SAVINGS FOR USE IN EARLY AUTUMN

Have You Made the Most of the Harvest?

It's been a good farming year. Our district has been blessed with better-than-average crops, and prices for farm produce have remained firm. As a result, many farmers are now receiving a sizable return on their year's work.

Speaking of this, William Clayton, Manager of the Acton branch of the Bank of Montreal, suggested that it is a good time to give some thought to the future. "Maybe," he

said, "the years to come won't prove so productive as 1950, or the prices for farm produce, may slip. The wise farmer will then be glad of a reserve fund, built up in better times, to secure the well-being of his farm and family."

Why not build up your own reserve fund by depositing some of this year's income in a savings account at the Bank of Montreal? Next time you're in town, drop in and see Mr. Clayton. He can be helpful to you in working out your plans and problems.

To Resume Classes On Children's Care

The Wellington County Health Unit plan to resume their Child Health Conferences for the guidance of Mothers in the care of infants and pre-school children.

Each mother attending the Child Health Conference has an opportunity to discuss her problems with a public health nurse, and as well may receive for the child, immunization for the prevention of communicable disease from the Director of the Unit, Dr. Q. G. Smith, if she wishes.

William Norton, of Glen Williams, who was injured Saturday night Sept. 16 when his car rolled over on No. 22 side road about a mile northeast of Glen Williams, was removed to Guelph General Hospital.

Erin United Church parsonage was the scene of a quiet wedding on Saturday afternoon, September 16 at 3:30 p.m. when Rev. H. H. Samerville united in marriage Betty Jean, daughter of Mr. and Mrs. Earl Scott of Erin and Dandel Raymond, daughter of Mr. and Mrs. Daniel Deach of Terra Cotta, Advocate.

The first bicycle was made in Scotland in 1840.
