Mother's Day on Sunday. Wear a flower in her honor. Special Mother's Day Service in the churches on Sunday. Tuesday rain helped wonderfully in bringing along the spring growth. Roads are getting back into condition again after the spring break-up. Ratepayers may secure a copy of the Auditor's Report for 1949 by calling at the Public Utilities Office. Better going on sewer construction is now being encountered but it takes time to get the roads back in condition. Halton County rate has increased this year from 5.5 mills in 1948 to 7.9, an increase of over a third for the year. Local golf fans will be pleased to learn that the film "Par Breakers" will be shown at the Y.M.C.A. Friday, May 12 at 8 p.m. It has been indicated that road allowances to the town from the provincial government have been drastically cut on the estimates. Mr. and Mrs. Jany and family moved to their new home last week on Main Street, the farm they purchased from Mr. G. M. Hutt. Keith Andrews, the little six-year-old son of Mr. and Mrs. Harold Andrews, of Victoria Avenue, ran directly into the side of the car driven by Mr. John R. Leishman on Willow Street Saturday evening. Fortunately he escaped serious injuries.

Table Tennis Tournery Included At 'Y' Program. Latest program at the 'Y' includes a Ladder Table Tennis Tournament which is expected to get underway this Saturday. The Tournament is open to all ages of members and non-members with boys and girls competing separately. The awards, 9 in number are to be awarded according to age and position on the ladder at a certain date yet to be announced. A large scale tournament is to follow this one with participants competing in three or four different classes according to age and ability. Much hustle and bustle is evident at the 'Y' as all classes work overtime in preparation for the Circus and Gymn Display on May 25 and 26. Another special event soon forthcoming is the annual meeting and 75th Anniversary Dinner to be held on June 1st. The latter gathering will be addressed by Mr. H. S. Hoskings, head of the Canadian National Council of Y.M.C.A.'s and a notable speaker across Canada and parts of the U.S.A. The latest Basketball House League games featured wins for the Reds and the Blues over the Black and Gold squads. The Reds led by Bob Bruce with 20 points, ousted the Blacks 32-24 in a close checking game. Scottie McCristall was high scorer for the losers with 16 points. In the other game, the Blues, sparked by Dan Dawkins with 14 points coasted through the last place Golds 29-11. Dick Woods led the losers with 5 points. In the last game of the schedule next Saturday the Blacks and Blues will meet to decide who will earn the right to meet the league leading Reds. With eight points the Blacks only have to win Saturday's game to challenge the Reds in the final, while the Blues must win to force a tie and an extra game. In the other game scheduled this Saturday the Reds will meet the Golds as a matter of formality as the latter's chances are lost. A Junior Teen Town Party and Dance is planned for this Saturday commencing at 7:30. Sadie Hawkins is the feature of the program and the girls are expected to do the dating for a change. Games and lunch will be presented with extra admissions for those without escorts.

ALWAYS A GUNNER "So your husband's in the army now, Mrs. Worrit?" "Yes they've made him a gunner an' that's what he's been ever since 'A gunner'." "Yes, always 'gunner' do this and 'gunner' do that, but he never did do anything worth while!"

A SALUTE TO Mother's Day MAY 14 - WONDERFUL MOTHER God made a wonderful Mother. A Mother who never grows old. He made her smile of the sunshine. He moulded her heart of pure gold. He made her nearly an angel. As anyone ever could be. God made a wonderful Mother. And He gave that dear Mother to me. Remember Mother on the one day set aside for her very own. Come in and see the large variety of gifts which will be sure to please "Mother" Acton Home Furnishings

Mackenzie News The price of coal and stove coal is now down \$1 to \$23.00 per ton. This reduction is to encourage summer working at the mines by having as large a possible summer business. The price is to stay firm from now until the 15th of July at which time it will advance 50 cents per ton and at the 1st of September a following 50 cents per ton. This policy was in effect on coal for a number of years before the war. We will be bringing in coal as the orders come in and at the present time we have a car of coal out at this as a summer price. We find it hard to dig up any news as our time is limited due to the final finishing and moving into our new home. Want to see you anywhere? We have to put up blinds, curtains etc. J. B.
