EDEN MILLS

Memorial Service In Cemetery Sunday

The annual memorial service was held in the cemetery on Sunday. The Rev. W. J. B. Milosche of St. James' Anglican Church, Guelph was guest speaker and gave a very fine message to those who gathered to remember loved ones who are resting there. Rev. Fred Williamson and Rev. R. Pickering assisted in the service. The service of music was led by members of the Salvation Army Band, Guelph. We all hope many more will keep this day in mind and plan to attend the service next year. We cannot let this opportunity pass without a word of praise to our caretakers, Messrs. Lowrie and Brinklow for the splendid way they have kept the grass cut.

Misses Diane and Patsy Gillis of Milton spent last week with their grandparents, Mr. and Mrs. Bill Early.

Mrs. Wallace and two children of Weston visited with Mr. and Mrs. Bill McLean.

Mr. and Mrs. Garnet McDougall and Bonnie and Mr. and Mrs. Peter Wylie spent the weekend with Dr. and Mrs. Gordon Stevenson in Montreal. Miss Donna Stevenson, who has spent the summer holidays in the Gilberston home, returned home with them.

Mrs. Burwick of Toronto spent a few days last week with her sister, Mrs. F. Gardner and Mr. Gardner.

Miss Gwen Patterson of Corwith spent a week with her friend, Miss Lenore Watson.

Mr. and Mrs. George Wright and Jack of Chesley visited over the holiday with Mrs. Wright's parents, Mr. and Mrs. John McAlpine.

Mr. and Mrs. Fred Bridges of Brantford visited over the holidays with Mr. and Mrs. J. A. Milne and other friends.

School bells are ringing again. Pupils are wending their way back to school, some for the first time after a long holiday.

WHY THEY AREN'T LOVED

Concern is voiced by The Financial Post over deterioration in British and American goodwill. It says:

A recent Canadian visitor to Great Britain reports that not once, but several times Englishmen apologized sincerely and profusely for mistaking him for an American. When they discovered his Canadianism their former restraint vanished and they became friendly and cooperative.

A great deal of trouble stems from the fact that some Americans, unfortunately often the most vocal, seem to ignore the vital contribution Great Britain has made in connection with common cause and the very real sacrifices. They forget that in two world wars Britain was in from the first day to the last, lost over a million men killed and the greater part of her overseas investments, whereas the United States was only in the fight for much less than half the total time, her casualties were light and her financial strength remained unimpaired. To many of these people also seem to think that lease land was all one way and that the Marshall Plan is purely and simply a form of international and unappreciated charity.

BIG DIGESTER TANK AT ACTON DISPOSAL PLANT FINISHED THIS WEEK

The last run on the cement work at the disposal plant was completed early Tuesday morning. The workers were busy all through the night. Excavations are now being made for five other cement tanks which are part of the disposal system. Some water has been encountered here that is hampering the work. The trunk line to the station is now being laid and most of the streets have sewer installations completed.
