## Big, Little Guy Lines Spark Town League Play

Any of you idle hockey fans and parents who are interested in how Johnny does on skates would be well advised to skip down to Acton Arena on Monday and Thursday nights where the Minor Sports Club has a four team league going full blast. The four teams, under the tutelage of Ray Mason, Andy Wilson, Harold Skilling and Lloyd Masales have a full complement—almost seventy boys between the ages of 10 and 18—playing doubleheader two nights a week. When the ice isn't available on either of the previously mentioned nights, the games are switched to conform with arena manager Harry Holmes' schedule.

The rosters of the clubs are packed to the hilt with players ranging from the small cautious specimen to full blown youths who dish out exciting action most of the sixty minutes each game is allotted. In order to give all the kids the same chance, all teams are divided into two lots—the small guys and the big guys. This unique division enables their respective managers to send out a small guy line-up against a similar line-up on the opposing side and vice-versa for the older and bigger kids. There is only one exception—the netminder. He remains stable the entire game.

When play-off time rolls around, we're informed that two teams will be formed from the small guys and they will play off for a trophy. A similar plan is to be put in effect for the bigger players. At the moment, Andy Wilson's squad leads the league with two wins and no losses, closely pursued by Ray Mason's club who have racked up a win and a tie in two stars. In third place by the slim margin of a tie game is Harold Skilling's gang. Bringing up the

rear is Lloyd Masales' team who have yet to hit the win column. Last Thursday night, Mason's Maylers broke even with Skilling's gang in the first game of the doubleheader. Phil McCristall scored his team's only goal while Rod Force poked in a pass from Don DeForest for the Skilling club. In the other end of the twin bill, Andy Wilson's Reds easily trounced Lloyd Masales' sextette 9-2 thanks to some prolific scoring from Bob Heatley, Rod Sineclair and Ed McHugh. Bob Heatley scored three while the other two picked up a pair apiece. Rus Arble and Tony Oakley got single markers to complete the score. Hartley DeForest and Turk Shepherd sniped singles for the Masales team.

Monday night the teams resumed and in the first game, Ray Mason's boys edged a much improved Masales club 4-2. Phil McCristall was the big gun, scoring three goals on his brother Mike in the losing cage and missing a baker's dozen from shots directly in front. Doug Vickery and Don Davidson collected an assist on two of his goals. George Oakes scored the remaining goal from a scramble in front. Turk Shepherd rifled both goals in the losing cage.

In the second game, Ron Sineclair and Bubba Snyder sniped markers to lead Andy Wilson's club to a close 2-1 decision over Harold Skilling's team. Don DeForest scored his team's only goal in the dying minutes to avoid a whitewash.

The teams are at it again to-night (Thursday) with Ray Mason's team leading the league-leading Wilson club to decide first place. In the second game Lloyd Masales and Harold Skilling's teams will both be gunning for their first wins.

## William Clayton Moves To Toronto; Gordon Oder New B. of M. Manager

WILLIAM H. CLAYTON

William H. Clayton, who has been the manager of the Bank of Montreal here since 1937, will be moved in the immediate future to a Toronto branch. Succeeding him will be Gordon Oder, who comes from the Picton Bank of Montreal here.

GORDON ODER

This year he is president of the Acton Lawn Bowling and Tennis Club. Shortly after the inception of the Y's Men's Club, Mr. Clayton joined, and has held different positions in that organization in the years that followed.

Mr. Oder, who succeeds Mr. Clayton, first joined the Bank of Montreal staff in Galt where he was born and educated. He later gained considerable experience at branches at Kincardine, Alliston, Bobcaygeon, Tillsonburg, Trenton and Tweed. A fellow of the Canadian Bankers' Association, he was appointed assistant at the bank's Picton branch in May, 1949. He comes from there to take over his new duties here.

## Installs Son Warden Of Halton County

Miss M. Maxted, county treasurer, were elected to the County Board of Audit, and Warden Dick and past Warden William VanSickle were appointed commissioners to the Halton-Peel Home for the Aged, board of managers.

Following the acceptance of Col. G. O. Brown's resignation as member of the North Halton High School Area Board, council appointed George E. Cleave, Norval, to fill the vacancy. Col. Brown was recently selected secretary-treasurer of the North Halton School Area Board.

Council approved a by-law to borrow up to \$200,000 to meet the current expenditures during the year. The Roads Committee along with County Engineer R. F. Smith were chosen as delegates to attend the annual Good Roads Convention being held in Toronto next month.

Reeve Litchfield strongly criticized the Toronto Star for a press report in connection with the new Home for the Aged. He said the newspaper stated the county paid \$123,000 for the site on which the building is being erected. He felt this information was very misleading and would give the citizens of Halton the impression "we were throwing their money around."

He stated the county paid \$6,000 for the site instead of the \$123,000 as reported, and asked council to have the clerk write the newspaper seeking correction of the printed report. Mr. Litchfield told members he had been talking to the reporter but had not seen a correction printed in this date. Council approved his suggestion.

A mutual aid fire protection in Halton was again brought to the attention of council by Deputy Reeve E. R. Lauder, Oakville. He asked members to consider the matter as he felt that such a scheme might come under civil defence program and if the mutual aid did not exist, Halton might be placed with other counties forming a district. A committee will be appointed to investigate all angles of the question.

Reeve Ellegton spoke on the efforts of a committee in respect to the formation of a Fire Area surrounding Milton. He was sorry discussions had not continued, but felt he would like to see them renewed.

Reeve Joe Wickson told members he was quite in favour but thought the Christmas season had interfered with further talks. Deputy Reeve Geo. Leslie informed members requesting had never had an area formed but were preparing such a move. Those in the southern portion of the township sought to have such an area created, he said.

Reeve Wickson again inquired of council what the intentions of the committee were in regard to the removal of trees and shrubs at the curves opposite the Woodland

Orchards on the second line between Palermo and Bronte.

He said that since he brought it to the attention of council last fall two more accidents had occurred there. He felt that if the trees and shrubs were removed it would help to eliminate some of the hazard and there. "Some immediate action should be taken. I was wondering what the road committee had done or what they recommended following their inspection last month," he questioned.

Reeve Thorpe told members the inspection was made rather late in the year to make a report, but thought something will be done about the hazard at that point.

"The engineer was going to gather some men together and do some trimming down there, but has apparently done nothing about it," injected Reeve George Currie.

Members comprising the various committees are, with the first named as chairman: Finance, J. W. Higgins; Ken MacDonald, E. H. Lauder, Emmerson Ford, J. Printing and Education, R. J. Hargrave, George H. Haswell, C. Palmer, George Thorpe; County Buildings, Joe Wickson, Howard Litchfield, William G. Marshall, George Leslie.

Hospitals: H. D. Allen, J. J. Stewart, Marshall, Palmer, Edgar Ellegton, Lauder.

Agriculture and Forestry: George Currie, Ford, Palmer, Stewart, Allen.

Special communications: Ellegton, Leslie, Higgins, Haswell.

County Roads: Thorpe, Currie, Allen, Wickson, Ellegton.

Assessment: Marshall, Leslie, Litchfield, Thorpe, Hargrave, County Home: Litchfield, MacDonald, Haswell, Wickson, Hargrave, Currie.

Council adjourned to meet on January 30th.

## Acton Born Trucker Killed in Accident

As the result of an accident when his truck was hit by a freight train in Windsor on January 8th, Alvin Middleton Taylor died at the scene of the accident. The train dragged the vehicle 375 feet from the level crossing and finally was brought to a standstill when the truck became jammed between the train and a signal box. The engineer said the truck driver apparently did not see the train as he made no attempt to stop.

Born in Acton Mr. Taylor was 31 years old. A veteran truck driver and mechanic, he had been working at Overland and lived at Sandwich East.

Survivors include his wife, Hannah Russell Brodie Taylor; his father, Herbert Taylor, Guelph; one son, Ronald, at home; two daughters, Joy Ann and Glenda, Mac, both at home and one sister, Mrs. Cecil T. Hardie, Georgetown. Funeral services were held on January 11 in Windsor, with interment in Windsor Grove Cemetery.

## Speech Reported to Knox WMS Ladies

The first meeting of 1951 of the Senior Auxiliary W.M.S. of Knox Church was held January 11 at the home of Mrs. R. M. McDonald with a good attendance. Mrs. Malprize was in the chair. The devotional part of the meeting was under the leadership of Mrs. H. Allison with Mrs. Hassard and Mrs. Buchanan assisting. Miss Ruby Clark introduced the new study book called, "Our share in the world mission." A duet by Mrs. F. Anderson and Mrs. R. Davidson was greatly enjoyed. Mrs. R. M. McDonald reported on an interesting manner the speech of Mrs. Reid, the guest speaker at the annual meeting of Guelph Presbytery on January 9. After receiving reports from secretaries of Glad Tidings, Welfare and Welfare and Mission Band, the meeting closed with prayer by the president.

## Elora Breaks Tie In Overtime Game

In an exciting game in Elora on Monday evening, Acton and Elora Juveniles tangled in a well-matched game with Acton only defeated after overtime was called to break the tie. The final score was 9-8 for Elora.

When 10 minutes overtime on the 8-8 score began, Elora rushed for a win to score in the first 15 seconds. No further scoring was made in the remaining nine minutes of play.

Acton Juveniles lost in last Friday's game too when the Georgetown aggregation courted a decisive win.

Wednesday night Acton Bantam played the Fergus team in Fergus. Out-of-town ice apparently didn't agree with the Acton lines—they lost 6-0.

Tonight (Thursday) the Juvs. travel to Fergus and on Friday evening the Fergus squad will return the visit.

## OBITUARY

### Henry Jolley Dies In Hospital Jan. 8

Henry T. Jolley, the father of Mrs. N. Long, Mrs. E. Evans and Henry Thomas Jolley of Limehouse, died on Monday, January 8th, in Montreal. He was hospitalized for a week. He was in his 74th year.

Mr. Jolley was a native of Wellington, New Zealand. For three years he lived at R.R. 2, Acton. He worked in the private car department of the railway and retired in 1942. The funeral service was held on Wednesday, January 10th, in Montreal.

Besides his wife, the former Florence Duffield, he leaves six sons, Edward, Stanley and Sydney of Montreal; Henry, Thomas of Limehouse, Ont.; Harold of Calgary and James of North Bay, Ont.; five daughters, Mrs. John Verschoote and Mrs. G. Davis of Montreal; Mrs. F. Evans and Mrs. N. Long of Limehouse; and Mrs. H. Bell of Georgetown, Ont.; 24 grandchildren and one great-grandchild.

## MOFFAT

### Winter in Florida For Three Ladies

Mrs. Easley, Mrs. Lamb and Mrs. Grace Norrish left last week to spend the remainder of the winter in Florida.

## Baxter Labmen Tie For League First

Baxter Labs, the sole Acton entry in the Georgetown Industrial League, climbed into a three-way tie for first place on Monday night by playing to a 4-4 draw with a strong Provincial Paper entry. The Labmen, attired in new uniforms, finally made the top rung after being conceded little chance of finishing near the front at the start of the season. Alliance Paper Mills and Georgetown Businessmen are the other front running teams.

Although the game was poorly handled by the referees, the Labmen took advantage of every opportunity. Lorne Masales, Efe Somerville, Ray Everdell and Mye Jordan tucked goals behind "Pie" Dillon, Provincials' netminder, who was a star-spangled Junior of last season and always a hard nut to crack.

Play threatened to get out of hand several times and as a result of the officials' negligence, Julian Zajac suffered a severe facial injury.

The series resumes on Monday night in Georgetown and the Baxter team are offering odds they will be sole occupants of first place come Tuesday. Whether they finish as stated or not, it's a sure thing they are the surprise team of the loop and can expect a stiff battle for position.

As a prelude to exhibitions in Acton arena, Baxter's handed Morrison all-star sextette (all 8 of them) a 16-2 shellacking on Tuesday night even when the teams switched netminders.

The Baxter line-up follows: Robson, L. Masales, E. Masales de V. Masters, W. Fields, K. Allen, alternates: R. Marshall, J. Stewart, F. Somerville, R. Everdell, M. Jordan, J. Zajac, L. Robinson.

## Chestnuts Downed By Peanuts At Y

Last week the Volleyballers faced each other in another exciting contest. The two teams, the Chestnuts and the Peanuts, played more impressively than ever before and day in the first game the Chestnuts won a see-saw game by the count of 15-13. In the other two tilts, the Peanuts shed their shells, and the over-confident Chestnuts went down to defeat 15-10 and 15-11.

The spiking and ball handling in these games was very good and the ball was kept in play by superhuman effort on part of all players. The all-stars in these games are too numerous to mention.

The games are really worth taking part in and everyone will more than get his money's worth. The league is open to all and any volleyball enthusiasts coming in are assured of playing and a good time.
