Mackenzie News
We were down to the Rink Friday night and wish to congratulate Bill Holloway, Godson Hunt, and Stew Elliott for their efforts in giving the youngsters a game when weather permits.
A really permanent improvement to your home is a new hardwood floor. In comparison to a good quality floor covering such as linoleum, tile or carpeting we wonder if hardwood flooring is so expensive. At a cost of 24c to 30c per square foot you can buy sufficient Birch flooring. Particularly serviceable is Birch at 26c per square foot, which on account of its close grain is easy to finish and easy to keep.
See you keeping an eye on the weather reports.
