The members of Halton Presbytery met in Bronte United Church with the chairman, Rev. R. F. Mercer presiding and leading in the morning worship. The afternoon worship was conducted by Mr. J. L. McKinley of Burlington. Rev. H. S. Fidler, the president of Hamilton Conference, brought greetings from the other Presbyteries and emphasized a need for greater brotherhood between ministers and laymen.

General council had endeavored to assist this brotherhood by legislation calling for two laymen to be elected on each Presbytery Pastoral Relations Committee. Also in calling a minister only one name was to be presented to a congregation at one time. He also stressed the need for a more concentrated stewardship both at home and in the mission work of our churches or areas. The president further called for an increased emphasis on evangelism.

**Acton High School News**

These literary meetings have been held during the past few days and it seems that great plans are being made for the At Home. It was decided that music be supplied by the Merry Makers. The admission was set at 75c per person and invitations are being sent out to parents of students and those students who have been attending school during the past two years.

The Literary Society also was divided into four groups, the Athletic Committee, headed by John Ware, the Paper Committee, headed by Don Davidson, the Program Committee, headed by Dick Wood and the lunch committee, headed by Carol Tyler.

It is rumored that there will be a paper circulating throughout the school in the near future. This makes very interesting news especially to those whose names appear in the gossip column.

As an extra Christmas present the student body has been informed that report cards will be issued before Christmas.
