Mackenzie News: The cold weather has made us in the arena and hockey talk for the winter. The Intermediate are starting the season with a dance Friday night. We don't know of any advantages of dancing for hockey training but the money will help in getting this new organization going. We have been able again this fall to get a good supply of steel roofing in stock. Last year our stock was all sold before spring and from that time on almost unavailable. We will be pleased to accept orders of this steel for spring delivery. The Intermediate hockey club have been kind enough to allow the Y. Men's Club to conduct their 7th annual Turkey Draw at their dance. See you at the dance Friday night.
