Christmas Cards

The Georgetown Herald has interesting reading in a column which describes some of the odd and lovely Christmas cards the editor and his wife received. On one, a Christmas tree was hand-woven Terra Cotta artist Jordanus van dei Vliet used one of his own paintings with his greetings. Many very different and beautiful ones, were sent to this editor too-quite a few hre worth framing.

Halton Liberals

The new provincial leader, Walter Thompson, K.C., was the guest of honour at a meeting of the Hal ton Liberal executive and their wives at Glenwood school in Nelson Township last Friday evening After dinner, those present met the new leader and heard an address from him. Many were present representing all parts of the county.

Absent-Minded Motorist

A resident of Guelph Township reported to Guelph police that a car had been stolen from where it was left parked in the city last week. A wide search was conducted and then one hour later the vehiicle was found-parked, ready and waiting, not far from where the owner thought he had left it Think that sounds like a woman driver? Well, it wasn't. It was a man who got in the car and drove away.

Highest Prices Ever

Agriculture Minister Kennedy o Ontario predicted in Toronto last week that 4951 will see the highest food prices in the history of the province. The shortage of farm manpower, he said, is as serious as during the war as workingmen are more attracted to the etttes than the farms At a meeting in Guelph he said he believed that Cartada would be the greatest country of the future.

Door-to:Door Delivery

Burlington's Gazette, States that the town may expect to have postal delivery before too long The present post office is being altered for the change in service. The Inspector has recommended the future change to the Department although the numbers of mail slots is just below the required figure

Minnie, the Moocher
