BURLINGTON

Fifth Swim Regatta Attracts 2000 Fans

With perfect weather, warm water and lots of it, a huge crowd of spectators, some two thousand of them, the fifth annual Swim Regatta sponsored by the Burlington Red Cross and the Yacht Club just couldn't help being a success. There were so many spectators on the regatta that it was practically impossible to move along it without spilling into the water. J. Wilkinson, the capable Master of Ceremonies, had to get up on the very top of the wall to do his broadcasting, a hot and arduous task, but done in his usual fine style.

In the next issue of the telephone directory Burlington and district users will find a new feature, Yellow Pages, a classified section listing all business firms and professional people having telephones in this community.

At six o'clock on Tuesday evening flames suddenly broke out under the hood of a car on Ontario street, driven by A. Alkema, Beach Blvd. The fire was extinguished with extinguishers by Constable Charles Parsons and Dan McLeod, a truck driver for Halliday's, as the firemen arrived on the scene. Damage was done to the wiring of the car.

The Burlington Boys and Girls Community Band held their annual picnic at LaSalle Park on Sunday August 6th. During the afternoon a sports program was run off—Gazette.

ROCKWOOD Work Progressing On New Parish Hall

Services at St. John's Church Sunday morning were conducted by Mr. Charles Greene in the absence of Rev. W. G. Lusk. Also at the United Church by the minister of Erin and Osprey Presbyterian Churches. Announced at the Presbyterian Church was the opening of the church next Sunday with services at 11 a.m. and 7:30 p.m.

Work is going ahead in connection with the new Parish Hall at St. John's Church. The foundation walls are up with the level of the surrounding ground. A machine is busy Monday filling in the trench around the cement block foundation walls.

During the week-end Misses Theresa Hamill and Pearl Hamilton in company with their C.G. 17 class were at Lake Huron camp and all enjoyed the outing. Transportation was provided by cars and truck.

Little Judith Hunter of Canastota is a visitor in town with her grandparents Mr. and Mrs. Max Milne. Sometime last spring while at school she had the misfortune to have her leg broken in two places. Her leg was in a cast for several weeks and she only recently had it removed.

Mr. and Mrs. Maurice Hurd (nee Doris Watson) have returned from their wedding trip to Muskoka district. Mrs. Hurd was the recipient of many handsome gifts, a number by showers as well as others individually. The best wishes of their numerous friends follow them to their new home at Weston.

Mr. Herb Gibbons who has been off work since last fall has resumed his duties at Guelph.

Mr. Stewart R. Royce, township clerk is out of town for a holiday. Mr. Richard Hewart of Guelph is busy with the painting at S. S. Royce's house.

SEWER LATERALS

Several instances have occurred where sewer laterals have NOT been put in at the proper grade or depth due to inaccurate information.

Section 11 of Clause II of By-law No. 810 of the Corporation of the Town of Acton reads:

No person, association, body or Corporation shall construct or install on any private property a sewer drain connecting with a sewer of the Corporation until:

1. Such party has applied to the Corporation of the Town of Acton for a permit allowing the construction and installation of said house sewer or sewer lateral and paying such required fee for such permit as may from time to time be fixed by the Corporation of the Town of Acton; and

2. Given twenty-four hours' notice that a house sewer or sewer lateral is ready for inspection and under no condition must they be covered up before being inspected.

3. Every person shall be required after a house sewer is installed or altered and before the plumbing fixtures connected therewith are used, to have same inspected by a competent Sanitary Inspector or such other person as may be designated from time to time by the Corporation of the Town of Acton before they are covered up, enclosed or hidden from view.

A NEW LOOK in sleeping car styles is being introduced by the Canadian National Railways. This is the modern duplex roomette car, and it sets a new low cost, for room accommodation aboard trains. There are 34 roomettes in each car, twelve at floor level and twelve raised two steps higher giving the car an unusual exterior appearance. The cutaway section above shows the interior of the rooms prepared for daytime and night travel, and at left is a close up view. The interior fittings, furnishings and color schemes are of the latest designs developed by railroads on this continent. Each room is completely private, equipped with water cooler, toilet facilities, wide mirrors, medicine cabinet, outlet for electric razor, and individual controls for lighting and air conditioning.
