# WE ARE KEEPING OUR PROMISE

Two months ago when coal shortages forced us to reduce passenger train services, Canadian National promised that all these trains would be put back into normal service as soon as conjustified it. Now we are keeping our word.

# Full CNR Train Service Restored

As from Wednesday midnight, MARCH 8th, all trains in Canada that stopped running because of the coal shortage go back on their normal schedules.

To you, the public who gave us your understanding co-operation during this trying period, we extend our grateful thanks and say to you that the Canadian National will, as over many years, provide you with fast, reliable, up-to-date transportation.
