## Get In Your Fuel Stocks Before Winter Strikes

Arrange Your Fuel Lean el the B of M

It's a lot more convenient and economical to arrange your winter fuel suggites well in advance. There's no chance then of a sudden change in the weather catching you off balance, and you can stock up at the most advantageous

Perhaps you'd like to be among those wise folk who arrange early for amile supplies of fuel, but can't lay your hands on the ready cash? Pay a visit to William Clayton, manager of the Bank of Montreal at Acton, and discuss with him the details of a B of M fuel loan Suppose you horrow \$160 The interest comes to only 6 per cont-29 cents a month, when the

Ioan is repaid over alx months If you're in a position to repay a personal loan in easy instalments out of your income, you can make sure today that your family will enjoy a warm, snug home during the coming winter. Drop in and see Mr Claston, while the matter's still fresh in your mind

Then ther The wheat is ripening fast and Elizabeth Hoev would be the girl will possibly be ready to cut some- to do it

instance in some districts there of four, or two, with table napwas a short, sharp storm and wheat kins to match. They wouldn't do was flattened here and there. No for me because I would be inclined extensive damage but enough black to shove my plate to one side rather 7 Use ple plate or aluminum fo'l sky to create that same fear as we than have the place mat hidden as a dish that will fit into freez- wached the black ominous clouds from view. and then came that

R A well-padded knitting hag spirit of thankfulness after the ing crop still bobbed and billowed in airy waves with the decreasing Largest single item in Ottawa's winds budget estimate is interest on our It was well the storm did die public debt a cost to the Canadian down because I had arranged to

> who specializes in textile printing It was fine when I left home but as . I waited for the bus another storm blew up- the sky got darker every minute Finally down came the rain All I could do was sit in the car hoping the wind would not get strong enough to carry us both away It was an awful storm ... hall, rain, thunder and lightning Probably I have seen worse storms but never have I been out in one quite so bad. Eventually it blew over and my sister-in-law and I set out to find Mrs Elizabeth Hoev And what an interesting visit that was! Mrs. Hoev specializes in handblocked drapes, which she designs dyes and prints herself. Her work

meet my sister-in-law at Bronte as

she wanted me to go with her to

hunt up an artist in that district

is exquisite in both colour and design. There was a very good write-up in the Family Herald last spring featuring her work-no doubt many of you read it But reading about it is one thing and security is another. Mrs. Hury to very young to have accomplished so much in such a short time -and always there are new designs in the making Some mothers find it hard with youngsters around to keep up with even urdinary workbut Mrs Huey dues all this and her art work too She has two lively, adorable little girls, two and musible this week-end-or even four years old just another work of art, you rutght say although ! from an influx of the younger gen. imagine her husband contributed cration and when air young his share just as he also helps his people get together in one house wife with her block printing dur

perially when two of them are. Maybe not many of us could af muly cogaged and become the tar find drapes such as Mrs. Hury get of all the ribbing the other makes even though her charge is four can think up Added to that actually very reasonable However. another of the party is celebrating if you really want something origa birthday so there had to be a mal and have difficulty in finding austable present "appropriately" drapes that are just right for your wrapped he there you have it living room Mrs Hors has the ans friends and if anything I say ap wer Yes I mean that because you mary to be without them of tea just chinese and design she has in som you will know who is response ! hand and she will make it up in emaybe gelatine), and sometimes package of nils carefully and use this Hight at this mement there; any colour scheme you desire Or is a bull in activities around the for an additional charge she will losses in the nufficent value of milk 2 Turn electric refrigerator to home as the soung fulk have, I even make you an exclusive design swim l'artner is having his forty mind if you are musically inclined with so it seemed like a good time then Mrs. Hoev could design your ic scores or 'cellos. She might even neither too hot nor ton coul, and a good measure and the effect would ture breeze blowing May It so con- still be artistic Or you may be fund tique for there is work aplenty of poetry and would like The Song of ice cream cone that tasted like turned to normal position (Usually time this week So we are back please her because she likes to again to that perennial worry . . specialize in art designs that are fear that hail, wind or heavy rein exclusively Canadian. And for 8 You may decorate bricks of will knock it flat before the binder wedding presents that are different

> This of course, isn't meant to be makes a useful shopping hag for storm when we found the wheat bring to your attention one more a "sales talk" I just wanted to carrying ice cream and chilled had not been harmed and the spr. Canadian of whom we may well

To The nourishing gloss of milk from Grandma is the happy ending to this eters. It started when Nature put aluminum in the earth itself. That is who this important moreal a right in the milk we drink

2. Ind Nature gave sleminum qualities that make it ideal to consert with freid. Many milk pails . . . many parts of modern milking martunes are made of alummum

3. From farm to dairy . . . from country to city . . . rich, wholesome Canadian milk is bring increasingly sarried in aluminum containers

to reach you fresh and pure.

4. And to cap it all, many battles of milk are protection-scaled with shining cluminum fail tops. Aluminum secures cleanliness for this most sensitive of all funds.

aluminum on the outside of a food or a drink, there's an "inside story" of perfectly protected flavour, quality and purity. ALUMINUM COMPANY OF CANADA, LTD. Hints to the Housewife! Some natural minerals in foods and seater loor a dark deposit on casking wousils. These deposits are harmines and are easily removed standard cleanury or steel week!

No other material is more "food-friendly"

than aluminum. Whenever you see

A uminum is friendly to food!
