Ops and then

Tuesday's storm was a wild Valentine.

People wonder? Which will settle the first? (The roads or the weather.)

It took a while to get plowed out on Tuesday and the going was heavy.

Yes, February had what the other winter months lacked—a real winter blizzard.

A real fast job of snow clearing was done on Tuesday in Acton after the big storm.

Dirt, mud, bumps and sewers might be a post-war adaptation of a well-known war slogan.

Work on sewers was interrupted by the snow storm but got back on construction on Wednesday.

Work on Acton sewers came to an abrupt stop on Monday. The weather was impossible for a whole day.

In spite of adverse weather, Harry Oakley has had good ice at the arena most nights. How he does it is Harry's secret but it's likely his constant attention that is largely responsible.

Don't know whose responsibility it is to enforce the by-law regarding clearing sidewalks of snow but there are a number of citizens who need a reminder that pedestrians still have some privileges.

Mr and Mrs John H Smith celebrated their 33rd wedding anniversary February 15th at the home of their daughter Mrs (Rev) Wm McDonald, 51 Cedar St. Galt.

NASSAGAWEYA FRIENDS PRESENT SHOWER OF GIFTS TO MR. AND MRS. SERVICE

No. 7 School, Nassagaweya, was again the scene of a happy gathering on Wednesday evening Feb. 9 when the friends and old school mates of Mr. and Mrs. George Service met to congratulate them on their recent marriage. An address of good wishes was read by Mrs. Ivan Armstrong. Mr. Robert Anderson, on behalf of the neighbours in Ebenezer district, presented them with a beautiful satin bound wool blanket and bath towels. Howard Frank and Mervyn MacLeod, Gerald and Henry MacLeod presented baskets of miscellaneous gifts from No. 7 section.

Mr. Service thanked all for their gifts and good wishes and lunch was served. Dancing was much enjoyed by all to music by Mr. Mitchell and Rod—Newman's—orchestra. Mr. Robert Hamilton, floor manager, moved a vote of thanks to the orchestra for a pleasant evening.

THE CRAWFORD-SHERWOOD WEDDING IN TRINITY CHAPEL AT KITCHENER

White snapdragons decorated Trinity Chapel, Kitchener, on January 28th for the wedding of Grace Sherwood, daughter of Mr. and Mrs. George Sherwood, R R 1, Rockwood, and Mr. Harvey Crawford, son of Mr. and Mrs. Hugh Crawford, of Hanover, Rev. Orville P. Hoad, B.A., B.D., officiated at the lovely candlelight ceremony.

Messrs F Robinson and L Allan representing the Eramosa Federation of Agriculture, asked Council to purchase 50 lbs of Warble Fly powder for the Township and the Council agreed on Motion of Messrs Cox and Rutherford.

On motion of Messrs Benham and Rutherford the clerk was authorized to strike six dogs off the roll and to refund \$3.00 to F. Anderson and \$2.00 to C Thring for over-paid dog tax.

ANOTHER HALTON HERD OF JERSEYS ESTABLISHED A FINE RECORD

One of the smaller herds in Halton County has come along with some good milk records in the herd of Kenneth Ella, Hornby, Ont, who is starting from the bottom up. The most recent returns are that of R.O.P. reports on "Rockwood Glance" -144871, 6 year old, with 12,386 lbs. and 608 lbs. fat, "Grove Farm Theresa Douel" -147701, 6 years old, with 11,792 lbs. milk and 537 lbs. fat and when Grove Farm finished her 305 day record her official R.O.P. test, she was milking 36 lbs. a day and tested 5.0 per cent. "Sporting Standard Star" -184017, 2 year old, with 7,420 lbs. milk, 390 lbs. fat, 5.26 test. These records are all in complete in 305 days. Maurice C. Beatty herd, Lindale Royal Day Dream -112977, 8,871 lbs. milk and 426 lbs. fat, Lindale Aynold Gladys -162617, 10,248 lbs. milk, 508 lbs. of fat, 5.8, was awarded the silver medal for a four-year-old.

Mr Gardiner has promised to put a permanent price floor under Canadian agriculture. At the coming session of Parliament, he told the Canadian Federation of Agriculture Convention at Niagara Falls the necessary legislation will be introduced.

It is to be hoped that Ottawa will consider this plan most carefully, says The Financial Post. If it does not the move may prove costly indeed for the taxpayers, costly indeed for Canadian agriculture.

CFA delegates only had to journey a few hundred yards to see for themselves just what can happen when the state steps in and subsidizes agriculture. Right across the Niagara River, American farmers have lost control of their own industry.

To American consumers, government price supports for agriculture have meant continuing scarcity and fantastically high prices; to the American taxpayers, an annual bill running into billions of dollars and with no limit in sight.

We don't want to see that disastrous experiment repeated in Canada. But we will unless Parliament faces its responsibility seriously. Every possible angle must be explored and brought into the open.

No responsible citizen wishes to have agriculture penalized. Regardless of where we live or where we work not one of us could escape the consequences. A depression along the concession lines cannot be isolated. But this does not mean that we should rush into ill-advised measures that in the end will do far more harm than a little temporary good.
