

**Holstein Breeders Make Fine Showing at C. N. E.**

The 1939 Holstein Show at the C. N. E. goes down in history as the greatest and largest Holstein exhibit at the C. N. E. on record. Well over 400 entries were made and Judge Jas. H. Henderson of Northmouth in many classes sent as many back to the stable as he kept in the ring for his adjudication. Holstein breeders were well and worthily represented by entries from the herds of W. S. Hall, Albert Stagg and J. F. Trumble of Trafalgar Township, A. G. Hunter, F. Whittemore and Dana, and Ross Segsworth of Nelson Township, H. Alexander and Dr. Paul Best of Esqueping Township.

A few of the highlights from a Halton standpoint were as follows: In the bull classes, Salax Prince from the herd of H. C. Alexander of Georgetown topped the 3 year olds and went on to the senior and reserve grand championship. In the same class, D. H. Lindsay, R. A. Monogram B. for Ross Segsworth of Freeman was second and was later made reserve senior champion. A. G. Hunter and H. H. Harrison of Freeman were second in Hunter-holm R. A. Boy in the junior yearling class. In the strong senior bull calf class Salax Admiral led and recently sold by H. C. Alexander of Georgetown was second for Frank Brown of Owen Sound. In the same class Spruceleigh Monogram Prince was seventh for Ross Segsworth. The grand champion bull was Spruceleigh Lord Hope for J. M. Fraser of Streetsville.

The senior yearling heifer class brought together 45 great heifers, and here W. S. Hall of Oakville was fifth, and Ava Park Corina. In the 3 year olds the entries of Dr. Paul Best were well to the fore both in the dry and milking classes, winning fourth in the dry class on Linda Graymar Ash Heave and first on Linda Graymar Beech Heave. This latter heifer was a strong contender for the reserve senior championship and also for the trophy awarded to the best uddered female in the show. Spruceleigh Juliette for J. M. Fraser was a worthy grand champion and also won the award as the best uddered female. Inasmuch as some Holstein breeders are under the impression that Juliette is just a show cow, may we point out that on two time milking she has a record of 21,002 lbs. milk and 821 lbs. fat. Joe Trumble of Trafalgar Township hit the headlines in the four year old milking class with Lily Belle Babst placing second in a strong class.

Spruceleigh Annabelle a veteran winner on numerous occasions at Halton County Shows was in fifth for Ross Segsworth in the aged milking class. Another highlight for the Segsworth herd was the win by Spruceleigh Chieftain Dorothea for Ross Segsworth in the milking 2 year old. It will be recalled that this heifer was sold at the 1940 All Canadian Sale for \$1750. The progeny of dam class was another tough one bringing together 39 entries. Here J. M. Fraser's Juliette and Fond Hope took the red ribbon with Ross Segsworth's progeny of Poplar Row Cristieffan Maid in second, Joe Trumble's progeny of Pontiac Segis Helena in fourth, and A. G. Hunter ninth. The climax of this great show was the County Herd Class with ten county herds of six animals each, parading the tan bark. The awards were as follows: Peel, Halton, Waterloo, Brant, Wentworth, Wellington, Welland, Grey, Lincoln, Haldimand. Our heartfelt congratulations are extended to the eight breeders who upheld the honors so ably for Halton Holstein Breeders.

**Entries of J. H. Willmott and Son Dominate Hampshire Show at C. N. E.**

The Hampshire flock of J. H. Willmott and Son of Trafalgar Township took most of the first prizes in the strong Hampshire show at the C. N. E. on Friday last. They had the grand championship on their ewe lamb and reserve on their shearing. In the ram classes they also took the reserve championships as well as a clean sweep of all the first prizes in the group classes.

**Halton Junior Farmers Make Good Showing in Judging Competitions at C. N. E.**

380 Junior Farmers from all sections of central and western Ontario competed in the C. N. E. judging competitions. These are individual competitions with 3 divisions—section 1, open to Junior Farmers under 26 years; and section 2, open to Club Members under 21 years. Some 25 or 30 Junior Farmers from Halton participated in the various competitions and it was interesting to note that 19 of them were successful in being listed among the prize winners.

was the first prize winner in ewe judging section 2 and Earl Wilson of Norval and Robt. Houghton of Bronte placed 7th and 8th in the same section.

In beef cattle, David Pelletier of Milton placed 2nd in the junior section while in the junior section John Willmott of Milton was 7th and Herbert Lether of Milton was 15th.

In sheep judging John Currie of Georgetown was 2nd and David Lillycrop of Waterloo 8th in the junior section while in section 1 Geo. C. Wilson of Georgetown placed 10th.

A total of 101 competed in the judging of dairy cattle and here in the junior section Geo. J. Rogator of Milton was 3rd and Stuart Alexander of Georgetown 10th and John Pocket of Hooton 13th while in the senior section John W. Crow of Bronte was 13th.

In the senior section of swine judging, Fraser McNabb of Georgetown was 7th and Wm. A. Brain of Norval 11th.

In the judging of fruit and vegetables Geo. Smith of Oakville was 15th in the senior section while in the farm machinery competition which incidentally was a new feature this year, Geo. Clement of Milton was 1st in the junior section with Earl Wilson of Norval 5th and Robt. Houghton of Bronte 8th.

While the young men were busy judging livestock grain and roots, fruit and vegetables, etc. the young ladies were also engaged in household science judging competitions. Unfortunately details concerning this are not available at the moment but it will be of interest to our readers to learn that the demonstration team representing Halton was placed in the first prize group.

**Plowing Match Develops Rapidly**

Plans for the 1940 International Plowing Match are going ahead rapidly, according to a report from the office of the Secretary, Manager J. A. Carroll. This year he expects not only a large entry of Ontario plowmen but also representation from other provinces, the United States and even from overseas. It is already established the Alberta Plowing Champion, Len Job, will be a competitor in the International and it is expected champions from some other provinces will be on hand as well. There have been enquiries from overseas and while there has been no definite commitment, it is hoped a team of Britshers will compete.

This year's match, being held on Nottawasaga Valley Farms in Tecumseh Township of Simcoe County will be officially opened by Hon. W. E. Harris, Minister of Citizenship and Immigration Ottawa. The official opening of the International Plowing Match will be at 2:00 p.m., Wednesday, October 11th. This is the first day of International competitions but Tuesday, October 10th will feature the local counties' match for Dufferin, Grey, Ontario, Simcoe and York Counties.

Commenting on this year's Match and on the general attitude on plowing, Mr. Carroll says there seems to be a continually growing interest in good plowing. As evidence, he cites the formation of two new branches of the Ontario Plowmen's Association at Hagersville and Casselman. Then from North Ontario there have been requests for plowing Demonstrations in the Districts of Temiskaming and Nipissing. Added to this they have requests for plowing coaches for high school boys. Mr. Carroll feels this additional interest along with the drawing card of the great Farm Equipment Show in North America and the central location of this year's Match should, with any co-operation from the weatherman, establish new records for attendance.

At the time of the 1941 census there were 3.33 persons per square mile in Canada. Belgium has more than 700 persons per square mile.

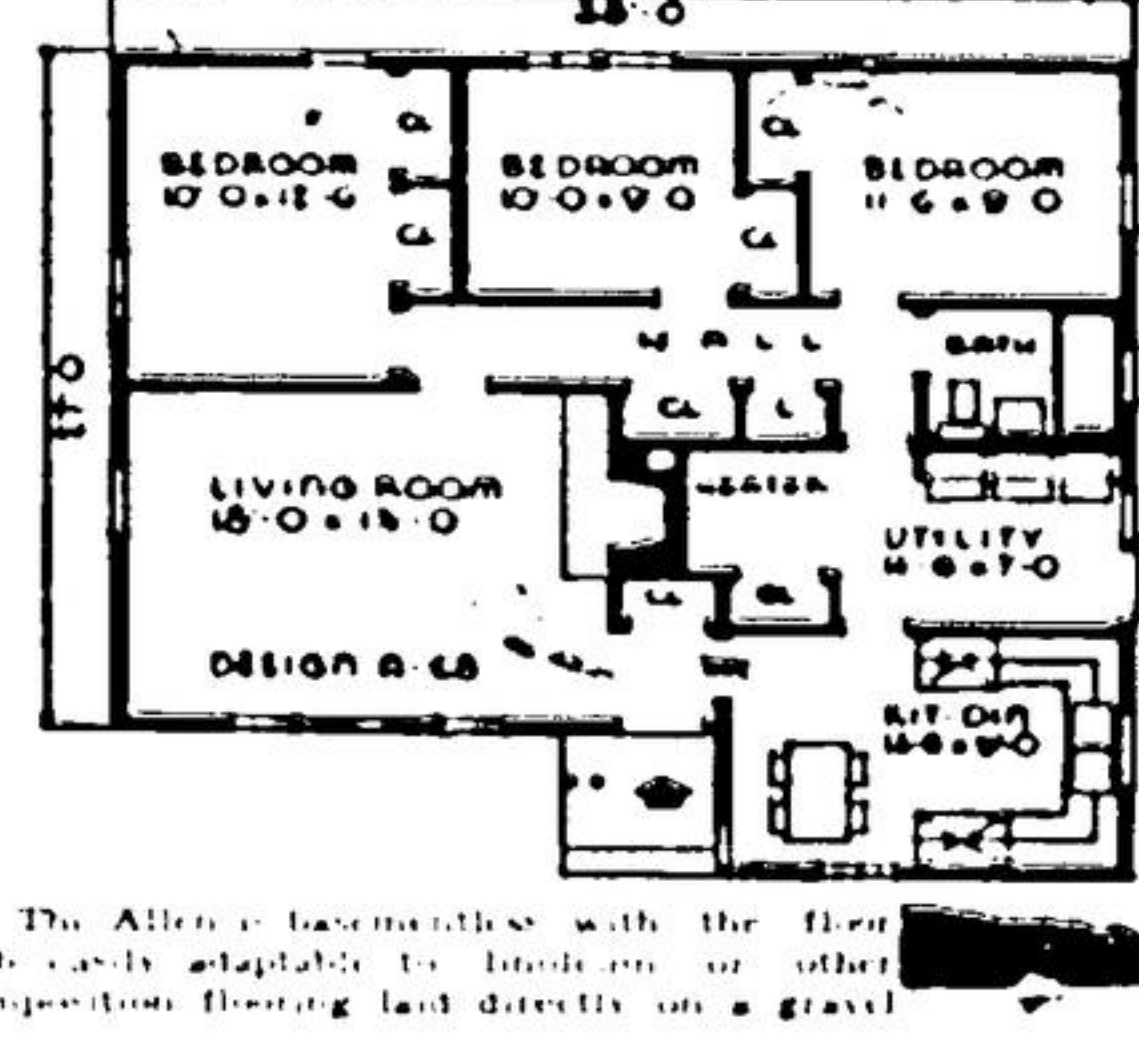

**COMMENDS SCOUTS**

"But for the alertness of those Scouts, the boy might easily have bled to death," said the doctor attending Keith Sharman, Whitby, Ont., who severely gashed his foot while swimming. Scouts Bill Burns and Bill Edwards stopped the bleeding with a tourniquet made from a growing vine, carried the injured boy on a stretcher made from their coats and two saplings. Keith is going to join the Boy Scouts.

**ACTON FALL FAIR**

FRIDAY AND SATURDAY  
September 22nd - 23rd  
SPECIAL PRIZES

- HORSE SPECIALS**
- 15 Best High Stepping Horse 1st, \$50.00 cash, 2nd, \$20.00 cash 7.00

All The heating plant and laundry equipment are in a utility room which replaces the basement.

Planning for the bathroom and laundry equipment is in the same wall location of the fireplace making the same chimney available for the heating unit.

Storage space is liberally allowed for in each of the three bedrooms and closets are planned for the front entrance and utility room. A general closet and linen cabinet are in the bedroom hall.

The exterior walls are shown to be of frame with wide siding. But concrete blocks can be used as a substitute. The roof is covered with asphalt shingles.

The kitchen of the Allen is modern with cabinets and equipment arranged in a U-shape. The sink is under the window and the refrigerator and range are completely built into the cabinets.

The dimensions of the Allen are 34 feet by 27 feet with an area of 1,110 square feet and a volume of 13,230 cubic feet.

**If You Need a Personal Loan Think of "My Bank" First**

**B of M Personal Loans Cost 1/2 of 1 Per Cent. a Month**

There are times of emergency or sudden opportunity when you need cash in a hurry. And you may find that paying cash for a big job or purchase is much more convenient and economical than having to wait for a check. You best plan to pay as well as William Clayton, manager of the Bank of Montreal in Acton, and talk to him about a personal loan.

These B of M Personal Loans are low cost, 1/2 per cent per annum, and you pay interest only on what you still owe. If you borrow \$100 and repay over a year in monthly instalments, it will cost you just 27 cents a month. The interest on other amounts is in proportion.

If you have a regular income and are in a position to repay, there is money for you at the B of M. Mr. Clayton will always be happy to talk over financial problems you may have in complete confidence. Of course, lending money is his business and he deals with all matters according to the bank's guiding principle: "When you ask for a loan at the B of M you don't ask a favour."

**THE JACK MINER FOUNDATION**

It was in 1904 that the late Jack Miner founded The Jack Miner Foundation. In 1909 he conceived the idea to band ducks from which time he banded 50,000 ducks. In 1915 he banded his first Canada Goose and since that time there has been 45,000 Canada Geese banded at the Sanctuary.

For forty years the late Jack Miner financed his bird Sanctuary by giving lectures where an admission fee built up a Bird Sanctuary that from a Conservation, Educational and Scientific standpoint gained recognition throughout the world.

Before Jack Miner died to safeguard his life work for future generations he created what is known as The Jack Miner Migratory Bird Foundation — a non profit — non share — non capital organization. He then gave his home bird Sanctuary and Community Park and Clubhouse to this philanthropic institution.

He and Mrs. Miller gave them all. The Directors of the Foundation give their time and every dollar contributed goes direct for

the cause of Conservation. Appeals are made semi-annually to raise maintenance money and at the same time try and raise an endowment. Interested people may have free literature giving full particulars by writing The Jack Miner Foundation, Kingsville Ontario.
