

Haltion Juniors' Annual "At Home" A Gala Event

The fifth annual "At Home" of the Haltion Junior Farmers held at the Brant Inn on Thursday evening of last week was largely attended by Juniors from all parts of the County. Guests were present from Haldimand, Lincoln, Peel, Waterloo, Welland, Westworth, Wellington, and York Counties. It was a gala event and the young ladies in particular presented a charming appearance. As a matter of fact taking the group as a whole they were a clean cut group of young people and a credit to Haltion County. Unfortunately we regret to admit there was a certain undesirable element present some might refer to them as "white trash" others as "smart Alecks" personally we shall content ourselves by referring to them as a group whose knowledge of social events has apparently been confined to rather "full belly" hot down or visits to certain "hot spots" which are termed public dances in some of our larger cen-

tres. In any event their presence marred what would otherwise have been a delightful event.

Needless to add the individuals referred to are not active Junior Farmers. We know that the Junior Farmer leaders of Haltion were as much disgusted and annoyed as the writer. Our readers can rest assured that if Haltion Juniors decide to stage a sixth annual "At Home" in 1951 invitations will be confined to those who do not find it necessary to come "fortified".

In making these detestful comments we do not want to take any credit away from the various committees representing the Juniors who were responsible for the event. Every detail had apparently received attention, and their organization functioned perfectly. They are to be commended particularly for their very tasteful and yet original dance programmes, their selection of the various dance numbers, and the courtesies extended to guests from points outside of Haltion. In the receiving line, president

Stanley Jay, and Miss Vera May representing Haltion Juniors had as patrons and patronesses, Mr. and Mrs. T. R. Hilliard of Toronto, the former being Associate Director of Extension for the Ontario Dept. of Agriculture; Rosie and Mrs. Geo. Currie of Epping Township; and Mr. and Mrs. J. E. Whitlock of Milton. Numbered among prominent guests were Dr. and Mrs. C. A. Martin of Milton, Mr. and Mrs. W. E. Brecken, Freeman; W. G. Merritt, Agricultural Representative for Westworth County; Mr. and Mrs. Jim McCullough, of Newmarket; Mr. and Mrs. M. C. Beatty; and Mr. and Mrs. A. T. Woodley, of Trafalgar Township.

Music for the evening was provided by Ron Wicken and his Orchestra, of Hamilton.

Weather Conditions Hard on Meats and Winter Wheat

The unusually mild weather coupled with heavy precipitation in the early winter together with the heavy frosts and raw winds of late would appear to be resulting in a heavy casualty list on the alfalfa and red clover meadows. This is not true to the same extent on the higher loamier and better drained fields. In general the fall wheat where not sown too late and where there is good surface drainage would appear to be coming through in fair shape. However, a good warm rain coupled with higher temperatures may receive some of the weaker stands of wheat. In any event we are in need of a good crop in 1950. The barns of Haltion have never been so empty for the time of year for a long time. With feed and grain and hay prices at their present level the fall and winter of 1949-50 has been a tough period for many a Haltion farmer. In any event our urban consumers would do well to realize that while the food bill comes high in general, even our best farmers, are working on a mighty narrow margin under present conditions.

Legume Cultures in Strong Demand

Cultures for the inoculation of clover and alfalfa are in unprecedented demand at the Agricultural Office, Milton, states Agricultural Representative J. E. Whitlock. Already this season they have found it necessary to replenish their supply from the Bacteriology Dept. at the O.A.C. on four different occasions. Apparently the same holds true in other sections of Ontario. In York County over 150 alfalfa cultures alone have been sold according to Jim McCullough, the Assistant Agriculture Represent-

ative. The purpose of the cultures is to provide the necessary bacteria in the soil to enable legume plants to take in the free nitrogen of the air. A local farmer informed Mr. Whitlock recently that he seeded alfalfa in 1949 both with and without cultures with a big difference in favour of the stand where the seed was first treated with the culture.

Milton and Palermo Juniors to Meet in Finals of Debating Series

The finals in the debating series sponsored by Haltion Juniors is to be held in the Milton High School on Thursday, April 27th at 8:30 p.m. The winners will be awarded the W. J. Dick Trophy for the year. The subject under debate is "Resolved that the drift of population from the country to the city has not thus far been a detriment to agriculture in Ontario." The Milton Club represented by Evelyn Course and Don Holmes will uphold the affirmative while Lorna Lawrence and Pete Fisher of the Palermo Club will support the negative.

ERIN

Opening the back door of his father's speeding car last Saturday night, Ross Hamberg, 5, of Calderon, tumbled to the pavement and was seriously injured. He is in Orangetown Hospital suffering from concussion.

Increase appears certain in the tax for Wellington County this year from the 8.5 mill rate which prevailed in 1949. Faced with the necessity of constructing accommodation at the Home for Aged, establishment of a county library unit, and a great number of repairs to buildings as well as many costs expected to raise the rate at least one-half mill.

A highly respected citizen of Erin Township passed away at his home in Hillsburgh on Monday April 3, 1950 in the person of Stanley Hall. Mr. Hall had been in failing health for the past year and was confined to his bed for the last ten days. Advocate.

GEORGETOWN

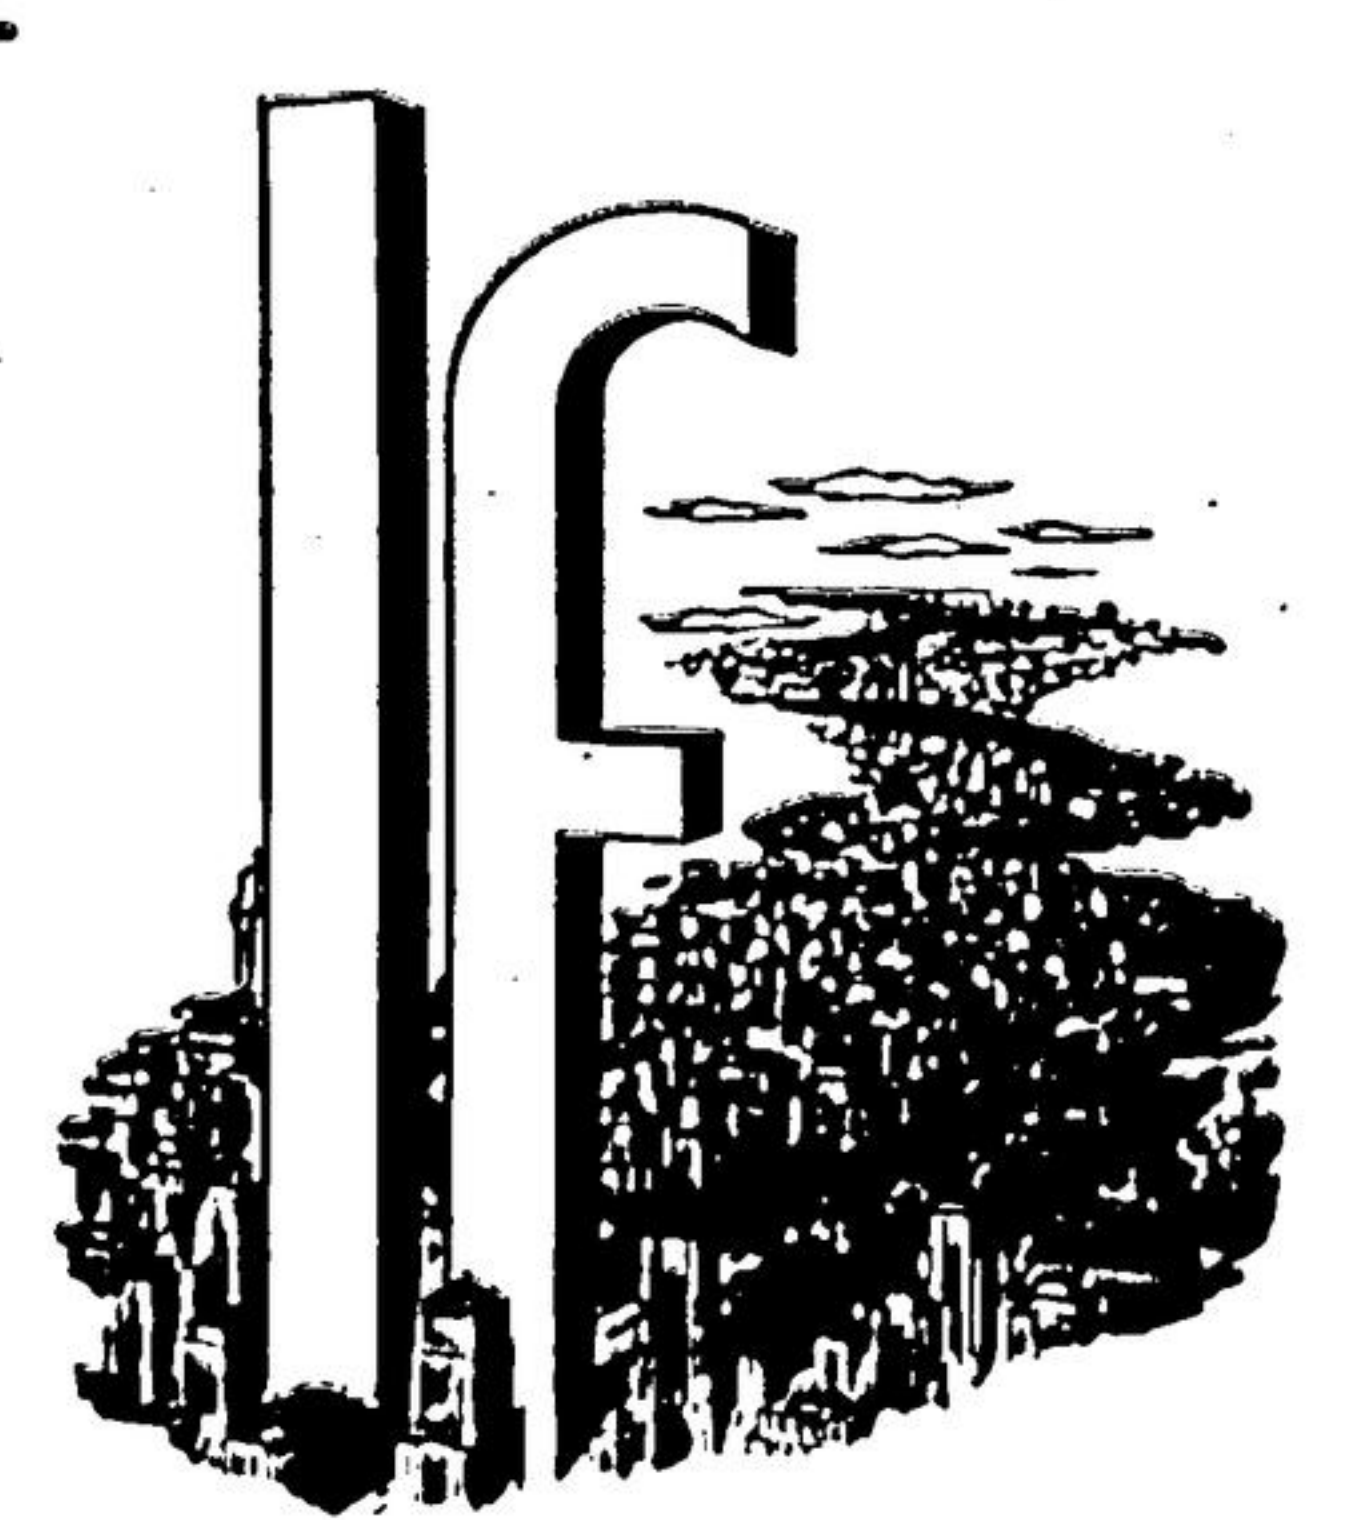

Alex MacLaren who for the past twelve years has been in charge of the Ontario Farm Service, former a department of the Ontario government, has resigned from that position to take a new job with the United Church of Canada. He will be in charge of immigration work and will have his headquarters in Montreal where members of the staff who speak several languages will meet all boats from Europe and help new citizens with problems of getting through the customs catching trains, etc.

Jack Sheffield, officer in charge of the local Provincial Police detachment has received a promotion to corporal. The promotion came through just before Easter and Mr. Sheffield is now sporting two gold stripes on his arm.

Smith & Stone retained the industrial hockey league trophy when they won 6-2 from Nutral Monday night. It was the third game of the finals. The first game was a tie and S & S won the next two games.

Following a short illness, Mrs. James Norton died at her home in Glen Williams on Wednesday, April 19th at the age of 58. Herald.

Arabis is sometimes referred to as Arabis.

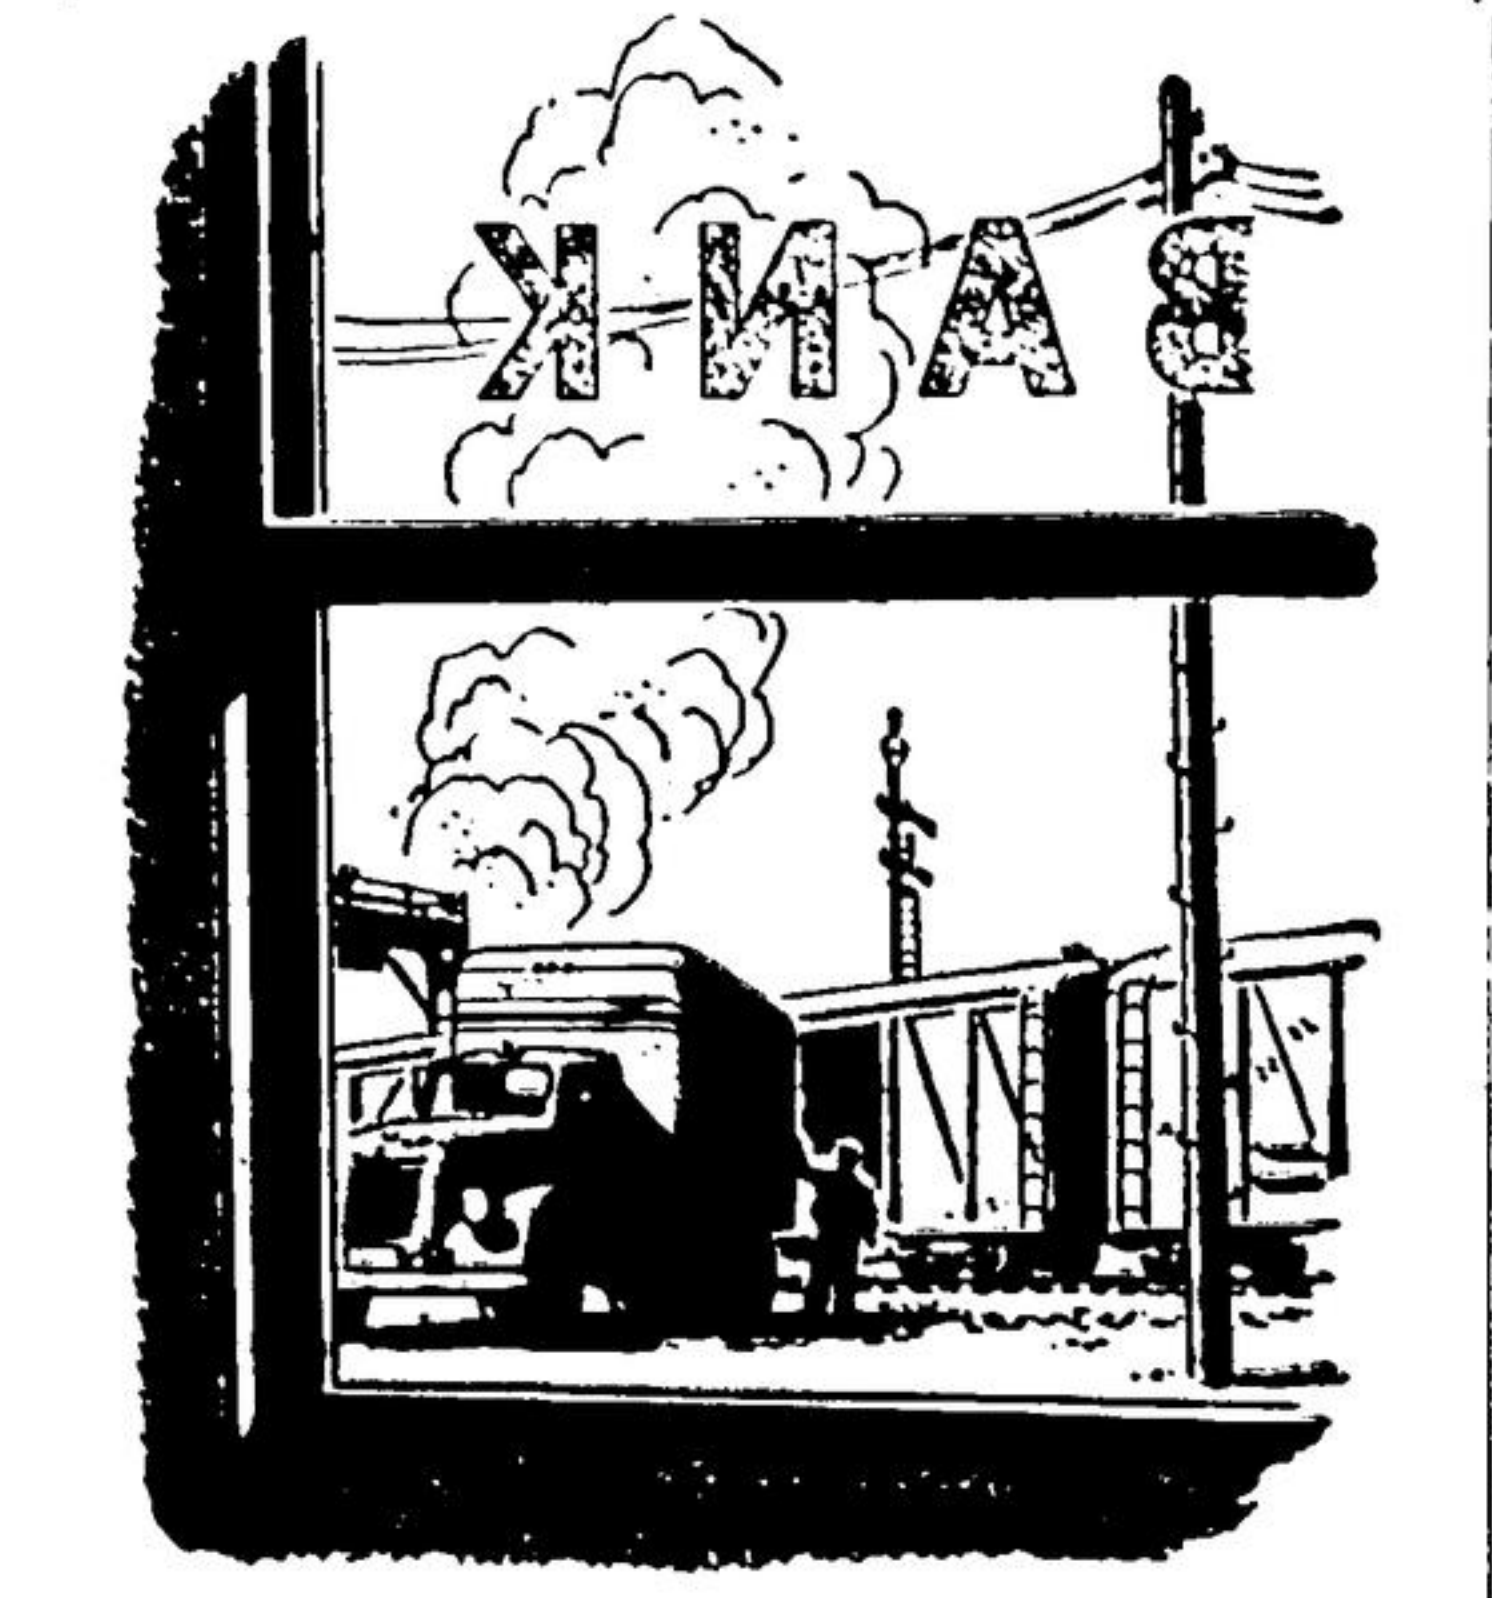

If all the people who work for the telephone company, And all the people who earn a living by making the things the telephone company needs, And all the people who have their savings invested in the telephone company, And all the people who depend on good telephone service to run their businesses and manage their homes; If all these people, with their families, lived in one city, This City-With-No-Name would be by far the largest in Canada, and one of the largest in the world. Keeping pace with the growing needs of communities everywhere for more and better telephone service has taken lots of work and lots of money. Only a financially healthy telephone company can carry on this big job. Telephone work, employees, shareholders - everyone has a vital interest in a service that means so much to the welfare of so many people. Market-place - 1950. Morning train and local bank - both are part of Brownville's daily life. They link Brownville with the whole outside world. Whether Brownville is a fishing port, farming centre, mining town or industrial city, most of its products must be sold "outside", many things brought in. And the local bank helps, serving as an essential link with far places. Your bank manager has available for you the resources, knowledge and experience of a banking system with branches throughout Canada and elsewhere and contacts in other parts of the world. He welcomes every opportunity to put them to work for you and the community he serves. SPONSORED BY YOUR BANK

CLEARING AUCTION SALE

Halstein Cattle, Percheron Horses, of Registered, Fully Accredited, Hags, Hens and Farm Implements

The undersigned have received instructions from

RUSSELL FOX to sell by public auction at his farm on No. 5 Highway at the village of Palermo on

WEDNESDAY, APRIL 26th

at 100 o'clock the following HORSES and HARNESS - 1 Black Percheron Mare in foal to Standard bred, 1 Black Percheron Mare, rising 7 yrs. old, wagon type; 1 Black Percheron Filly, rising 3 yrs. old; 1 Black Percheron Gelding, rising 2 yrs. old; 1 Bay Percheron Gelding, rising 2 yrs. old; 1 White Percheron Mare, aged; 1 Standard bred filly, 1 year old; 2 Sets Double Harness; Odd Collars, Blankets, Etc.

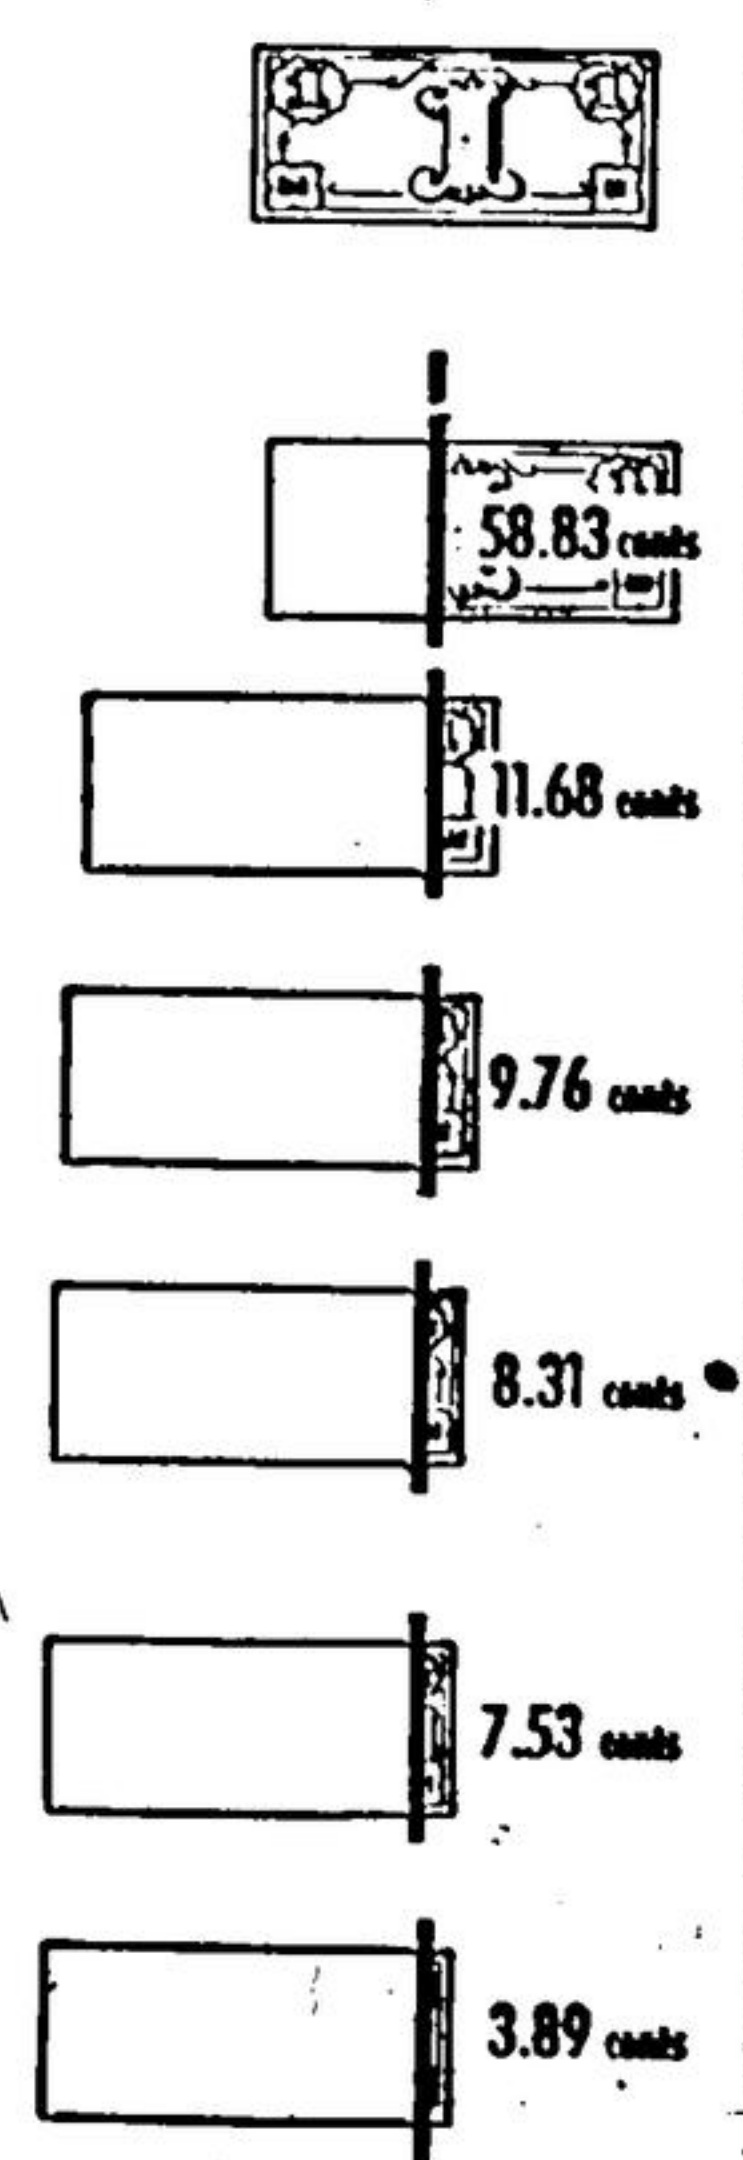

HOLSTEIN COWS and HEIFERS - Ideal Tidy Palmyra, 6 yrs. old, fresh; Dekol Johanna Fenderie, 3 yrs. old, fresh; Fradol Susie Rag Apple Dekol, 3 yrs. old, fresh; 3 more bred again; Jean Sagis Righte, 4 yrs. old, due in Aug.; Spruce Villa Cora Mercedes, 5 yrs. old, due in June; Palermo View Gypsy Pontiac, 4 yrs. old, due in July; Echo Ormsby Rag Apple Pathfinder, 7 yrs. old, due in June; Jeannus Dutchland Ideal, 8 yrs. old, bred Feb. 14; Palermo View Rag Apple Babe, 2 yrs. old; Texal Rag Apple Burke Jean, 1 yr. old; Colantha Rag Apple Julia A, 1 yr. old; Palermo View Jean Marcus, 1 yr. old; Holstein Heifer Calf, registered time of sale, Herd Sire, born Oct. 4, 1948, bred by Sheffield Farms, a grandson of Markman Blood, privileges of this herd previous to sale.

HOGS and POULTRY - 1 Mature York Sow, due May 5th; 1 Mature York Sow, not bred; 1 York Chunk about 125 lbs., 50 heavy Hens

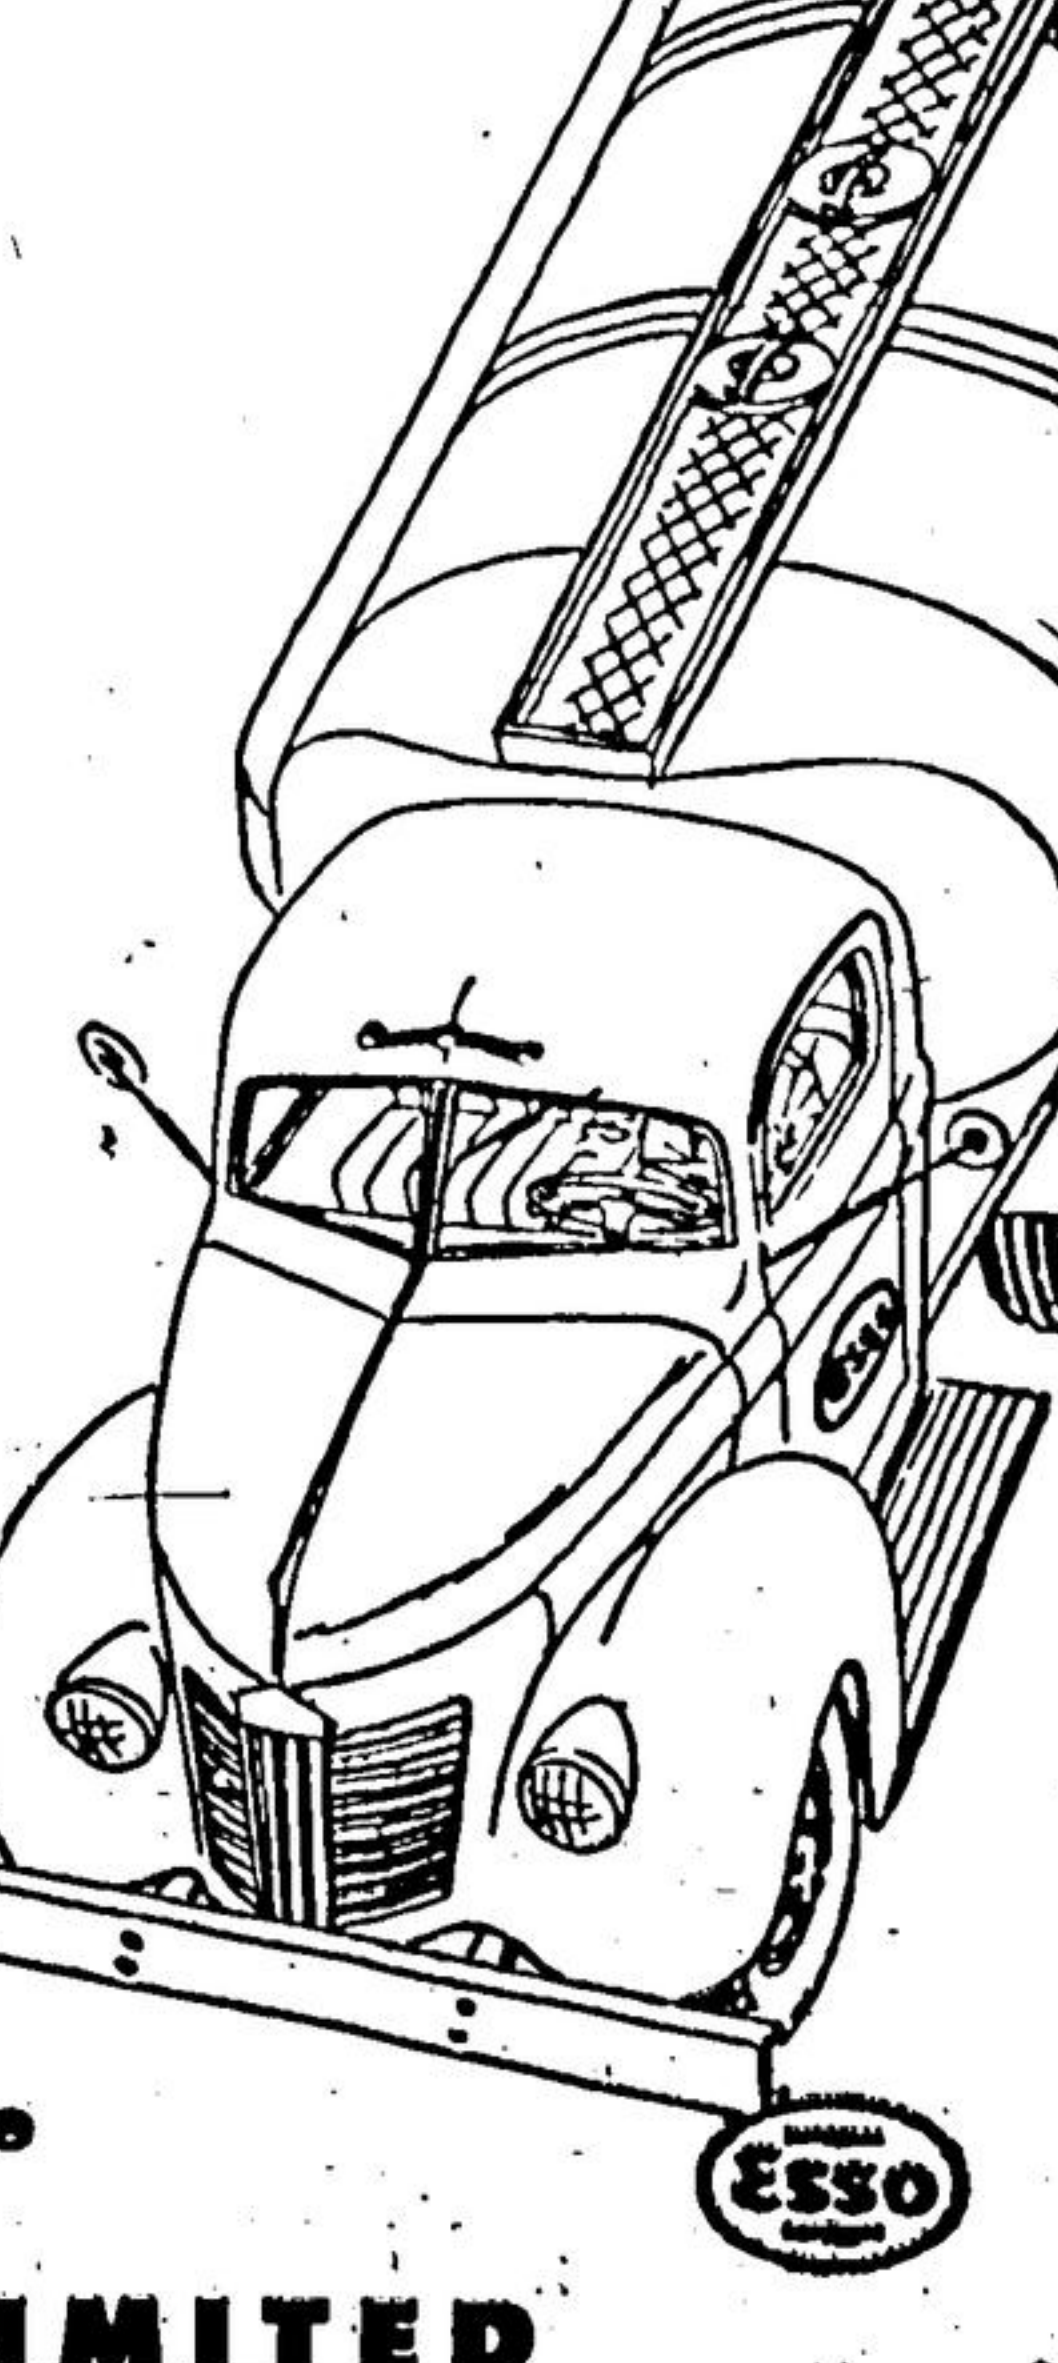

IMPLEMENTS - M.D. Grain Binder with forcartage, 6 ft.; M. H. Grain Binder, 6 ft. suitable for repairs; M.D. Mower, 5 ft.; Case Manure Spreader, almost new; Cock-shutt Corn Binder, like new; Cock-shutt No. 11 Grain and Fertilizer Drill with Tractor Hitch, like new; Double Disc; Set of Drag Cultivators; Spring Cultivator, 3 section; Steel Land Roller; 4 section seed Harrows; 3-row Corn Scuffler; Single Scuffler; Low Steel Farm Wagon; Truck Wagon; Flat Hay Rack; Hay Rake; Set of Sleighs; Fleury Walking Plow; M.H. TERMS: Cash Settlement with Clerk Day of Sale. Nothing to be removed until satisfactorily settled for. No Reserve as the Proprietor has hold his farm and is giving possession immediately and selling. HINDLEY & ELLIOTT, Auctioneers R. B. McGill, Clerk.

Where does the money go?

At times most of us have looked at purse, wallet or bankbook, and wondered: "Where does the money go?" You may have wondered, too, where does our money go—the money we receive for gasoline, fuel oil, lubricants and other products we sell. Well, last year each dollar we received went this way: CRUDE OIL and other raw materials took more than half of each dollar. MANUFACTURING AND PACKAGING took more than 11 cents. Costly equipment and skilled workers were needed to make the 640 products we supplied for thousands of uses. TRANSPORTATION took the next big bite of the dollar. Products moved over wide areas to serve every community in Canada. During 1949 we paid more than \$34 millions for railway freight alone. MARKETING was next. Marketing brought you the products you needed when and where you needed them... power, heat and lubricants for factory, home and farm. Marketing supplied your neighborhood dealer, that independent businessman, so that he could serve you conveniently and dependably. TAXES to provincial and federal governments took 7.53 cents. And this did not include gasoline tax, which—depending on where you live—took from 21 to 33 cents out of every dollar you spent for standard grade gasoline. PROFIT was 3.89 cents out of each sales dollar. Of this 2.25 cents went to shareholders as dividends. The rest—along with money we borrowed and obtained by sales of investments—was put back into the business to replace worn out equipment, to provide new equipment and make sure that we can continue to supply your needs in the future.

Bringing you oil is a big job ... and a costly one. IMPERIAL OIL LIMITED
