoulder by a gun shot. After the 22 calibre bullet was removed in an operation at Guelph General Hospital he was taken to his home last Saturday afternoon. Canadian Champion

Rudolph Valentino received more fan mail than any other movie star before or since his time.
