

# Acton Nine Wows Crowd Carry Off 2 Wins in Week

The home boys came through with an 11-4 score on the tilt in the Georgetown Park when they visited the neighbors last Friday for a six inning stretch. Although Georgetown isn't rated as any top drawer team, a win for the locals is encouraging.

Watson's first run for the Paper-town boys apparently fired the locals to greater heights and came the second frame. Townsley, Robinson and McDonald each planted a counter on a single base hit. Barry, Dillow and Spence accounted for the other three runs at bat for the Georgetown nine in the fourth, fifth and sixth frames respectively.

Scott for the Acton nine notched up a run in the third, Masters and Masales in the fourth and in the free-for-all sixth, Footitt, Masales, Lindsay and Jordan made a scoring mark. Masales and Townsley got the big hits of the game, each making three tags on their effort at the plate.

McDonald started the pitching duties for the locals and Ryder took over in the third. Spence went the route for the Paper-town side in the hit column, Spence allowed 18 to the locals while McDonald and Ryder were touched for only four.

The score on this session was at least a slight improvement for the Paper-town boys. The last time they met Acton they went off with the small end of a 12-2 count.

Acton Intermediates had their best week of the season this year and last night gave the protesting Oakville nine a good 5 to 3 shal-lacing.

It was an Acton night at bat and in the first innings. When Dude Lindsay hit a three sacker and scored Masters and Footitt and was brought in by Masales' hit, the Actonites were never reached. Oakville came back with two in the second innings by Ford and Galbraith.

Robertson scored in the second and Lindsay in the third. In the seventh, Oakville made a bid to tie up the game but only put one across. It was a bit too much for some of the Oakville hot heads and Milne was banished from the game for swearing at the umpire.

Matter of fact, the umpire took quite a drubbing on their decisions and it was only to be expected that sooner or later, some authority had to be shown. Oakville had been warned on a previous offense of name calling. Fans say the game was the best the locals have put on this year. Hits were about even with 6 for Oakville and 7 for Acton. Snyder and Lindsay were the batteries for Acton and May and Patterson went the route for Oakville.
