The ostrich is a poor example for humans to follow when walking in traffic. When the ostrich wants to escape danger he is said to bury his head in the sand. Burying your head in your coat collar or under a hat brim when you are out on the street may give you just as bad a case of false confidence as the ostrich, especially if you walk blithely out in front of a moving car.

"NOW THIS IS THE SORT OF THING THAT MESSES UP OUR SCHEDULE."

ROCKWOOD

Under the auspices of the Red Cross organization of Toronto, films dealing with Water Safety were shown in the Town Hall last Thursday evening. The films were instructive and interesting to those present.

Two representatives of the organization were present introduced by Mrs. Dale Armstrong. The films shown dealt with different phases of swimming and bathing, also the dangers of venturing in hazardous places, methods of rescue in times of danger, including cramp. While swimming is one of the summer time pleasures, some instances of fancy diving were shown. Off high decks of boats, and spring boards over swimming pools.

A film feature of the evening was in connection with scenery along the St. Lawrence River, from Kingston to the Atlantic sea coast, at Gaspe. Mr. Dave Armstrong had charge of the film show which was both interesting and profitable to those present.

Continuing anniversary services were held at the United Church on Sunday and were largely attended. At the morning service, Rev. Audrey Jones, B.A., M.B.E., of Melrose United Church, Hamilton, as assistant to Rev. Dr. John Mutch, who was present for the evening service delivered the sermon. Special numbers were contributed by the choir. For the evening service, the choir of the Stone Church was present and assisted greatly for the occasion.

Monday evening, the usual anniversary supper was held in the Sunday School room and was well attended. The tables were furnished with good things which were served by the ladies of the congregation and full justice was done to them. Following supper, Mr. Ted Jewel of Guelph, a talented musician, was present and contributed several numbers on the church organ and the piano. A feature of the evening was the showing of two colored films dealing with the scenery in the Canadian Northwest, "Song of the Mountains" and "Song of Algonquin", courtesy of the Canadian National Railways. Scenes shown dealt with the fishing sport along different rivers and boating, including touches of wild life in natural setting. Prior to the films being shown, Rev. John W. Oliver conducted a brief song with Ted Jewel at the organ and George Day at the piano.

Some time Sunday evening, a flash fire occurred near the railway crossing which was only the breaking of a hydro wire, affecting the street lights. They were remedied later in the evening. CAMPBELLVILLE

Campbellville's handball team played Georgetown on Wednesday in a twilight game which was halted by rain for fifteen minutes after the first inning by a heavy shower.

Players were able to continue after this and after seven innings of fast close ball, the game was called on account of darkness with a score of 2-2.

The Campbellville team has been involved in very close games recently which would show the balance of the league as to playing strength.

The game developed into a pitcher's battle between Roberts for Campbellville and Anderson of Georgetown.

Roberts gave up eight hits but struck nine out. Anderson scattered seven hits and struck out five.

R. Anderson, Georgetown's star second baseman led the hitters with two singles and a double in four times up. Earl Cairns and Clifford Hill had two hits each for Campbellville.

R. Anderson provided the fielding gem with a lightning fast pick-up of a low hit liner for the put-out.

The balance of the game will be played when Campbellville plays their regular scheduled game in the Georgetown park Saturday afternoon.

The June meeting of the Ladies Aid of St. David's Church was held at the home of Mrs. Robert Inglis. The president, Mrs. G. Inglis, opened the meeting. The devotions were taken by Mrs. Menzies and Mrs. E. Mahon. The roll call was answered by twenty-seven ladies naming "one more labor-saving device we would like in our home". This was quite interesting and amusing. Mrs. A. Moore gave a very satisfactory report of the Finances. The flower committee appointed was Mrs. W. Roberts, Mrs. G. Inglis and Mrs. J. K. Mahon. Plans were made for a picnic in July.

A picture of the Rev. J. C. MacNeil which is to be placed in the Vestry of the Church was on display. The Cheer Secretary read several thank-you notes from some who had received cards while ill. Mrs. Wm. Roberts read a poem, "A Little Come and Go". This was followed with a piano duet by Mrs. S. Cairns and Mrs. E. D. Mahon.

The guest speaker, Mrs. C. Peer of Kilbride was introduced by the President, Mrs. Peer, formerly a teacher at No. 1 school was not a stranger to the majority of the ladies present. She gave a very interesting address, the subject being "What Can I Do for My Church?". One thought was: We need the Church and the Church needs us.

The power of prayer was emphasized, also that it is said that the greatest path in the World is the path from your door to the church.

Mrs. J. Mahon favoured with the solo, "Wonderful Peace". Mrs. J. Gilmour expressed the appreciation of all present to Mrs. Peer. The meeting closed with prayer by Mrs. E. Cairns. A pleasant half hour over a cup of tea was enjoyed by all.

The Blair Evening Auxiliary met at the home of Mrs. Wm. Mahon on Wednesday evening. The President opened the meeting. The Scripture lesson was read by Mrs. Mahon. After the Secretary's and Treasurer's reports were received, routine business was taken care of and plans completed for the tea topic, "Christianity in Japan" was given by Mrs. Roger Mahon and was very interesting. The offering was dedicated and the roll call was answered by ten members using the word raise as a text word. The meeting was closed and the hostess served delicious refreshments. A pleasant half hour was enjoyed.

Mrs. Edward Dredge and Miss Annie Holmes, Mrs. Bryan Cramp and Billy, all left for the Western Provinces this week to visit relatives.

ENGLISH GILTS ARRIVE ADDED TO KELMSCOTT FARMS BRIT. HERDSMAN IN CHARGE

It will be recalled that E. L. Taylor of Kelmecott Farms, Milton, imported a complete Breeding Unit of English Yorkshire sows, comprising seven gilts and three boars. Arriving at Quebec on Monday are a further seven gilts purchased on a buying trip to England this spring and next month two more females will arrive, making a total of sixteen English Yorkshire breeding females. In addition to these there are 12 Canadian Yorkshire sows now on the farm and these are now producing progeny sired by the English boars.

One of the best sires is the son of the Best Champion English Royal Show York 1948 and another is the litter brother to two selected by the Danish Government last year for their Livestock Improvement Program.

The first pure bred English gilts which have been farrowed at Kelmecott are showing up extremely well and are full of type. Gains are satisfactory as is indicated by the first litter which weighed an average of 49.5 lbs. for eight pigs at eight weeks out of a litter of one born from first farrowing.

In order to obtain the experience and attention necessary the herdsman, Ken Capindale, flew over from England six weeks ago and he is now in charge of operations. Ken was formerly herdsman to the largest Yorkshire breeding establishment in Britain and he obviously knows and understands the breed intimately. Nearly eighty breeding sows were kept and they had between 1,000 and 1,500 pigs.

So that satisfactory farrowing quarters be available, Kelmecott has completed a Farrowing House with twelve pens, with rubber composition flooring, infra-red heating of the creeps, glass insulated walls and thermostatically controlled ventilation.

The arrival of the new gilts makes Kelmecott Farms the largest Yorkshire (English) breeders in Canada and orders are now being received for stock from Vancouver to Quebec and it is anticipated that the lively interest which is being shown in Kelmecott animals from U.S. breeders will result in a brisk export trade.

A ten man team of shipyard workers in North England has just pitched 129 steel piles each weighing 3,300 lbs. in one day. This is believed to be a world record.

BALLINAFAD

Ballinafad Farm Forum sponsored a curfew and dance in the Hall last Tuesday night in aid of Manitoba Flood Fund when \$30.35 was taken in at the door. Mrs. Robt. McEnery donated a lovely centre piece and tickets were sold on it which brought \$4.65. Miss Marjorie McEnery being the lucky ticket holder. Peacock School pupils donated \$2, making a total of \$47, which was forwarded to the Fund.

Mrs. Cameron McEnery was high scorer for the curfew and Mr. Norman Sinclair for the girls. Miss Lillian Shortill and Miss Dodd donated 2 boxes of chocolates for spot dancers, which were won by Mr. and Mrs. Alex McKay and Mrs. Ken Cotton and Mr. T. Gibson.

This community seems to be having its share of car accidents. An Orangeville truck hit the ditch and landed against a tree in Arnold McEnery's field. There were three men in the cab and they couldn't get out until the cab was pried open with a crow bar. All three were attended by Dr. Williams of Georgetown and Dr. Garrett of Acton. All were sent to Orangeville Hospital. One was able to go to his home later but the other two were more badly hurt. On Thursday night, Mr. Bill Pinkney of Erin and a small truck from Brampton collided at Peacock Corner. No one was hurt but Mr. Pinkney's truck was badly smashed on one fender and on Friday Mr. Fred Kentner Jr. of Acton was involved in an accident with Maggie Deforest turning both cars upside down at Mr. John Lindsay's. Both cars were quite badly wrecked. One young man in Kentner's car went to the hospital, Mr. Carney of Erin was following the Deforest car and narrowly escaped being hit.

On Sunday morning, Mr. and Mrs. Larkman went into the ditch at Peacock and had to be pulled off a large rock. No one was hurt.

These all happened in a radius of 7 lots on the 7th line.

Mrs. Barbara Soper, who has been in Guelph Hospital is slowly improving.

The W.A. met on Tuesday afternoon at Mrs. Lloyd Marshall's, it being the 25th anniversary of union in the W.A. Two members who had been presidents during that time and who had been active members for 25 years were present, Mrs. Robt. McEnery and Mrs. Shortill.

Congratulations to Mr. and Mrs. Ray Swindler on the arrival of their young son.

There was no church service here on Sunday owing to anniversary services at Melville church. Mr. Smith of Georgetown was the guest speaker.
